You Got An AirPods Pro! Now What? Scott La Counte, 2019-11-04 In 2016, Apple released the Apple AirPods--small, wireless headsets that pop into your ear with no cords whatsoever. The device was an instant hit. A second generation was released in 2019 with a better battery life and a wireless case. It wasn't until later in 2019 that things really started to change when Apple released the AirPods Pro. The 2019 pro line featured noise cancelling sound (and a transparent mode, which helps you hear your surroundings). They came at a premium price but have a premium listening experience. When you put the Pros in, you can hear the difference immediately. AirPods are simple to use, but if they are new to you, then they can still be a little confusing. This guide will walk you through all the gestures, how to pair them, and charge them. It also has an Apple Music guide, so you know how to use Apple Music once you're ready to listen. Ready to get listening? Let's go!

The Tank Commander Pocket Manual R. Sheppard, 2016-08-19 From the pioneering tactics and terror of the Blitzkrieg assault, through the carnage of Barbarossa, Kursk, the Desert War, and the Normandy Bocage and the Battle of the Bulge, there were perhaps no more unsettling and merciless positions to occupy in the Second World War than that of a tank commander. This new book puts the reader at the very heart of this "hell on wheels" and presents all of the original information required to perform this most dangerous of wartime battlefield roles. From training manuals and war office memorandums to combat reports and first-hand accounts, The Tank Commander Pocket Manual sits you in the turret position of commander of some of the most fearsome land vehicles. These include the Soviet T-34, the German Panther and its nemesis the American Sherman, the terrifying Tiger I as well as tank variants including flamethrowers and tank destroyers such as the Allied M10 and the StuG III. Original documents, diagrams, technical drawings and reports have been collated and compiled from archives and collections to include original Russian, German and English angles on the commander's many roles including how to 'run' the rest of the crew of this most decisive weapon of the Second World War. • Published to mark the centenary of the tank • Rare, previously unpublished documents • Attractively produced in cloth-bound retro-styled case R Shepherd has worked for many years in military publishing for leading companies such as Casemate and Osprey, and has compiled a

number of books. Pool of London Pocket Manuals The new Pocket-Manual series from the Pool of London Press presents some of the most iconic military, naval and transport machines from the last 100 years by means of compiling the original documents, confidential memos, plans and artworks that contributed to their celebrated history. This approach allows the modern reader both to have an excellent understanding of the development of these extremely influential aircraft, AFVs, ships, automobiles and trains, but also provides the unique opportunity for further interpretation through the study of many previously unpublished original documents, diagrams and illustrations. Every volume in the series is skillfully compiled and researched by the leading experts in their field who also provide a lengthy contextualizing introduction. Superbly priced, retro-styled to their historical period, and beautifully hard-bound in debossed cloth, the Pool of London Pockets sell as self-purchase, gift and are excellently suited to book trade as well as to museum stores and heritage outlets across the world.
