

Wingman

David Pepper

Wingman Mack Maloney,2013-06-18 DIVThe first book in the bestselling, action-packed Wingman Series: With America in ashes, and lawlessness threatening to rule land, air, and sea, one pilot stands poised to pull his nation back from the brink of all-out anarchy /divDIV The Big War started in Western Europe with a Soviet nerve gas attack that laid waste to France, Germany, and Spain. The world’s democracies fought back, and pilots like Hawk Hunter led the charge—tearing across the flaming wreckage of the continent at supersonic speeds. They pushed the Russians back and just when victory was in sight, a traitor at the highest level of government turned off America’s missile defense system, and Soviet nukes rained from the sky./divDIV /divDIVTwo years after the nuclear holocaust, Hunter gets a message to report to his old commander. America is in pieces: Pirates rule the skies, and an airborne armada is plotting to attack Football City (formerly known as St. Louis). The armada is made up of criminals flying state-of-the-art jets, and even though the government can only offer Hunter his old F-16, he will do whatever it takes to reclaim his ravaged homeland./divDIV /divDIVWingman is the first book of the Wingman series, which also includes The Circle War and The Lucifer Crusade./div

The Circle War Mack Maloney,2013-06-18 DIVFlying over a shattered nation, ace pilot Hawk Hunter comes face to face with his greatest enemy/divDIV The United States may have defeated the Soviet Union in the Battle for Western Europe, but the Russians ended World War III with a nuclear sneak attack that shattered America into a collection of warring states dominated by criminals, fascists, and pirates. Air power rules all in the New Order, and pilots like Hawk Hunter are the only form of law./divDIV /divDIVOne of the most decorated pilots of the old US Air Force, he flies for the Pacific American Air Corps, a loose group of flyboys who have taken it upon themselves to safeguard what remains of US borders. Flying his U-2 over the frozen tundra late one night, Hunter detects something on his infrared camera: fifty jet fighters, accompanied by a full-scale invasion force. And their sides bear the emblem that frightens him most: the red star of the Soviet Union. World War IV is about to begin./divDIV /divDIVThe Circle War is the second book of the Wingman series, which also includes Wingman and The Lucifer Crusade./div

Target: Point Zero Mack Maloney,2013-06-18 A crazed terrorist looms high above the Earth, and pilot Hawk Hunter must take him down: “The best high-action thriller writer out there today, bar none” (Jon Land). It’s been years since the Soviet Union used its last dying breath to rain nuclear annihilation upon the United States. Now, freedom’s greatest enemy is no longer the entire Russian government; it’s a single Russian man: Viktor Robotov, a demented genius, is an expert at inciting mayhem. Twice he has manipulated global politics to produce catastrophic wars, and twice the pilot Hawk Hunter has thwarted him. But Robotov’s latest scheme will force Hunter to fly higher than he ever has before—all the way to outer space. On a state-of-the-art Russian shuttle, Robotov launches himself into orbit, planning to collect the derelict laser satellites left over from the so-called Star Wars defense system. When he returns the satellites to Earth, he plans to shower death upon mankind. But he has to land first—and the Wingman will be waiting for him. Target Point Zero is the twelfth book of the Wingman series, which also includes Wingman and The Circle War.

