Wild Swimming Bingo Game Wee Burst of Awesome,2020-11-13 Are you looking for the perfect present for the outdoor swimmer in your life? Are you missing laughing and chatting with your swim buddies? Do you wish you could have wild swimming fun all the time? Bingo! Here is your solution. A simple game with a lot of potential for laughter and connection, allowing you to have fun together no matter the weather or how the world looks out there. You don't have to be a swimmer, so you can play with people who you haven't managed to persuade into the water quite yet! (This could be a good way to start getting them interested!). Sometimes life gets in the way and you aren't able to get together with your swim buddies as often, or for as long, as you would like. Perfect entertainment for the times when you can't be out swimming and laughing together. This is designed for those of us who appreciate the fun as well as the beautiful, who embrace the silliness and grab life with both hands. You could even get a book for each of your fellow swimmers so that you can all easily play together. The perfect excuse to catch up together on a chilly evening and have some fun! Bonus points if you wear your change-robe to the video call! This is NOT designed for swimmers who ONLY want to check off big speed or distance achievements/challenges, and aren't interested in the fun that happens in and by the water. It IS for swimmers who appreciate the silly, laugh at the sounds we make as we step further into the cool waters, who chatter excitedly as you explore a new swim spot, and who appreciate spending time together as you warm up afterwards. This book is a small lightweight softcover (glossy finish), so a perfect size for popping in a bag (or a stocking!). A5 book (approx 5.5x8.5 inches or 14x21.5cm) with cream pages. Contents include a short introduction and explanation of ways to play, 60 pre-generated and numbered bingo sheets with fun illustrations, a full numbered list of the 100 phrases used in the bingo sheets for the caller, also 10 blank bingo sheets for you to fill in with your own phrases/challenges if you wish. Notes: A sheet defined as a side of paper, pages are double-sided with a sheet on each side.

Bingo! Andrew Bowser,2001 This book is your guide to the game, from the basics to the advanced strategies that will help you come home a winner.

Jokers Wild Thomas Barker,Marjie T. Britz,2000-09-30 A history and analysis of gambling in the United States from bingo to state lotteries to Indian gaming and the rise of Las Vegas, this book reveals how we have become a nation of gamblers and what the future holds for the gambling industry. From the colonial era to the present, Americans have enjoyed a love-hate relationship with gambling. It is a pastime that has gone from sin to recreational activity, and an industry that has moved from control by organized crime to management by executives with MBAs. While gaming is one of the nation's fastest-growing industries, Barker and Britz predict that this process will slow or stop in the next century as the result of market saturation and unknown social and economic effects which loom over the glitz, glamour, and action. Providing the latest information on the nature and extent of legalized gambling in the United States, this study examines why we gamble and how the relative impact of the activity differs in certain segments of the population. Legalized gambling is, at best, problematic behavior with both good and bad consequences. State-sponsored gambling, both in the form of monopolistic lotteries and in tribal casinos, does to some extent call into question the proper role of the state or tribal nation in promoting a potentially harmful activity among its citizens. States that have looked to legalized gambling as a source of economic salvation may soon experience difficulties as gambling venues multiply and unregulated Internet gambling becomes more widespread.
