Calling the Soul Back Christina Garcia Lopez,2019-04-02 Spirituality has consistently been present in the political and cultural counternarratives of Chicanx literature. *Calling the Soul Back* focuses on the embodied aspects of a spirituality integrating body, mind, and soul. Centering the relationship between embodiment and literary narrative, Christina Garcia Lopez shows narrative as healing work through which writers and readers ritually call back the soul—one's unique immaterial essence—into union with the body, counteracting the wounding fragmentation that emerged out of colonization and imperialism. These readings feature both underanalyzed and more popular works by pivotal writers such as Gloria Anzaldúa, Sandra Cisneros, and Rudolfo Anaya, in addition to works by less commonly acknowledged authors. *Calling the Soul Back* explores the spiritual and ancestral knowledge offered in narratives of bodies in trauma, bodies engaged in ritual, grieving bodies, bodies immersed in and becoming part of nature, and dreaming bodies. Reading across narrative nonfiction, performative monologue, short fiction, fables, illustrated children's books, and a novel, Garcia Lopez asks how these narratives draw on the embodied intersections of ways of knowing and being to shift readers' consciousness regarding relationships to space, time, and natural environments. Using an interdisciplinary approach, *Calling the Soul Back* draws on literary and Chicanx studies scholars as well as those in religious studies, feminist studies, sociology, environmental studies, philosophy, and Indigenous studies, to reveal narrative's healing potential to bring the soul into balance with the body and mind.

The Perfect Son Lauren North, 2019-08-13 A disturbing and shocking debut novel of psychological suspense about a recently widowed mother, her young son, and the lengths she'll go to in order to keep him safe. When Tess Clarke wakes up in the hospital the day after her son Jamie's eighth birthday, she's sure of these things: She's been stabbed, her son is missing, her brother-in-law and her grief counselor are involved. But no one is listening to her. After her husband, Mark, died suddenly in a terrible accident a few months earlier, the only thing keeping Tess together is Jamie. As they struggle to make sense of their new life without Mark, they find joy in brief moments of normalcy like walking to school and watching television together. Life is hard without Mark, but Tess has Jamie, and that's what matters. But there in the hospital, confused and surrounded by people who won't listen, Tess's world falls apart. To save her son, she must piece together what happened between Mark's death and Jamie's birthday, but the truth might just be too much for her to bear.

Through My Eyes..The Past Comes Calling AJ, 2010-09-30 My name is AJ, I live in Toronto Canada. On February 18, 1996 Michael J. Hummel drugged me with GHB, kidnapped me and then Gregg A. Tippet and he raped me and almost killed me. I believed I was not their only victim and I refused to stay silent. After their pictures were exposed in the national media over 30 women came forth with similar horror stories with them. In effect my mission

became to put them behind bars and stop them from victimizing any more women. During the botched criminal case, I hired two Florida lawyers specifically for a trial with these delinquents. I didn't trust my lawyers; therefore I taped one of them. In effect, I not only learned that they lied to the judges and me, but most critically I discovered that the lawyers were involved in a conspiracy to set the culprits free from a trial and shift liability to State Farm insurance for 1.5 million dollars. After I paid my attorneys \$85,000 they abandoned me and left me standing in the Florida courts alone fighting their \$41,000 invoice from State Farm as a result of their coerced, colluded contract. My attorneys simply raped me of my justice! I then filed a Florida Bar complaint and the packed mentality legalese ignored, discarded and neglected my undisputable smoking gun evidence; "my tape." I believe the public has a right to know the factual raw truth. The lessons are never give up on yourself and never underestimate the power of your voice!

Calling Me Back, Again Laura Haley-McNeil,2015-01-21 No one knows that concert pianist Cayden Kincaide's musical career began in an impoverished shack in the Indiana woods. To have a career in music is beyond his wildest dream. Still there is a hole in his heart that he longs to fill. With Deneen, the teenaged beauty queen? With Rachel, the brilliant composer? With Linda, dedicated mother and teacher? A struggle churns within Cayden. He can no longer ignore the voice in his soul that keeps calling him back to Indiana. But the person who made Indiana whole is gone. Without her, Indiana is nothing.

Unveiled Faces Sally Coleman,

Our Father's Business Tina Williams-Koroma,2019-11-19 The subtitle of this book is Pick up the Mission, Then Drop the Mic. This book walks you through the life of Christ with a primary focus on the book of Luke in the Bible. It provides wisdom from Jesus' life as He lived out Our Father's business. Although this book is divided by topic, it largely maintains the chronology of events as they are captured in the book of Luke. The inspiration for this book came as result of many personal experiences. Being about our Father's business is bigger than any title in life. Professionally, I am an entrepreneur, an adjunct instructor, an

attorney, a board director and officer, and many other titles. Personally, I am a wife, a daughter, a sister, a friend, a poet, an athlete. We all have many titles, but above all of these, there is a business, a mission, we have each been assigned to carry out. This book is written to remind and encourage you and me to pick up the mission, then drop the mic. Picking up the mission refers to bear[ing] [your] cross, and com[ing] after [Christ]. Dropping the mic refers to when a speaker or artist is on a stage, and says something so profound and final, leaving nothing else to be said afterwards. This is how our lives should be lived with such profundity that when our time on this earth is over, we can say, I have fought a good fight, I have finished my course, I have kept the faith, our physical death being our drop the mic moment. The specific challenges we face in deciding to answer God's call on our lives will be different for each of us. Some of the most difficult decisions will be choices between good (our plans) and best (God's plans for us). It is my prayer that you read this book and pick up the mission so that at the end of your life, you can then drop the mic! Click here to access the author's website!

Unshakeable Christine Caine,2017-10-24 God is bigger than your current story. Bigger than fear or shame or that voice in your head that whispers that you are not enough, too broken, or too flawed. Join Him in a closer relationship--one rooted in truth and Unshakeable. In this daily devotional Christine Caine encourages you to find confidence to live as the person God created you to be. Unshakeable is a great 365-day devotional, if you want to: Learn from inspiring personal stories and powerful scripture that will equip you to live boldly and courageously Discover how to fully trust our faithful God Be inspired to activate living your life on mission Everything in our world that can be shaken will be shaken. And yet, the Bible assures us it doesn't matter what happens politically, morally, socially, or economically in the world around us if we have Christ in us--if we have the kingdom of God within us--because His kingdom is Unshakeable.
