Kayaks to Hell William Nealy, 2023-05-23 Laugh out loud with this hilarious look at the trials and tribulations of paddling, as seen through the eyes of renowned cartoonist William Nealy. A celebrated author and cartoonist, William Nealy gained cult-hero status in the outdoor-sports community by blending his passion for the outdoors with his unique style of caricatures. He had a knack for learning—not by doing but by crashing and burning! The works of this American treasure were almost lost forever, but Menasha Ridge Press is proud to help bring back

William's irreverent illustrations. *Kayaks to Hell* is a riot of a book that accurately depicts the monomania, elusive machismo, and marathon-dance mentality of whitewater paddling. With a unique blend of satire and cartoon art, the best-selling author opens up about the sport—and its disciples. Topics include: Boat racks Canoeing businessmen Paddling trips Water rescues Much, much more! Amazon Woman Darcy Gaechter, 2020-03-03 An extraordinary and inspiring chronicle of one woman's harrowing journey to become the first female to kayak the entire Amazon River. Part memoir, part feminist manifesto, *Amazon Woman* shows what incredible feats we are capable of and will encourage people, especially women, across all backgrounds and ages to find the courage and strength to live the life they've imagined. This 148-day journey began on Darcy Gaechter's 35th birthday. The emotional waters that would fester and erupt on the ensuing journey was often more challenging to navigate than the mighty river itself. With blistering lips and irradiated fingernails, Darcy would tackle raging Class Five whitewater for twenty-five days straight, barely survived a dynamite-filled canyon being prepared for a new hydroelectric plan. She and her two companions would encounter illegal loggers, narco-traffickers, murderous Shining Path rebels, and ruthless poachers in the black market trade in endangered species. In a desperate attempt meant to give her some pretense of control, Darcy even cut off all her hair before entering Peru's notoriously

dangerous “Red Zone” in hopes of passing for a boy and being seen as less of a target. At once a heart-pounding adventure and a celebration of pushing personal limits, *Amazon Woman* speaks to all of us feeling trapped by our desk-bound, online society. This is a story of finding the courage and strength to challenge nature, cultures, social norms, and oneself.

Chasing Rivers Tamar Glouberman, 2022-10-15 The thrilling story of a female whitewater guide working on some of the most challenging and remote rafting rivers in North America, from Northern British Columbia to the Grand Canyon and beyond. When Tamar Glouberman was in her twenties and thirties, rivers were flowing through every aspect of her life. Whitewater and the paddling community bring excitement, friendships, lovers and a connection to the natural world as she traverses the map in search of her next adventure. As a short woman who nearly failed high-school gym, Glouberman does not fit the stereotype of a kayaker or raft guide and must prove herself time and again. Yet she feels more at home on water than land. Driven to guide increasingly dangerous rivers, Tamar overcomes her self doubts and challenges

both on and off the water, using a combination of grit and wit. But when a rafting trip ends in a fatal accident, she is consumed by guilt and exiles herself from the rivers she loves, convinced she can never return. Tamar must eventually decide if being unable to save her passenger's life means she also must sacrifice her own. A raw and honest work from a talented new voice in adventure writing, Tamar's memoir is a page-turner, transporting readers through wild rapids and breathtaking canyons, navigating eddies and currents, as she learns from the river that finding self-forgiveness might be the most hard-to-reach destination of all.

If you have any doubts concerning your own sense of humor, you should read this book just to be on the safe side. Featured Rivers:

Appalachia Chattahoochee, Atlanta Cumberland, Below the Falls Cumberland, Big South Fork Gorge James River at Richmond Maury River, Goshen Pass New River Gorge, Revisited New River, South Fork Potomac River, Lower Shenandoah River Wilson Creek Gorge William's zany illustrations have been bound and bandaged together in a monumental new collection of books that include cartoons long out of print.
