

Wish Maker

Tammy Welton

The Wish Maker Ali Sethi,2009-06-11 A brilliant, enthralling debut novel about a fatherless boy growing up in a family of outspoken women in contemporary Pakistan, *The Wish Maker* is also a tale of sacrifice, betrayal, and indestructible friendship. Zaki Shirazi and his female cousin Samar Api were raised to consider themselves part of the same litter. In a household run by Zaki's crusading political journalist mother and iron-willed grandmother, it was impossible to imagine a future that could hold anything different for each of them. But when adolescence approaches, the cousins' fates diverge, and Zaki is forced to question the meaning of family, selfhood, and commitment to those he loves most. Chronicling world-changing events that have never been so intimately observed in fiction, and brimming with unmistakable warmth and humor, *The Wish Maker* is the powerful account of a family and an era, a story that shows how, even in the most rapidly shifting circumstances, there are bonds that survive the tugs of convention, time, and history.

The Wish Maker Ali Sethi,2009 But adolescence approaches and the cousins' fates merge. Samar's unconventional behavior - in which Zaki has played the role of devoted helper - brings severe consequences for her, while Zaki is sent out to discover the world for himself. It is only after years of separation from Samar that he is forced to confront the true nature of happiness, selfhood, and commitment to those he loves most.--BOOK JACKET.

The Wish Maker Melissa McClone,2019-12-05 At Christmas, sometimes even impossible wishes come true? One word changed Wes Lockhart's life forever. Cancer. Fighting for his life completely flipped his priorities, making him realize he wanted-no, needed-to use his billions to help others find the kind of second chance he'd been given. The first person he intended to help? The beautiful, kind, and dedicated oncologist who got him through his treatments and ushered him into remission. And what better time than the holidays to become her not-so-secret Santa? Dr. Paige Regis has spent her entire career helping others, often at the expense of her personal life. She'd love to start a family of her own-but with her current patients and her plans to open a brand-new cancer center, it seems like an impossible dream. It's not until she reconnects with the charming Wes that she realizes he might just be the man to make all her Christmas wishes come true. Can Wes and Paige open their hearts to the magic of the season-and each other-to get a shot at their very own Christmas miracle? Or will past hurts and doubts end their happily ever after before it even begins?

An Island Karen Jennings,2023-06-13 NEW YORK TIMES EDITORS' CHOICE • LONGLISTED FOR THE BOOKER PRIZE • A “beautifully and sparingly constructed” (The New York Times) novel about a lighthouse keeper with a mysterious past, and the stranger who washes up on his shores—*An Island* is the American debut of a major voice in world literature. “*An Island* by Karen Jennings is quite simply a revelation—a ferocious, swift chess game of a novel.”—Paul Yoon, author of *Run Me to Earth* ONE OF THE BEST BOOKS OF THE YEAR: *Vulture* Samuel has lived alone on an island off the coast of an unnamed African country for more than two decades. He tends to his garden, his lighthouse, and his chickens, content with a solitary life. Routinely, the nameless bodies of refugees wash ashore, but Samuel—who understands that the government only values certain lives, certain deaths—always buries them himself. One day, though, he finds that one of these bodies is still breathing. As he nurses the stranger back to life, Samuel—feeling strangely threatened—is soon swept up in memories of his former life as a political prisoner on the mainland. This was a life that saw his country exploited under colonial rule, followed by a period of revolution and a brief, hard-won independence—only for the cycle of suffering to continue under a cruel dictator. And he can’t help but recall his own shameful role in that history. In this stranger’s presence, he begins to consider, as he did in his youth: What does it mean to own land, or to belong to it? And what does it cost to have, and lose, a home? A timeless and gripping portrait of regret, terror, and the extraordinary stakes of companionship, *An Island* is a story as page-turning as it is profound.

