Richard Power

**The Dalai Lama's Book of Wisdom** His Holiness the Dalai Lama, 2012-05-31 A little book for those in search of words to calm and inspire. In this gift book His Holiness the Dalai Lama imparts his message: the importance of love, compassion and forgiveness.

*The Dalai Lama's Little Book of Wisdom* His Holiness the Dalai Lama, 2013-08-29 With characteristic humour and a down-to-earth approach to the Buddhist path, the Dalai Lama offers us an inspirational way to transform our hearts and minds and create the happiness we seek. He shows us how our state of mind, in terms of our attitudes and emotions, plays a crucial role in shaping the way we experience happiness and suffering.

**A Profound Mind** Dalai Lama, 2012-09-25 For the first time for general readers, the Dalai Lama presents a comprehensive overview of the most important teaching of Buddhism. Perhaps the main difference between Buddhism and other religions is its understanding of our core identity. The existence of the soul or self, which is central in different ways to Hinduism, Judaism, Christianity, and Islam, is actually denied in Buddhism. Even further, belief in a "self" is seen as the main source of our difficulties in life. Yet a true understanding of this teaching does not lead one to a despairing, cynical worldview with a sense that life has no meaning—Far from it, a genuine understanding leads to authentic happiness for an individual and the greatest source of compassion for others. In 2003 and in 2007, the Dalai Lama was invited to New York to give a series of talks on the essential Buddhist view of selflessness. This new book, the result of those talks, is now offered to help broaden awareness of this essential doctrine and its usefulness in living a more meaningful and happy life. While the Dalai Lama offers a full presentation of his teachings on these key philosophical points for contemplation, he also shows readers how to bring these teachings actively into their own lives with recommendations for a personal practice. It is only by actually living these teachings that we allow them to bring about a genuine transformation in our perception of ourselves and our lives. A Profound Mind offers important wisdom for those committed to bringing about change in the world through developing their own spiritual capabilities, whether they are Buddhists or not.

**The Opening of the Wisdom-Eye** Dalai Lama, 1966-01-01 Mahayana Buddhism explained by the present day spiritual leader of Tibetan Buddhism, H. H. the Dalai Lama Tenzin Gyatso, in his first English-language book. This overview..is notable for its completeness and clarity.---Katherine Rogers, author of *The Garland of Mahamudra Practices*. His Holiness the 14th Dalai Lama, Tenzin Gyatso, is both the head of state and the spiritual leader of Tibet.

The Wisdom of Compassion H. H. Dalai Lama, Victor Chan, 2012-12-27 Victor Chan, the co-founder of the Dalai Lama Center for Peace and Education in Vancouver, offers insights into the Dalai Lama's life as he interacts with people from three continents.

*The Wisdom of the Tibetan Lamas* Timothy Freke, 1998 A treasure house of ancient knowledge with beautiful illustrations and paintings to accompany text. Each title contains an introduction to the spiritual values of a particular tradition, highlighting the unique gift of wisdom each has to offer, followed by a chronological

selection of inspiring and profound extracts from the great teachers of the various traditions.

*Wisdom Rising* Lama Tsultrim Allione, 2018-05-01 Through her own story of loss and spiritual seeking, paired with mandala meditations and rituals, bestselling author of *Feeding Your Demons* Lama Tsultrim Allione teaches you how to embody the enlightened, fierce power of the sacred feminine—the tantric dakinis. Ordained as one of the first Western Buddhist nuns and recognized as a reincarnation of a renowned eleventh century Tibetan yogini, Lama Tsultrim nonetheless yearned to become a mother, ultimately renouncing her vows so she could marry and have children. When she subsequently lost a child to SIDS, she found courage again in female Buddhist role models, and discovered a way to transform her pain into a path forward. Through Lama Tsultrim's story of loss and spiritual seeking, paired with her many years of expertise in mandala meditation, you will learn how to strengthen yourself by following this experiential journey to Tantric Buddhist practice. The mandala was developed as a tool for spiritual transformation, and as you harness its power, it can serve as a guide to wholeness. With knowledge of the mandala of the five dakinis (female Buddhist deities who embody wisdom), you'll understand how to embrace the distinct energies of your own nature. In *Wisdom Rising*, Lama Tsultrim shares from a deep trove of personal experiences as well as decades of sacred knowledge to invite you to explore an ancient yet accessible path to the ability to shift your emotional challenges into empowerment. Her unique perspective on female strength and enlightenment will guide you as you restore your inner spirit, leading you toward the change you aspire to create in the world.