The Wingman Adventures Volume One Mack Maloney,2017-08-08 The first three books in the bestselling military adventure series by “the best high-action thriller writer out there today, bar none” (Jon Land). With nearly a quarter of a million copies sold, this high-octane series features Hawk Hunter, a fearless fighter pilot who saves the not-so-distant future United States from the brink of all-out anarchy. Wingman: World War III started in Western Europe with a Soviet nerve gas attack that laid waste to France, Germany, and Spain. The world’s democracies fought back against the Russians but could not save America from a devastating nuclear strike. Two years after Soviet nukes rained from the sky, US Air Force pilot Hawk Hunter gets a message to report to his old commander. America is in pieces: Pirates rule the skies and an airborne armada is plotting to attack Football City (formerly St. Louis). The armada is made up of criminals flying state-of-the-art jets, and Hunter will do whatever it takes to reclaim his ravaged homeland. The Circle War: One of the most decorated pilots of the old US Air Force, Hawk Hunter now flies for the Pacific American Air Corps, a group of sky jockeys who are ready to fight to save what’s left of America after a nuclear sneak attack shattered the nation into a collection of warring states dominated by criminals, fascists, and pirates. Flying his U-2 over the frozen tundra late one night, Hunter detects a full-scale Soviet invasion force of fifty jet fighters. World War IV is about to begin. The Lucifer Crusade: After expelling a Russian invasion force, Hawk Hunter sets out in pursuit of Viktor Robotov, the sinister terrorist behind the attack. In a world where it’s a crime to wave stars and stripes, Hunter paints his F-16 red, white, and blue, and tears up the sky in search of revenge. There are hundreds of killers on his tail, but Hunter has only one target—and he never misses.

The Wingman David Pepper,2018-02-19

Freedom Express Mack Maloney,2013-06-18 To reclaim the American Badlands from Soviet invasion, fighter pilot Hunter Hawk trades in his F-16 for a battle-ready locomotive. World War III ended with a Soviet nuclear attack that shattered the United States into fragments. Led by Major Hawk Hunter, what remained of the country’s armed forces fought off the Red Army invasion, and they have spent years rebuilding their fragmented nation. Only one territory was left deserted: the Southwest, now known as the Badlands. In order to reestablish the overland route between the eastern and western regions, a train of modern pioneers is sent across the desert. The train makes it safely, but when it arrives in Los Angeles, every passenger on board has vanished. To bring the fight to the bandits, Hunter designs his own train—a super-fortress on rails that will make the country safe again. But the new Wild West is no place for a lawman, and Hunter will need more than a six-gun to survive. Freedom Express is the seventh book of the Wingman series, which also includes Wingman and The Circle War.

The Wingman Adventures Volume Three Mack Maloney,2018-10-23 Hawk Hunter is back—in the bestselling military adventure series by “the best high-action thriller writer out there today, bar none” (Jon Land). With nearly a quarter of million copies sold, this high-octane series features Hawk Hunter, a fearless fighter pilot who saves the not-so-distant-future United States from the brink of all-out anarchy. Skyfire: In the chaos that followed the end of World War III, Maj. Hawk Hunter took refuge in the arms of a woman named Dominique. But Hunter’s campaign soon tore them apart, and he was forced to send her to Canada, where his enemies claimed Dominique as their own. Drugged, tortured, and imprisoned, she waits helplessly—praying for his return. But while Hunter embarks on a daring raid to rescue his beloved, another threat is coming—in the sleek black nuclear submarines now steaming toward the eastern seaboard, whose warheads threaten everything Hunter is fighting to rebuild. Return from the Inferno: Just as America is beginning to recover from nuclear war, her enemies attack again. As ace pilot Hawk Hunter battles the horde of Nordic mercenaries who have ravaged the East Coast, another army lands in California: the combined forces of the dictatorships of East Asia. The Second Axis is here. Hunter leads the charge, flying his famous red, white, and blue F-16 into the invasion’s maw. But this is the first time the Wingman does not come out the other side. Their champion gone, America’s soldiers carry on, engaging in guerilla warfare to protect the country’s interior, keeping hope alive that Hunter is out there somewhere, planning a counterattack. War of the Sun: An army of cultish mercenaries from East Asia has seized the West Coast, conquering territory as far east as the Rocky Mountains—all in the name of Hashi Pushi, a Japanese despot revered as a god. With the support of two submarines patrolling the Pacific, each armed with a nuclear warhead, the invaders have promised that any counterattack will result in the annihilation of two American cities—a price the battle-scarred populace is not prepared to pay. Onboard the carrier Enterprise, Hunter prepares to strike. His target is not the submarines, but Tokyo itself, where his fellow pilots will attack this warrior cult from the top down. The Ghost War: A pilot patrolling the South Pacific discovers Xmas Island is nothing more than a blackened hole in the ground. The carnage was wreaked by a battleship armed with an array of sixteen-inch cannons that, in a matter of minutes, could obliterate any city on earth. As far as Maj. Hawk Hunter is concerned, that constitutes a direct threat to the West Coast—a threat he must neutralize personally.

