📖 FORCED MARRIAGE: BOSS LOVES ME TOO MUCH Yan SiYe, 2020-04-10 On a fortuitous encounter, Mu Cheng became someone Mr Lu would look for even at the ends of the earth. When they saw each other again, she was standing next to his nephew, smiling as she called out: Greetings, Uncle Lu. Who would have thought that the man would bring her home without a word and ask for a certificate. We're not close? How could he be considered familiar with it? Two babies, sir, to improve our relationship, eh? Mu Chen: Mister Lu, what happened to the high chilling restraint element?

📖 BLOCK PARTY 7 Al-Saadiq Banks, 2023-05-19 Tony Austin is the most talked about attorney of the 21st century. He is widely considered the most compelling attorney of all time. Early in his career, he was nicknamed the dapper don of attorneys attracting the attention of news media. As much as they wanted to focus on his stylish wardrobe, his craftiness and work ethic overshadowed his attire. Like a magician, he's made some of the world's most wicked criminals appear innocent. By hook or crook, he stops at nothing to defend his client, even if it means crossing that fine line between ethical and unethical. With all the antics the government and the judicial system have used against him, there's no game he hasn't seen. He's gone against the system blow for blow singlehandedly. When it comes to victory, no pebble is too tiny for him to kick over, and no mountain is too big for him to climb. With all the challenging battles he's fought to save his clients' freedom, he now faces the most brutal one of them all, and that's retaining his own freedom. Tony Austin has declared war against the United States of America, which may be the biggest mistake he's made in his life. It's a block party 20-year reunion as Tony is reacquainted with former clients. As retaliation for Tony's war, the feds are attempting to tie Tony into the criminal enterprises of those clients. His decision is destroying his life and the lives of innocent people close to him. Will attorney Tony Austin be able to work his magic and pull himself and the many people affected out of this disaster, or will his 20-year winning streak end with him behind bars like a criminal?

📖 THE LOST WITNESS Robert Ellis, 2009-02-03 With his novel City of Fire, Robert Ellis debuted a dynamic new character in Los Angeles detective Lena Gamble, but also captured a vivid picture of the city of Los Angeles. Readers and critics made City of Fire an instant phenomenon, as the book became a Los Angeles Times bestseller and was named a top summer read by People magazine, USA Today, and The New York Times. Now Lena Gamble is a cop held in disgrace by department higher-ups for the explosive way the Romeo case played out, though she's still hailed as a hero by her colleagues for catching the killer. For her punishment, she hasn't handled a real murder investigation in eight months. When the chief finally tosses her a case, she's thrilled until she gets a look at the scene and realizes he's probably setting her up to be exiled once and for all: The victim is unidentified, and there are no witnesses, and no leads. Just the body, chopped into pieces and dropped in a dumpster—gruesome enough to ensure that once again the media will be following Lena's every move. Robert Ellis delivers another high-speed, commercial, powerful read, featuring one of the most engaging and vibrant police characters on the shelf today.

📖 *Officer Down* Theresa Schwegel, 2007-04-01 The Chicago Police Department says Samantha Mack shot her partner, Fred, during the confusion of a bungled pursuit. Mack says it was their quarry, a violent pedophile named Marco Trovic, who fired the deadly round in that darkened room. But Mack was knocked out and can’t really say what happened. When no evidence of Trovic is found on the scene and the bullet is shown to have come from Mack’s own gun, the Department labels Fred’s death as a case of friendly fire. Back at the station, it seems no one believes Mack’s account. Not Internal Affairs investigator Alex O’Conner, and not even Mack’s lover, whose best attempts at support leave her as cold as the wind whipping across Lake Michigan. With the Department looking to quiet the bad press, Mack can’t count on anyone to help her track down Trovic. Even if she can somehow find him in the dark recesses of Chicago’s underworld, can she prove that Trovic was the shooter? With her back to the wall and her career at stake, now it’s time for Mack to take matters into her own hands to clear her name—and avenge her partner’s death. *Theresa Schwegel Officer Down* is the winner of the 2006 Edgar Award for Best First Novel.