The Ocean of Wisdom Pran Nath Chopra, 1986

**Practicing Wisdom** Dalai Lama, 2012-06-25 Like the bestselling *A Flash of Lightning in the Dark of the Night*, *Practicing Wisdom* focuses on Shantideva's Way of the Bodhisattva. While the former includes only a brief introduction to Shantideva's complex and crucial ninth chapter on insight, *Practicing Wisdom* is a full and detailed follow-up commentary, making it an invaluable statement on the fundamental concept behind Buddhist thought and practice. Shantideva says at the beginning of the final chapter of his *Guide to the Bodhisattva Way of Life*: All branches of the Buddha's teachings are taught for the sake of wisdom. If you wish to bring an end to suffering, you must develop wisdom. Shantideva's ninth chapter is revered in Tibetan Buddhist circles as one of the most authoritative expositions of the Buddha's core insight, and all other Buddhist practices are means to support the generation of this wisdom within the practitioner. In *Practicing Wisdom*, the Dalai Lama reaffirms his reputation as a great scholar, communicator, and embodiment of the Buddha's Way by illuminating Shantideva's verses, drawing on contrasting commentaries from the Nyingma and Gelug lineages, and leading the reader through the stages of insight up to the highest view of emptiness. These teachings, delivered in southern France in 1993, have been masterfully translated, edited, and annotated by Geshe Thupten Jinpa, the Dalai Lama's primary translator and founder of the Institute of Tibetan Classics.

**The Essence of the Heart Sutra** Dalai Lama, Dalai Lama XIV Bstan-'dzin-rgya-mtsho, Thupten Jinpa, 2005-07-07 Collects teachings as presented by the Dalai Lama in 2001 to more than eight thousand attendees, addressing such

topics as the nature of emptiness and selflessness while providing background information on Buddhism and additional commentary. Reprint.

**Gems of Wisdom from the Seventh Dalai Lama** Dalai Lama VII Bskal-bzang-rgya-mtsho, 1999-09 The Seventh Dalai Lama (1708-1757) stands as one of the most beloved Buddhist masters in Tibet's long and illustrious history.

**The Lost Teachings of Lama Govinda** Richard Power, 2013-09-20 The Lost Teachings of Lama Govinda offers a precious glimpse into the consciousness of an extraordinary scholar and mystic, shedding new light on Govinda's legendary role as both a pioneer and a prophet. Born in Germany, Lama Govinda was one of the first Westerners to introduce Tibetan Buddhism as an initiate in the tradition. His famed works, The Way of the White Clouds and Foundations of Tibetan Buddhism, live on as some of the best in the field. In this collection of essays and dialogues, Govinda delivers insights that are both timely and timeless. Ranging in issues and themes, including transpersonal psychology, drugs and meditation, Christianity, Theravada and Zen Buddhism, and the I Ching, editor Richard Power brings together Lama Govinda's rarest material—some never before published, some long out of circulation.

**The Path to Tranquility** Dalai Lama, 2002-08-27 The Dalai Lama serves as a living symbol of holiness and selfless triumph over tribulation for people of all religious traditions—as well as those with no religious affiliation at all. This collection of daily quotations drawn from His Holiness's own writings, teachings, and interviews offers words of guidance, compassion, and peace that are as down to earth as they are rich in spirit. Suffused with endearing informality, warmth, and practicality, they cover almost every aspect of human life, secular and religious—from loneliness, suffering, anger, and everyday insecurities to happiness, intimacy, and responsibility to others. With a special foreword by His Holiness on the power of meditation and personal responsibility, The Path to Tranquility is a fresh and accessible spiritual treasure to return to day after day, year after year.