Return from the Inferno Mack Maloney,2013-06-18 When the Wingman vanishes, it’s up to the remaining few to fight America’s latest invaders in this post-WWIII “sizzling hot” action series (Stephen Coonts). Just as America is beginning to recover from nuclear war, her enemies attack again. As ace pilot Hawk Hunter battles the horde of Nordic mercenaries who have ravaged the East Coast, another army lands in California: the combined forces of the dictatorships of East Asia. The Second Axis is here. As always, Hunter leads the charge, flying his famous red, white, and blue F-16 into the invasion’s maw. But for the first time ever, the Wingman does not come out the other side. Their champion gone, America’s soldiers carry on in his absence, resorting to guerilla warfare in a desperate attempt to protect the country’s interior. As the hopeless battle wears on, rumors circulate that Hunter is out there somewhere, planning a counterattack. Until that glorious day comes, there is nothing America can do but hope. Return from

the Inferno is the ninth book of the Wingman series, which also includes Wingman and The Circle War.

The Twisted Cross Mack Maloney,2013-06-18 With the Russians vanquished, fighter pilot Hawk Hunter sets his sights on an old enemy poised for trouble in Panama. A Boeing 727 is making a routine charter flight out of Football City—formerly known as St. Louis—when three F-4 Phantoms appear on its tail and open fire. No match for the lightning-quick Phantoms, the 727’s pilot is about to give up when his assailants explode in mid-air, becoming the latest casualties of Hawk Hunter, the Wingman. Hunter is the greatest fighter pilot the world has ever known. Most recently, he brought the United States back from the brink of extinction. But a new threat has emerged from the south: An army of neo-Nazis has seized control of the Panama Canal, and they’re armed to the teeth. Their hateful ideology may be decades out of date, but these jackbooted killers have firepower that is state-of-the-art. The Twisted Cross is the fifth book of the Wingman series, which also includes Wingman and The Circle War.

Wingmen Ensan Case,2014-07 First published in 1979 by Avon books, this World War II novel, with overtones of From Here to Eternity, was a precursor to the gay romance genre. Jack Hardigan's Hellcat fighter squadron blew the Japanese Zekes out of the blazing Pacific skies. But a more subtle kind of hell was brewing in his feelings for rookie pilot Fred Trusteau. While a beautiful widow pursues Jack, and another pilot becomes suspicious of Jack and Fred's close friendship, the two heroes cut a fiery swath through the skies from Wake Island to Tarawa to Truk, there to keep a fateful rendezvous with love and death in the blood-clouded waters of the Pacific.

Battle of the Wingmen Mack Maloney,2020-07-31 The best high-action thriller writer out there today, bar none.—Jon Land, USA Today bestselling author Wingman and his United American allies take the newly rebuilt aircraft carrier, USS USA, on its first Pacific patrol, looking for a mystery fighter jet last seen flying over Los Angeles. Like modern-day Argonauts, they sail into the unknown, have many adventures and fight many battles before discovering a lost Polynesian empire and finding the mystery airplane. This leads to a dogfight for the ages. The prize at stake: Who will be crowned the world's Top Gun?

Skyfire Mack Maloney,2013-06-18 The threat of nuclear war keeps Hawk Hunter in the cockpit—from the author who delivers “desperate, raw, 200-proof action” (Stephen Coonts). In the chaos that followed the end of World War III, Major Hawk Hunter took refuge in the arms of a woman named Dominique. As he waged war against the Soviets, fighting to restore the United States, the nation’s greatest fighter pilot and the woman he loved became the most famous couple of the Free World. But Hunter’s campaign soon tore them apart, and he was forced to send her to Canada, where his enemies claimed Dominique as their own. Drugged, tortured, and imprisoned, she waits helplessly—praying for his return. After leading a daring raid to rescue his beloved, Hunter announces his retirement, declaring that only a nuclear threat could get him back into the cockpit. But such a threat is coming—in the sleek black nuclear submarines now steaming toward the eastern seaboard, whose warheads threaten everything Hunter has fought to rebuild. Skyfire is the eighth book of the Wingman series, which also includes Wingman and The Circle War.

