Jackie Von Tobel

**The Design Directory of Window Treatments** ,2007 The Design Directory of Window Treatments is not a typical how-to book. It is a comprehensive directory which can be used by trade professionals and consumers alike. It is a professionally illustrated volume detailing the most complete collection of standard and unique, current window treatment components and designs ever assembled. By performing a thorough and exhaustive search of all current Window Covering books, subject oriented consumer magazines, trade publications, trade workroom catalogs, interior design firms, retail portfolios, and trade show presentations, Von Tobel identifies and names more than 350 individual, standard and unique, components that can be mixed and matched to create window treatment designs. All of these elements and designs are beautifully illustrated in color renderings that can be used over and over again to create any custom vision. Black-and-white line drawings of these illustrations and industry charts and forms are included on a companion CD.

*Designer Window Fashions* Charles Randall,2020-06-01 Designer Window Fashions is Charles Randall's newest creation based upon his original masterworks:The Encyclopedia of Window Fashions and The Window Decorating Book.This new book continues the tradition of showcasing classic and contemporary window coverings from some of America's top designers.With more full-color photographs and black & white illustrations than ever before, Designer Window Fashions presents countless combinations of window and bed coverings for any room in the home: from a simple rod pocket curtain to a designer masterpiece.

*The Encyclopedia of Window and Bed Coverings* Charles Randall,2012-06-01 Completely updated and revised: the latest in window & bed covering ideas, and now with an extensive Bed Covering section, The Encyclopedia Window & Bed Coverings is Charles Randall's newest creation based upon his original masterwork: The Encyclopedia of Window Fashions. This new book continues the tradition of blending historical, classic and contemporary offerings. The Encyclopedia of Window & Bed Coverings is a must have for interior designers, homeowners, and decorating enthusiasts alike. With more full-color and black & white illustrations than ever before, this book presents countless combinations of window and bedding treatments for any room in the home: from a simple rod pocket curtain to a period style masterpiece. 304 pages of cost-saving ideas, yardage calculations and fullness charts, you will quickly see why this book has not only become the industry standard for window decor inspiration, but also the world's best-selling window decorating book.

*Window Treatments Idea Book* Sue Sampson,Ellen DeLucia,2006 From Roman shades to plantation shutters, swags, drapes, and cafe curtains, Window Treatments Idea Book has all the inspiration and practical design advice you need to create a room you'll want to spend time in--Page 4 of cover.

Window Treatment Styles Candace Ord Manroe,1997 You can transform the look of a room just by changing the window treatment. The right draperies can soften a contemporary setting or enhance old-fashioned charm; a well-chosen shade can give an edge to a traditional look or complement an up-to-the-minute decor. You can even disguise a room's faults with treatments that fool the eye-- or you can enhance architectural design with a minimalist treatment. But the right window treatment involves a practical aspect as well. Does sunlight pour through the window, or is the room shaded by trees? Are you vulnerable to prying eyes outside, or do you want to make the most of a stunning view? Is your room spacious, or are you decorating a cozy nook? This book helps you sort through these problems by showing you window treatments for every room in the house. Illustrated with more than 220 full-color photos.

The Complete Photo Guide to Window Treatments Linda Neubauer,2011-01-04 The most comprehensive DIY window book on the market The Complete Photo Guide to Window Treatments makes it easy to choose and construct today's most popular window treatments - 20 styles of valances, swags, and cornices; 20 styles of curtains and draperies; plus 10 types of window shades. Room photographs show each style in a variety of decorating styles, fabrics, and hardware. Each project has step-by-step instructions from beginning to end: measuring the window, cutting the fabric with confidence, sewing or constructing the project, and installing the treatment the professional way. Over 500 how-to photographs and diagrams make it easy to have professional results. This is the big book of DIY window treatments!

**Design Directory of Window Treatment** Jackie Von Tobel, The Design Directory of Window Treatments features professional illustrations detailing every type of window treatment imaginable, and is an invaluable guide for trade professionals and consumers. Jackie Von Tobel searched exhaustively through existing window covering books, consumer magazines, trade publications, workroom catalogs, and interior design materials to identify and name more than 350 individual components that can be mixed and matched to create an infinite number of window treatments. Each of these elements and designs are expertly illustrated in more 750 color renderings that can be used repeatedly. Black-and-white line drawings of these illustrations are also included on a companion CD-Rom, along with a worksheet for designer use.
