A Reluctant First Mate's Journal Gwen Riggs ,2015-09-22 Buying a sailboat is not something generally done on a whim. When Gwen and her husband Dan tired of their small powerboat, they decided to buy a sailboat large enough to sail across the Atlantic. Their shake-down cruise involved sailing from their home port in Rhode Island over 700 miles to Bermuda. Along the way, they encountered severe weather, 30-foot-high waves, nasty seasickness, and lots of equipment failures. With undampened spirits, the Riggs set course for Europe three years later. Duke, a spirited young Lhasa Apso, joined them for their adventure across the Atlantic. Their sails would bring them to ports all around the Mediterranean, to the Scandinavian countries and northern Europe. Author Gwen Riggs's breathtaking journey across the Atlantic is dutifully recorded in her own words in *A Reluctant First Mate's Journal*. You won't have to leave the comfort of your home to re-live every exciting moment

The Surgeon's Mate Patrick O'Brian,1994 Jack Aubrey and Stephen Maturin are ordered home by dispatch vessel to bring the news of their latest victory to the government. But Maturin is a marked man for the havoc he has wrought in the French intelligence network in the New World, and the attentions of two privateers soon become menacing. The chase that follows is as thrilling and unexpected as anything O'Brian has written. Copyright © Libri GmbH. All rights reserved.
