**Favela Tours** Thomas Apchain,2023-11-28 For a long time, favelas were a source of fear for tourists visiting Rio de Janeiro. Now that they are more appealing, some have become popular tourist destinations even though they are still regarded as an off the beaten track activity. Favela Tours analyzes the factors behind the emergence of tourism in the favelas, places of otherness and authenticity for visitors who come mainly from Western Europe and North America. Based on ethnography of those involved in these practices (guides, residents and tourists), this book describes how the local and global forces are converging to make favelas part of the western tourism system: a mechanism for fabricating and assimilating otherness.

*Tours That Bind* Shaul Kelner,2012 Winner, 2010 Association for Jewish Studies Jordan Schnitzer Book Award 2011 Honorable Mention for the American Sociological Association Culture Section's Mary

Douglas Prize for Best Book Since 1999 hundreds of thousands of young American Jews have visited Israel on an all-expense-paid 10-day pilgrimage-tour known as Birthright Israel. The most elaborate of the state-supported homeland tours that are cropping up all over the world, this tour seeks to foster in the American Jewish diaspora a lifelong sense of attachment to Israel based on ethnic and political solidarity. Over a half-billion dollars (and counting) has been spent cultivating this attachment, and despite 9/11 and the ongoing Israeli-Palestinian conflict the tours are still going strong. Based on over seven years of first-hand observation in modern day Israel, Shaul Kelner provides an on-the-ground look at this hotly debated and widely emulated use of tourism to forge transnational ties. We ride the bus, attend speeches with the Prime Minister, hang out in the hotel bar, and get a fresh feel for young American Jewish identity and contemporary Israel. We see how tourism's dynamism coupled with the vibrant human agency of the individual tourists inevitably complicate tour leaders' efforts to rein tourism in and bring it under control. By looking at the broader meaning of tourism, Kelner brings to light the contradictions inherent in the tours and the ways that people understand their relationship to place both materially and symbolically. Rich in detail, engagingly written, and sensitive to the complexities of modern travel and modern diaspora Jewishness, *Tours that Bind* offers a new way of thinking about tourism as a way through which people develop understandings of place, society, and self.

**Get Lost!** Steve Silva, 2008 Out of the heart land of Pennsylvania and its coal fields, came the secrets and indiscretions that gripped the heart of James Roster. They were the kind of secrets that tugs at your heart and won't let go. First, were the surprising circumstances of his birth, which he did not find out about until he was twenty years of age. It was the kind of secrets that changed all he was and all he hoped to be. This first secret left him with a bitterness that he could not rid himself of. Yet

he had to live close up and personal with the secret, and those who were perpetrating the secret, as well as all of the lies that went along with the secret. One Saturday night in June, when he was taking part in a friendly gambling game, he was struck with a second even more devastating secret. A deceptive secret that no man should ever have to hear. This second and very consequential secret came out of the drunken mouth of Slim, a man he had thought of as his friend. Slim had shouted the secret out at a gambling game; in front of a group of their male friends. The orchestration of this second secret had been so deceptive, that to James it was unbelievable. At first James did refused to believe what Slim had said, but it was shortly proven to be true. This second secret could very well destroy his family unit. It involved his daughter, Valetta and his wife, Maretta the two loves of his life. Things were hanging on a slender thread. How could it be, that this child that he had loved with an undying love since he had first set eyes on her eighteen long years ago, was neither his or his wife's child. James and his family struggled hard to find a way to put the pieces of their lives together and have some sort of equilibrium. His daughter, Valletta, had taken off in search of her identity. His wife, who had been waiting eighteen long years for James to one day find out about her most unusual deception, was devastated. Isaiah Mosley, a wealthy white man, who was part owner of the coal mine, was one of the people responsible for the first secret. About the same time the second secret was exposed; Isaiah invited James and his wife to his home to have dinner with his son, daughter-in law and himself. He was trying to find closure to the first secret. As they sat at the dinner table Isaiah's grandson, Jerith, walked in the door with an announcement that brought them all to their feet in disarray.

**Guided Tours of Hell** Francine Prose,2013-09-24 An "irresistibly readable" pair of novellas skewering Americans abroad—by the New York Times–bestselling author and National Book Award finalist(The New York Times Book Review). "In a style that is bold, witty, richly detailed, and suffused with a wry subtlety," Francine Prose offers penetrating portraits of Americans in Europe who have brought all their baggage—ego, ambition, sexual desire—with them (Elle). *Guided Tours of Hell* When the insecure (and rightfully so) playwright Landau travels from New York to Prague to read at the first annual Kafka conference, he's certain this is his chance to prove himself—and his work. But he quickly finds himself upstaged by Jiri Krakauer, a charismatic Holocaust survivor whose claim to fame is a long-ago death-camp love affair with Kafka's sister. On a group tour to the camp-turned-tourist-

attraction, Landau sets out to prove that Krakauer is lying—with unexpected results. Three Pigs in Five Days Ambitious young journalist Nina has been stranded in Paris by her editor and sometimes boyfriend, Leo. When he finally shows up, playfully suggesting a romantic tour of the catacombs, prisons, and shadows of the City of Light, the bloom begins to come off the rose for the infatuated Nina—who must ask herself how much of herself she is willing to sacrifice for love.