The Final Storm Mack Maloney,2013-06-18 Only ace pilot Hawk Hunter can bring a Russian-backed traitor to justice. From “the best high-action thriller writer out there today, bar none” (Jon Land, USA Today–bestselling author). The Soviet Union had nearly been defeated when the vice president of the United States revealed himself as a traitor. He deactivated the defense grid just long enough for the Russians to strike, reducing America to a battle-scarred wasteland. The United States would have remained in shambles, were it not for Hawk Hunter, the greatest fighter pilot the world has ever known. He rebuilt the country one dogfight at a time, with one goal firmly fixed in his mind: to bring America’s greatest traitor to justice. Backed by a team of commandos, Hunter storms the vice president’s compound in Bermuda, and returns with the traitor in chains. To convict him for his crimes, the war’s story must be told in full for the first time. And there is no one better to begin the telling than Hawk Hunter. He has risked his life on every front, and it’s his courage that will ensure America rises again. The Final Storm is the sixth book of the Wingman series, which also includes Wingman and The Circle War.

Masterminds and Wingmen Rosalind Wiseman,2014-07-29 A landmark book that reveals the way boys think and that shows parents, educators and coaches how to reach out and help boys overcome their most common and difficult challenges -- by the bestselling author who changed our conception of adolescent girls. Do you constantly struggle to pull information from your son, student, or athlete, only to encounter mumbling or evasive assurances such as “It’s nothing” or “I’m good?” Do you sense that the boy you care about is being bullied, but that he’ll do anything to avoid your “help?” Have you repeatedly reminded him that schoolwork and chores come before video games only to spy him reaching for the controller as soon as you leave the room? Have you watched with frustration as your boy flounders with girls? Welcome to Boy World. It’s a place where asking for help or showing emotional pain often feels impossible. Where sports and video games can mean everything, but working hard in school frequently earns ridicule from “the guys” even as they ask to copy assignments. Where “masterminds” dominate and friends ruthlessly insult each other but can never object when someone steps over the line. Where hiding problems from adults is the ironclad rule because their involvement only makes situations worse. Boy world is governed by social hierarchies and a powerful set of unwritten rules that have huge implications for your boy’s relationships, his interactions with you, and the man he’ll become. If you want what’s best for him, you need to know what these rules are and how to work with them effectively. What you’ll find in Masterminds and Wingmen is critically important for every parent - or anyone who cares about boys - to know. Collaborating with a large team of middle- and high-school-age editors, Rosalind Wiseman has created an unprecedented guide to the life your boy is actually experiencing - his on-the-ground reality. Not only does Wiseman challenge you to examine your assumptions, she offers innovative coping strategies aimed at helping your boy develop a positive, authentic, and strong sense of self.

Best Little Wingman Janet Allen,2005 Janny is the wingman on her father's snowplow. Learn about the special bond between Janny and her father as well as the snowy night they share.

The Wingman Natasha Anders,2017 She was supposed to be his one-night distraction. But their attraction is undeniable. Introverted Daisy McGregor is used to being a wallflower, but what she lacks in style, she makes up for with an acerbic wit, a passion for life, and a deep devotion to her family. So she'll suffer through her sister Dahlia's bachelorette party and accept the cloud of pity for going stag to the wedding. Out at the pub, sexy bad boy Mason Carlisle is a reluctant wingman tasked with entertaining Daisy while his brother flirts with her oldest sister, Daffodil. When the plan fails and Mason's true intent is revealed, he feels intense guilt--and a sensual spark of desire for the unlikeliest of women. Daisy decides to use this unfortunate encounter to her advantage: to make it up to her, Mason will be another kind of wingman, playing the role of her boyfriend and wedding date. Will their ruse unravel completely--or will Mason and Daisy's undeniable attraction ignite a scorching love affair that knows no rules?

