

Window Paper

Christian Drosten

From a Northern Window UNKNOWN.

AUTHOR,2015-07-16 Excerpt from *From a Northern Window: Papers, Critical, Historical and Imaginative* The aim of this book has been to produce a number of contributions of an original and harmonious nature and covering a sufficient range of literature to embrace a variety of interests. In the case of the articles by the late Ian Maclaren some revision was necessary, as they were written for delivery as lectures in America and elsewhere, and have not been published hitherto. I have to thank the Editor of *Good Words* for permission to reprint *Among the Red Deer* by Sir James Cameron Lees, K.C.V.O., and the Editor of *The Scotsman* for a similar favour in the case of one of the sketches by the Rev. George Murray, B.D. About the Publisher *Forgotten Books* publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. *Forgotten Books* uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Words from the Window Seat Taylor Tippet,2021-10-12

Flight attendant Taylor Tippet had just finished beverage service and was sitting in the back of a Boeing 737 when she had a revelation: How can I show kindness to these passengers if I can't show it to myself? She grabbed a tiny notepad and a Sharpie and wrote a simple message that would change her life: Be kind to yourself. Before she had time to think about it, Taylor taped the note to a window, posted a picture, and then left the slip of paper in a seat-back pocket for someone on the next flight to find. What started as a personal project to encourage herself and others soon became a viral sensation. In *Words from the Window Seat*, Taylor shares stories of her travels, daily life, and interactions with people of all kinds, anchoring each chapter around a note she's left for a stranger to find. As she takes you from Chicago to Paris to Barcelona on planes, trains, and even a skateboard, you'll: Learn how to embody love through little acts of kindness Discover the small moments of magic in the everyday Find ways to embrace your authentic self With charm, inspiration, and plenty of whimsy, Taylor reminds us that even in a weary world, it's possible to celebrate the beauty in each person's unique story--and make an impact that goes deeper than you'll ever know. Praise for *Words from the Window Seat*: These pages will empower you to explore the many opportunities we have each day to encounter light and share love with others while traveling. Whether traveling by air or traveling through life. This book is an encouragement to be present in the everyday, no matter what comes your way. --Morgan Harper Nichols, bestselling author of *All Along You Were Blooming*
