Pop-Up Peekaboo! Winter ,2024-09-03 Explore the snowy scenes to find winter animals hiding under the flaps in this delightful book for little ones. What winter animals love to bound through deep snow, crunch over frozen ground, and soar through icy skies? Who prefers to hide away from the cold? Peek through snow-covered trees, under sea ice, and into cozy homes to discover what different animals do during the winter. Babies and toddlers will love lifting the big flaps to find five surprises popping up from the pages: a sneaky seal, a howling wolf, a hopping hare, a hungry moose, and a funny fox. The lively, read-aloud rhymes encourage literacy, while the beautiful pop-up scenes will surprise and captivate curious 0-3-year-olds as they guess what's hiding under each flap, and play peekaboo. And as little ones turn the sturdy board pages, they learn about nature and the wonder of winter. Ideal for interactive play, *Pop-Up Peekaboo! Winter* will keep little ones entertained time and time again!

The WPA Guide to New Jersey Federal Writers' Project,2013-10-31 During the 1930s in the United States, the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors—many of whom would later become celebrated literary figures—were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than

6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. The Granite State has a rich history and varied landscape, beautifully presented in the WPA Guide to New Hampshire. The driving tours highlight the White Mountains, Lake Winnepesaukee, and the coast near Portsmouth. This New Hampshire guide also has traditional photographs of churches, landscapes, and colonial houses which give readers a feel for life in New England in the early 20th century.