Wingman Daniel Manus Pinkwater,1991-12 To escape the problems of being poor and Chinese, Donald begins to cut school to climb the George Washington Bridge where he meets Wingman, a sort of Chinese Superman.

Thunder in the East Mack Maloney,1988-09-01 Hawk Hunter takes to the skies in his remarkable mini-airplane to rescue America's eastern cities from the evil New Order and their plan to reclaim America

The Wingman Adventures Volume Two Mack Maloney,2018-10-23 Hawk Hunter is America’s best hope—in the bestselling military adventure series by “the best high-action thriller writer out there today, bar none” (Jon Land). With nearly a quarter million copies sold, this high-octane series features Hawk Hunter, a fearless fighter pilot who saves the not-so-distant-future United States from the brink of all-out anarchy. Thunder in the East: The Soviet sneak attack crippled America, breaking the US into warring factions ruled by dictators, thugs, and thieves. In the western territories, democracy has survived—thanks to Maj. Hawk Hunter, the greatest fighter pilot of his time, and the Pacific American Air Corps. After narrowly stopping a Soviet ground invasion, Hunter vows to restore his beloved country—and he will begin by reclaiming Football City, formerly known as St. Louis, until it was captured by a criminal army from New Chicago. Only Hunter can break through its walls and lead his army onward to reclaim Washington, DC. The Twisted Cross: A new threat has emerged from the south. An army of neo-Nazis has seized control of the Panama Canal, and they’re armed to the teeth. Their hateful ideology may be decades out of date, but these jackbooted killers have firepower that is state-of-the-art. They’re going to need it . . . because the Wingman is coming. The Final Storm: The Soviet Union had nearly been defeated when the vice president of the United States revealed himself as a traitor. He deactivated the defense grid just long enough for the Russians to strike, reducing America to a battle-scarred wasteland. Fighter pilot Hawk Hunter rebuilt the country one dogfight at a time. Now he’s headed for the vice president’s compound

in Bermuda, backed by a team of commandos, to bring America’s greatest traitor to justice, dead or alive. Freedom Express: After fighting off the Red Army invasion, Maj. Hawk Hunter and what remained of the country’s armed forces spent years rebuilding their nation. Only one territory was left deserted: the Southwest, now known as the Badlands. To reestablish the overland route between the eastern and western regions, a train of modern pioneers is sent across the desert. The train makes it safely, but when it arrives in Los Angeles, every passenger on board has vanished. To bring the fight to the bandits, Hunter trades in his F-16 for his own specially designed locomotive: a super-fortress on rails. The new Wild West is about to be tamed—Wingman-style.

Battle for America Mack Maloney,2017-05-02 An ace fighter pilot aims to save a shattered America from Russian invasion in this new Wingman novel from “the best high-action thriller writer out there” (Jon Land). Former US Air Force major Hawk Hunter and his band of patriotic ex-military men have fought tirelessly to reunite their fractured nation after the Russian nuclear sneak attack that put a devastating end to World War III. Now, returning from a space odyssey that began with the diversion of a comet headed for Earth, Hunter finds a 60,000-man Russian army occupying New York City, ready to invade the rest of America. Equally alarming are reports claiming that Hawk’s former girlfriend, Dominique, is living with the head of the Russian secret police in a Manhattan penthouse. Buzzing through the city’s skyscraper canyons in a tiny STOL Highlander and glimpsing the enemy invaders’ massive weaponry for himself, Hawk realizes he’s up against the greatest danger his homeland has ever faced, even with the help of Captain “Bull” Dozer and his team of ex-Marines. But with the woman and the country he loves in dire peril, threatened by a mysterious convoy of Russian superships, the Wingman will apply all his aviation prowess and strategic ingenuity to devise a plan to launch the fiercest, most crucial battle for America yet, no matter the risks. Filled with fast-paced, furious action and a wide range of aircraft and military hardware that will fascinate techno-thriller fans, *Battle for America* brings back favorite characters from earlier books in the series and delivers a riveting story that reveals new insight on America’s most enigmatic hero: the Wingman.

Wingman Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change.
