Golf in Eastern Wisconsin Mike Dauplaise, 2015-05-29

This book is a great resource for enjoying some of the best public courses in the world, and they're right here in my home state of Wisconsin. - Steve Stricker, PGA Tour star
Golf writer Mike Dauplaise leads you on a personal tour of some of the top public golf courses in the USA, which just happen to be in the beautiful Eastern Wisconsin region he calls home. This shot-by-shot guide features detailed descriptions, color photos and course management tips not found in any yardage guide. From major championship venues such as Whistling Straits, Blackwolf Run and Erin Hills to a strong municipal layout just minutes from Lambeau Field, discover how designs by Pete Dye, Jack Nicklaus and Arnold Palmer have made this part of the Badger State one of the top golf destinations in the world.

The Long and the Short of It Andy North, Burton Rocks, 2016-01-12 Andy North is a two-time United States Open champion, current player on the Senior PGA Tour, and a commentator for ESPN. In this book, Andy offers golfing fans a treasure chest of anecdotes and shares his insight and wisdom into the game of golf. Andy first talks about the pioneers of the game and shares memories of his time with the likes of Arnold Palmer, Jack Nicklaus, Tom Watson, Gary Player, and many others. He shares the heartwarming story of his life growing up in Wisconsin and his rise to success on the PGA Tour. He offers advice on how to better understand and play golf. This book has both the drills and games you can play with your children to make golf fun and the games that you as an amateur golfer should play to improve your own game. Finally, Andy talks about the changes facing golf in the coming years and

shares his experiences working with his friends at ESPN. The drama, the excitement, and the suspense of professional golf are all captured in this book. Golfers of all ages will enjoy Andy North's unique perspective on golf.

Understanding the Golf Swing, 2018-01-16 This modern classic of golf instruction by renowned teacher Manuel de la Torre (the 1986 PGA Teacher of the Year and the #11 teacher in America as ranked by the editors of Golf Digest in 2007) presents a simpler approach to the golf swing based on Ernest Jones's principles. Understanding the Golf Swing includes information on the philosophy of the golf swing (with emphasis on the development of a true swinging motion), the most thorough analysis of ball flights available, and analysis of the principles of special shot play (including sand play, pitching, chipping, putting, and playing unusual shots) and the mental side of golf and effective course management. The final chapter offers an organized approach to understanding golf courses and playing conditions. The result is a blend of philosophy and practical advice found in few golf instructional books.

Hacker's Guide to Minnesota & Western Wisconsin Golf Courses Bruce D. Stasch, 2010-02-28 Golfers want information about the courses they play. This Hacker's Guide gives it to them, with ratings and reviews of every 18-hole public golf course in Minnesota and western Wisconsin. It includes 285 courses to discover.

Caring for the Green Gene Haas, 2005

GOLF JACK THOMSEN AND KATHRYN THOMSEN, 2014-04 When learning Thomsen was writing *Golf: Find Center, Enter the Circle*, many had emphasized the diversity of golf due to its natural setting, and golf's natural setting was open to amateurs, professionals, and all ages also. Thomsen was quick to agree. Golf can serve the needs of many. It's my job to open up to more and increase

the standards within the art form--golf. Thomsen said. Some have asked, Who do you think will read it, Jack? Few, came the reply. Golfers mainly, and only the most obsessive of those. There's no popular market for this book. Materialism is too much in demand, and serving the spirit has become lost in the equation. That brief exchange reveals an unvarnished truth: golf is essentially caught in a materialistic grasp as an overview of the game, and yet as an art form, independent players function in it. the artist Vincent van Gogh had sold few of his paintings. Someone else had done that. Is the treasure the money or the art? Golf: Find Center, Enter the Circle's genesis from a personal journal's beginning had been imbued with a Joycean stream of consciousness that, in its intuitiveness, is likely to engage none but the determined reader. by way of contrast, however, the book's title forthrightly distills Thomsen's thesis. Golf, he asserts, can be a spiritual practice when done as an expression of the golfer's essential self and if engaged in it for the sheer love of golf's diversity, its wholeness, bringing on its transcendental nature. Accept Thomsen's invitation. Turn your attention inward, tap into the answers that are there, feel the resultant centering, the balance, and project that centering--enter the circle. A liberated person possesses perfect senses and with perfect senses only can serve the sense proprietor, says the Bhagavad Gita.

Oshkosh: Looking Back Ron La Point, 2018-11-26 The book examines the history of sports in Oshkosh. It includes stories of basketball, baseball, football, bowling and golf and by those who played the game. It is also about the past, a time slowly receding in our memories. The story of the Oshkosh All Stars is the featured story. It was our own professional basketball team that brought home the World Professional Basketball Championship in 1942. It's also a

story of Lonnie Darling and its featured player, Leroy “Lefty” Edwards. Edwards was considered the best player of his time and helped carry the name of Oshkosh throughout the country. There other story lines as well. Oshkosh has a long history of amateur and professional baseball and those stories are an integral part of the book as is the city’s bowling history and three of its finest performers. The current controversy over the land usage on the city’s municipal golf course sold recently to the Oshkosh Truck Corporation leads to a number of stories about the history of the Lakeshore Golf Course and the impact it has had on many who played there. Oshkosh is not Green Bay but has its own football story. The book features the Oshkosh Comets and four from our city who played for the Green Bay Packers. A book on the history of Oshkosh sports would be incomplete without including two resident Olympians. Their stories, unknown to many, are told here.

Golf Kauai Mike Dauplaise, 2014-03-31 Golf writer Mike Dauplaise leads you on a personal tour of Kauai's public golf courses from the high-end resorts to the surprisingly affordable municipal and daily fee courses that are favorites with the locals. This hole-by-hole, shot-by-shot resource features vivid descriptions and color photos that will help you visualize shots and plan strategy like a member, including course management tips and detail not found in any yardage guide. Highlighted by designs from famed golf course architects Robert Trent Jones, Jr. and Jack Nicklaus, you will see why Kauai is one of the most popular golf vacation destinations in the world. Hawaii's Garden Island is home to spectacular natural beauty, miles of pristine sand beaches and the awesome Na Pali Coast. For those who love golf, Kauai offers the perfect combination of a vacation in paradise with access to world-

class golf courses.
