The Atlas of Reds and Blues Devi S.

Laskar, 2019-02-05 This Washington Post Best Book of the Year grapples with the complexities of the second-generation American experience, what it means to be a woman of color in the workplace, and a sister, a wife, and a mother to daughters in today's America. When a woman—known only as Mother—moves her family from Atlanta to its wealthy suburbs, she discovers that neither the times nor the people have changed since her childhood in a small Southern town. Despite the intervening decades, Mother is met with the same questions: Where are you from? No, where are you really from? The American-born daughter of Bengali

immigrants, she finds that her answer—Here—is never enough. Mother's simmering anger breaks through one morning, when, during a violent and unfounded police raid on her home, she finally refuses to be complacent. As she lies bleeding from a gunshot wound, her thoughts race from childhood games with her sister and visits to cousins in India, to her time in the newsroom before having her three daughters, to the early days of her relationship with a husband who now spends more time flying business class than at home. Drawing inspiration from the author's own terrifying experience of a raid on her home, Devi S. Laskar's debut novel explores, in exquisite, lyrical prose, an alternate reality that might have been. The entire novel takes place over the course of a single morning. . . and the effect is devastatingly potent. —Marie Claire Devi S. Laskar's *The Atlas of Reds and Blues* is as narratively beautiful as it is brutal . . . I've never read a novel that does nearly as much in so few pages. —Kiese Laymon, author of *Heavy*

On Second Thought Kristan Higgins, 2017-01-31 New York Times-Bestselling Author: "Emotional depth is seared into every page along with wry banter, bringing readers to tears and smiles." -Library Journal (starred review) Ainsley O'Leary is so ready to get married-she's even found the engagement ring her boyfriend has stashed away. What she doesn't anticipate, after eleven years together during which she nursed him through cancer, is being blindsided by a breakup that he chronicles in a blog . . . which (of course) goes viral. Devastated and humiliated, Ainsley moves in with her older half sister, Kate, who's struggling with a sudden loss of her own in upstate New York. Kate's always been the poised, self-assured sister, but becoming a newlywed-and a widow-in the space of four months overwhelms her. Though the sisters were never close, she starts to confide in

Ainsley, especially when she learns her late husband was keeping a secret from her. Despite the murky blended-family dynamic that's always separated them, Ainsley's and Kate's heartaches will bind their summer together as they come to terms with the inevitable imperfection of relationships and family—and the possibility of one day finding love again "Higgins's page-turner highlights both the complexity of family relationships and the intense power of love." —Publishers Weekly "A captivating read about two sisters dealing with love, loss and new beginnings. What sets this book apart is how one event changes both women's lives. Kate is refreshingly frank in her inner monologue, and Ainsley is charmingly self-aware and wry." —RT Book Reviews, 5 stars (Top Pick) "Higgins' complex, witty characters will seem like close friends, and readers will savor each and every page . . . [Higgins is a] women's-fiction star." —Booklist (starred review)

Save the Date Lourdes Welhaven, Melly Nofal, 2019-04-03 Some blind dates are worse than others... Little did paralegal Kelly Camden know that this blind date would set in motion a course of events that would cause her to be the lead suspect in a high profile murder. And if that wasn't bad enough, Brad Howard, her blind date, was fighting for his life and Kelly is apparently the only one who can save him. All she has to do is give up the information that "they" want. Trouble is, she doesn't know what that information could be, nor does she have any clue who "they" are. Kelly Camden works for one of the top law firms in Ainsworth, North Carolina. She loves her job as a paralegal. However, she is less than thrilled with her nearly non-existent love life. The few dates she's had in the past couple of years all seemed to get progressively worse. When Kelly is set up by a co-worker, she has very low expectations but is pleasantly surprised to find that Brad Howard, her date, seems attractive and nice. But just a few minutes into dinner, her date - the one decent date she's had in ages - suddenly collapses onto the floor of the restaurant. After Brad is taken away by ambulance, Kelly's life

suddenly turns upside down when a series of strange and frightening messages come her way, threatening both her life and Brad's. On top of it all, Kelly finds herself identified as the main suspect in a murder related to one of her firm's big cases. Worse yet, the messages continue to get more menacing making it clear that Brad is in danger and only Kelly can "save the date" - save Brad. With the help of her best friend and fellow paralegal, Sam Greyson, this "pair of legals" set out to unravel the wide-ranging mystery that threatens everyone in its path. "Save the Date" is the first book in the "A Pair of Legals Mystery" Series. If you like modern, action-packed, cozy mysteries with a hint of romance, then this page-turner is for you.

Coaching Fire Victoria Laurie, 2023-11-28 The New York Times bestselling author of the Psychic Eye Mysteries and the Ghost Hunter Mysteries returns with a new installment in the popular Life Coach Mystery series starring Cat Cooper, the best life coach in the Hamptons, when she's not busy solving murders. Gilley's whirlwind romance with creative director Stuart Jacobs began in Paris, where Stuart was sourcing fabric for the world-renowned Texas Rose Festival, which he is heading-up for the first time. The festival is nothing short of spectacular, bringing in half a million people (and their wallets) to see the artistic displays, and exquisite gowns and jewels worn by the Rose Queen and her court. Stuart and his crew seem to have it all under control. But the night Cat arrives in Texas, someone is shot in cold blood, and a member of Stuart's staff is named the prime suspect! The Rose Festival is too important to the city's economy to cancel, so while Stuart scrambles to prevent the festival from derailing, Cat and Gilley launch their own investigation into the murder. With a parade of potential suspects to parse, and an even longer list of motives, they

bring in East Hampton Police Detective Steve Shepherd to help. As rumors of arson, burglary, and professional sabotage swirl around the already fraught festival planning; Cat and her team immerse themselves in the cutthroat pageantry to identify the killer, who has already picked their next victim . . .

She knows only what he's told her: That life as he knows it is over. His deteriorating condition makes playing his guitar physically impossible-as far as Mason is concerned, he might as well be dead already. Except he doesn't know how to say goodbye. Helping him is Nova's biggest challenge yet. She knows she should keep clients at arm's length. But she and Mason have more in common than anyone could guess... and meeting him might turn out to be the hardest, best thing that's ever happened to them both. The Gentleman from Japan James Church, 2016-12-06
James Church, a former Western intelligence officer, returns to the secret world of North Korean intelligence with another "crackling good" (The Washington Post) story in his critically acclaimed Inspector O series. Under the guise of machinery for making dumplings, a Spanish factory near Barcelona is secretly producing a key component in the production of nuclear weapons. When information finds its way to the inboxes of Western intelligence agencies that this "dumpling maker" is meant for North Korea, orders go out that the shipment must be stopped. Either the machine must be disabled while still in the

factory, or the transportation route must be discovered so the equipment can be intercepted before it reaches its destination. An old friend recruits Inspector O to assist in the complex operation designed to disrupt the plans for shipping the machine. Carefully planted bits of information and bizarre events have led both the Spanish factory and those trying to intercept the machine to conclude that Japanese criminal organizations are involved in buying and transporting the “dumpling” machine in order to hide the involvement of North Korea. A flurry of murders puts the focus on the northeast Chinese city of Yanji, near the border with North Korea, where O’s nephew Major Bing is the Chief of State Security. Bing has his own problems dealing with a corrupt local mayor who is out for his head, coping with a new deputy who cannot be trusted, and figuring out why a Chinese gangster he’s worked for years to chase away has suddenly returned. Church—hailed as “the equal of le Carré” by Publishers Weekly—takes O deep into a maze of cracked mirrors that hide the exits from an elaborate, deadly double blind in his most elaborate mystery yet, *The Gentleman from Japan*.