Cosmic Navigator Gahl Eden Sasson,2008-07-01 Gahl Sasson's second book, *Cosmic Navigator*, is like a GPS for the soul. It combines Astrology, the map of where and who we are, with Kabbalah the navigation system that tells us how to get to our goal and avoid those traffic patterns and areas of gridlock in our lives. This three part text is the first book of its kind. Not only is it the first book to use Astrology as a resource for self help, it also weds the wisdom of ancient Kabbalistic truths with the powerful archetypes of the zodiac to help you improve and change your life. The first part of the book introduces the basic concepts of Kabbalah and Astrology and how they work together. The second part teaches you how to interpret your own astrological chart as the road map of your life. The third and final part of the book, which is based on Gahl's twelve week workshop, walks the reader through the twelve signs and teaches them how to use each one to bring balance and success into their lives. Is your love life in need of more passion? Turn to the chapter on Scorpio and learn how to invoke that sexual mysterious energy. Do you need to be more assertive at work? Turn to the chapter on Aries and discover your inner warrior. Unlike other astrology books that simply offer stereotypical profiles, *Cosmic Navigator* teaches us how to take control of our astrological destinies.

The Wishmakers Tyler Whitesides,2018-02-27 “Looking for a fantastically fast-paced and funny read? Your wish is granted!” —Chris Grabenstein, #1 New York Times bestselling author of *Escape from Mr. Lemoncello’s Library* Twelve-year-old Ace’s life is about to change in the most unexpected and magical ways—all because of a peanut butter jar. When he opens it, he inadvertently releases a genie named Ridge. Now a Wishmaker, Ace is given a week to complete a seemingly impossible quest, and if he fails the world will end in the most tragic (but cuddly) way imaginable. Luckily, Ridge can help by granting Ace an unlimited number of wishes...as long as Ace is willing to accept the consequences. The bigger the wish, the greater the consequence. So, if Ace wants to avoid having pogo sticks for legs or his clothes turn invisible, he'll have to be careful what he wishes for and get a little creative. Perfect for fans of Dan Gutman and Max Brallier, this new middle grade series by Tyler Whitesides (author of the *Janitors* series) is a wonderful mix of unpredictable magic, zany humor, and daring adventure. You’ll wish it never ends!

The Wishmaker Lornée Delompré,2012-12-20 *The Wish Maker and Vladimir and the Troll*. *The Wish Maker and Vladimir and the Troll* features two books in one package for preschool and/or kindergarten age children. Both of these books are brilliantly written by author Lornee’ Delompre’, A.K.A. Sereena Nightshade, when she too was a child with an usually high IQ. This wonderful material is presented for the first time to the public through Xlibris. *The Wish Maker* is a poetic and whimsical tale that would be advised for use as a bedtime story. *Vladimir and the Troll* is a longer adventurous tale about a young boy who rescues prisoners from an evil troll. Review by Dominic.

The Last Mapmaker Christina Soontornvat,2023-11-14 A Newbery Honor Book A Walter Dean Myers Honor Book From Christina Soontornvat, the visionary and versatile author of three Newbery Honor Books, comes a high-seas adventure set in a Thai-inspired fantasy world. In a fantasy adventure every bit as compelling and confident in its world building as her Newbery Honor Book *A Wish in the Dark*, Christina Soontornvat explores a young woman's struggle to unburden herself of the past and chart her own destiny in a world of secrets. As assistant to Mangkon's most celebrated mapmaker, twelve-year-old Sai plays the part of a well-bred young lady with a glittering future. In reality, her father is a conman--and in a kingdom where the status of one's ancestors dictates their social position, the truth could ruin her. Sai seizes the chance to join an expedition to chart the southern seas, but she isn't the only one aboard with secrets. When Sai learns that the ship might be heading for the fabled Sunderlands--a land of dragons, dangers, and riches beyond imagining--she must weigh the cost of her dreams. Vivid, suspenseful, and thought-provoking, this tale of identity and integrity is as beautiful and intricate as the maps of old.