**The Wisdom Teachings of the Dalai Lama** Matthew E. Bunson, 1997-11-01 The Dalai Lama has long been a beloved symbol of profound religious devotion, spiritual enlightenment, human rights, and non-violence. Revered by Buddhists and non-Buddhists alike from the Himalayas to Hollywood, the Dalai Lama has spoken out on love, peace, religion, compassion, justice, and brotherhood, as well as on the three subjects of greatest concern to him: the preservation of the environment, the liberation of Tibet, and the bringing of Buddhism to the awareness of the West. On Freedom: It is clear that the renewed yearning for freedom and democracy sweeping the globe provides an unprecedented opportunity for building a better world. Freedom is the real source of human happiness and creativity. Only when it is allowed to flourish can a genuinely stable international climate exist. On Compassion: Compassion compels us to reach out to all living beings, including our so-called enemies, those people who upset or hurt us. Irrespective of what they do to you, if you remember that all beings like you are only trying to be happy, you will find it much easier to develop compassion towards them. On the Environment: As people alive today, we must consider future generations; a clean environment is a human right like any other. It is therefore part of our responsibility towards others to ensure that the world we pass on is as healthy, if not healthier, than we found it.

**Perfecting Wisdom** The Dalai Lama, 2019-07-16 Based on a lecture given by the Dalai Lama on the wisdom chapter of A Guide to the Bodhisattva Way of Life, this book comments on Tibetan Buddhist philosophy in a clear and direct way. Shantideva's A Guide to the Bodhisattva Way of Life is one of the most important texts in the Mahayana tradition of Buddhist practice. Its ninth chapter, the section on transcendent wisdom, is known among Buddhist scholars as a challenging exposition of Madhyamika philosophy and difficult to understand without a commentary. This extraordinarily clear discussion of the wisdom chapter is based on an oral teaching given by His Holiness the Dalai Lama before an audience of thousands of Tibetans and Westerners. This invaluable volume with its precise explanation of core issues of Tibetan Buddhism stands as a key work in Buddhist literature. This book was previously published under the title Transcendent Wisdom.

**The Wisdom of the Tibetan Lamas** Timothy Freke, 1999 This series provides an introduction to the spiritual values of various religions, highlighting the particular gift of wisdom each has to offer. The buddhist wisdom of the Tibetan lamas nurtures the potential within each one of us to experience enlightenment.

A Lifetime of Wisdom Dalai Lama XIV Bstan-'dzin-rgya-mtsho, 2002 The key writings of the great Tibetan spiritual leader are packaged beautifully to offer a survey of the life and beliefs of this renowned religious figure. Original.

**The Dalai Lama's Book of Wisdom** Dalai Lama XIV, 2003-01-21 A little book for those in search of words to calm and inspire. In this gift book His Holiness the Dalai Lama imparts his message: the importance of love, compassion and forgiveness.

**Words Of Wisdom** Margaret Gee, 2001-02-23 Words of Wisdom captures some of the Dalai Lama's most sage and sensible thoughts on topics that range from global peace to the meaning of life and compassion.--from pub. description.

Ancient Wisdom, Modern World The Dalai Lama, Alexander Norman, 2010-02-04 At a time and in a culture where science and technology have taken over from religious belief, when ethics are understood primarily in terms of aesthetic choice or legality, how are we to formulate moral principles to guide us in our daily lives? Though religion can certainly help in this, the Dalai Lama demonstrates that there are universal principles we can draw on which transcend the dilemma of belief or unbelief. And whilst many have been content to speak of spiritual matters as something mysterious or evanescent, the Dalai Lama explains his approach in terms that are as clear and concise as they are compelling. With wit, gentle good sense and with penetrating insight, the Dalai Lama shows how the truths that have stood the test of generations of practise can provide us with the tools to live happy, fulfilled and meaningful lives. In the process, it becomes apparent that he does not merely espouse the 'feelgood' religiosity some accuse him of. The reader is left admiring not just the wisdom of the author, but the wisdom of the culture he represents.
