Wicked Winnie Holzman, 2010-10 Each title in The Applause Libretto Library Series presents a Broadway musical with fresh packaging in a 6 x 9 trade paperback format. Each Complete Book and Lyrics is approved by the writers and attractively designed with color photo inserts from the Broadway production. All titles include introduction and foreword by renowned Broadway musical experts. Long before Dorothy dropped in, two other girls meet in the Land of Oz. One, born with emerald green skin, is smart, fiery, and misunderstood. The other is beautiful, ambitious, and very popular. The story of how these two unlikely friends end up as the Wicked Witch of the West and Glinda the Good Witch makes for the most spellbinding new musical in years.

Out of Oz Gregory Maguire, 2011-11-01 “Maguire’s work is melodic, symphonic, and beautiful; it is dejected and biting and brave. How great that people flock to these magical novels.” —Los Angeles Times Book Review Bestselling author Gregory Maguire’s remarkable series, *The Wicked Years*, comes full circle with this, his fourth and final excursion across a darker, richer, more complex landscape of “the magical land of Oz.” *Out of Oz* brilliantly reimagines L. Frank Baum’s world over the rainbow as wracked with social unrest—placing Glinda the good witch under house arrest and having the cowardly Lion on the lam from the law as the Emerald City prepares to make war on Munchkinland. Even Dorothy makes a triumphant return in Maguire’s magnificent Oz finale—tying up every loose green end of the series he began with his classic *Wicked*, the basis for the smash hit Broadway musical.
