Famous Sheriffs and Western Outlaws William MacLeod Raine,2012-02 Famous Sheriffs and Western Outlaws is a classic for everyone interested in history and what is was like in the Old West. Calling the Brands Monty McCord,2018-07-01 Calling the Brands tells the story of the, range detectives, stock detectives, and inspectors, who usually worked completely alone, courageously capturing or killing livestock rustlers in order to assure the survivability of the ranchers. The detectives and inspectors had to be proficient in calling the brands, which meant being able to read a brand and identify its owner. While most western lawmen's titles and many of them are familiar, less well known are the various titles and names of those who protected the cattle industry from being carted away lock, stock and barrel by the unscrupulous and who helped shaped the West as we know it.

Who Shot the Sheriff? J. Fred MacDonald,1987 This intriguing book is a study of the rise and fall of an American genre of entertainment and communication whose symbols and rhetoric helped define American society for decades. Flourishing in the 1950s and 1960s, the television Western has deteriorated to the point where it is now irrelevant and meaningless. Tracing the evolution of the Western from the late 1940s to the 1980s, the author ties the genre to the political innocence and confidence of the Cold War years and suggests that the social reevaluations that began in the 1960s undermined the believability of Westerns and their entertainment value. Seeking to understand the demise of the TV Western, the book offers an analysis of the interrelationships between popular culture, television, and sociopolitical development in the United States during the past four decades.

History of the British Isles to 1714 Ad John Priestley,2011-11-29 This is a general history of the British Isles, from the retreat of the ice caps through the prehistoric period, the Iron Age, the Roman era, the Dark Ages, the Middle Ages, the Norman Conquest and right through to the Tudor and Stuart dynasties.

We Will Rule the World Bob Sands,2021-02-28 “The flame of democracy sometimes flickers under misguided leadership, but it will remain lit because good commanders, solid mentors will prevail.” — Declaration by Brock Mullinix The large, imposing Texas oilman chomps on his second Big Mac, then chugs from a bottle of Diet Coke. The intense and to-the-point Russian President dabs at his porridge and slurps two raw quail eggs from a cup. Sergey Orlov’s steely eyes stare sharply at Luther Tex Lofton and vows, “We will pull this off; we will rule the world.” Lofton wins the presidency in a landslide, whipping a Social Democrat, viciously smeared throughout the 2016 campaign. A nude photo helps turn the Oval Office into a den of sin. Can a liberal Democrat, Brock Mullinix, quash this reign of tyranny? A presidential election in 2020 looms as a righteous pathway.
