Transit Operators and Non-transit Claimants Annual Report California. Office of State Controller,1997 The
Transportation Development Act of 1971 provides that a portion of the sales tax collected in each county [of
California] be returned to local entities for public transportation purposes. These funds are allocated by
regional transportation planning agencies for services ranging from bus and rail transit to bike paths and street
repairs. The data presented in these [annual] reports indicate how the funds were allocated to operate these
systems during a given fiscal year.
