Rough and Tumble Crystal Green,2014-07-15 On the dusty outskirts of Vegas, there's a down and dirty saloon where all sorts of lethally charming—and genuinely dangerous—men carouse to seduce the women who happen to venture inside on their way to and from Sin City. After Molly Preston flees a dead-end job with a lecherous boss, she finds herself in even hotter water after one of her best friends makes the wrong bet in a poker game with a sexy bad boy drifter in a backroom of the Rough & Tumble. The man's name is Cash. And he offers Molly an indecent proposal—one hot

night with him—that could erase her friend’s debt to him in one fell swoop. She wants to say yes, even if this electrifying man seems just as unsafe as he is tempting. One night becomes two...then more...and soon Molly is road tripping with Cash in the desert and exploring boundaries she never knew existed. But will indulging in this kind of pleasure leave her “normal” life in the dust? Crystal Green is a RITA nominated romantic fiction author. She is the author of the Vampire Babylon urban fantasy series, writing as Chris Marie Green.

Living the Dream R.M Singhose,2012-05-22 Jim and Rose Singhose are no strangers to the road. Theyve been riding Harley-Davidsons for over forty years, and they arent even close to being finished. In 2003, there was little need for discussion: they would attend the one-hundredth birthday celebration of their favorite bikes. They would head to Milwaukee, Wisconsin, to celebrate with all the other Harley enthusiasts. Of course, there were bound to be some speed bumps along the way. Living the Dream is book three in the Harley Woman series, and it follows Jim and Rose for 13,000 miles, from Oregon to Canada, through Milwaukee, and back again. Along the way, they make a spur-of-the-moment decision to head to Prince Edward Island for what else lobster! Later, Rose gets stopped by suspicious customs officials who want to know what shes doing in Canada. Some people might say its crazy to spend so much time on the road. For Rose, theres never any trepidation about a ride on her Harley. Instead of counting the miles away from home, shes comfortable counting the states they cross. Living the biker dream is filled with adventure, the occasional nuisance, and maybe some danger but for Rose, its all worth it to feel the wind in her face and freedom in her heart.
