Luxury Home Plans ,

A House by the Sea Bunny Williams,2016-09-13 Author and renowned designer Bunny Williams has been at the top of the interior design world for more than 40 years. Her new book invites readers to explore La Colina, Williams's lovely Caribbean retreat tucked into lush, tropical gardens by the sea. The book explores every facet of the property—from outdoor rooms and garden

plantings and design to the delightful, island-living luxury of the villa's interiors, furnishings, and collections. Woven into each chapter are essays written by friends who have visited the property: Gil Schafer details the villa's architecture; Page Dickey tours the gardens; Roxana Robinson offers a peek at a weekend stay; Angus Wilkie discusses the delights of collecting; and Jane Garmey revels in the pleasures of cooking, food, and friends. Also available from Bunny Williams: *An Affair with a House* and *Bunny Williams On Garden Style*.

Love Affairs with Houses Bunny Williams, 2019-04-16 “Her commentary on the origins, allure, and challenges of each home reads like liner notes to a favorite album . . . she is in a class all her own.” —*Flower* In this story-filled monograph, Bunny Williams presents new work through 15 houses she has decorated and loved. She tells the tale of each “affair,” tracing the style of the spaces, what drew her to the projects, and her approach to decor that evolves with the lives of her clients. She offers personal secrets for choosing classics—and for decorating with flexible pieces that can play more than one role in a design scheme. Along the way, she offers many amazingly chic, but always comfortable, residences whose interiors she has designed during the latest

phase of her astounding career. As Bunny tells it, “The best pieces have the best stories,” and in this book, she shows readers a fresh collection of projects that demonstrate just that. “A must-have addition to any interior design enthusiast’s library.” —The Glam Pad

The Well Adorned Home Cathy Kincaid, 2019-09-10 Renowned interior designer Cathy Kincaid's first book provides a fresh approach to combining classic and contemporary design with a refined sensibility. Known for her carefully nuanced color palettes and attention to detail, Cathy Kincaid creates warm and gracious interiors. Her worldly taste in collecting art and furnishings, her intricate layering of patterns, and the customized details--from trelliswork to lacquered surfaces--she applies to every room are hallmarks of her style. Presented are varied residences, ranging from a ship captain's cottage and a 1920s Spanish Colonial to a bucolic farmhouse and a family house in the country, in such locations as Dallas, Connecticut, and the South of France. Sprinkled throughout is Kincaid's advice on such topics as selecting the right lighting, whether it be sconces or lamps; ways to showcase blue-and-white porcelain; and suggestions for how to edit one's home. She has been long involved in historic

preservation, working on many landmarked dwellings. Learn from this design expert how to achieve a comfortable yet sumptuous home environment.