The Magnum Opus Christopher Kezelos,Christine Kezelos,2016-12-13 *The Magnum Opus* is inspired by the multi-award-winning short film, *The Maker*. Watch it here: <http://bit.ly/WatchTheMaker> Synopsis: In a time and world long ago forgotten, there existed an enchanted workshop. Within its walls, a magical creature called a 'Maker' busily created the next of his kin. Upon completion, the creator was whisked away to join the rest of the Maker community. Meanwhile, their progeny was left alone to create the next Maker in a never-ending cycle of creation. That was, until the day an offbeat Maker named Ario was unable to complete 'The Making' and broke their sacred chain of existence. Wracked with guilt, Ario embarked on a quest to right his wrong, but what he discovered was far more monstrous and miraculous than anyone ever imagined. The Wish Maker Ali Sethi,2009 Zaki Shirazi returns to Lahore to celebrate the wedding of his cousin and childhood companion Samar Api (who has finally, it seems, found her Amitabh). Home is not what it used to be; Musharraf is in power, there has been a boom, and Lahore seems to have seen 'too much too soon'. Zaki’s estrangement, amidst the flurry of wedding preparations in the house he grew up in, takes him back to his past: his childhood as a fatherless boy growing up in a household of outspoken women, and his and Samar’s intertwined journeys from youth to adulthood. As children, in a Lahore heady with Benazir Bhutto's promise of democracy even as military intervention was a recurring nightmare, they often attended dangerous political protests with Zaki's journalist mother. Surrounded by the mysterious talk of adults, only Zaki seemed to share his older cousin's yearning for the perfect world. Inspired by American soaps and Bollywood films that they watched together, their world held the promise of all sorts of forbidden love. Then, when Zaki supports one of Samar's romantic schemes, the family suffers the disastrous consequences. But as his fate diverges from Samar's, he comes to understand the world around him better, and to cherish the bonds that survive the tugs of convention, time and history.

Wish Maker Between Shadows and Light Tammy Welton,2023-09-12 Have you ever made a wish by tossing a coin into a fountain? Or have you ever searched for someone lost wishing to find them? Maybe an accident that caused harm or death to another, and wished you could take it all back. Perhaps, a wish to right a wrong. It could even be something darker, like wishing for someone's death! What if someone handed you a piece of paper with a phone number on it, telling you to call the Wish Maker? Raphael, the Wish Maker, is a mysterious man that can make wishes come true. Of course, with any wish, there could be consequences.

Wishes also do not come cheap and there are rules to be followed: First, you make the wish. Second, you pay the price. Third, and very important, you cannot change your mind once the wish is granted. Fourth, you must live with the outcome once the wish is completed. Would you make the call? Could you follow through with the wish once it was granted?

Wishmaker Alis Rae Caidmon,2010-09 I wish... Emerey, Mandi, Andrew and Adrian are best friends. The privileged children of travel-mad parents, they have seen the world together and are always looking for the next adventure. But when Mandi convinces them to enter a mysterious but opulent house down the road, they realize they have bitten off more than they can chew. Walls within walls, misleading mirrors, images and doors bringing forth creatures bent on destruction are only a few of the horrors awaiting the group of friends upon entering the house. Faced with overcoming the worst of themselves, it seems that they might perish within the vine-covered walls. But they are not without help. Presented with a book weaving the chapters that become their history and protected by the direction of their guides, they just might find their way to the mysterious Wishmaker, fighting off temptation and eluding cruelty and dissension the entire way. At every twist and turn, as they piece together the clues leading to the outside door, these companions will learn a valuable lesson about the consequences of wishing. Follow author Alis Rae Caidman through this labyrinth of the fantastic and grotesque, and join four friends as they find their perceptions challenged, feel their bonds being tested, and most importantly, discover what it really means to be themselves. 'This book is immensely intriguing. What a labyrinth of allure! Alis captures her readers and transports them into a beautifully artistic world of imagination!' -Jake Fritze 'Original and highly imaginative. Fans of the Labyrinth and Alice in Wonderland will be intrigued by this surreal twist of fictional yarn spun into one great tale.' -Jessica Woytko

The Wish Maker Goldman Clark,2018-12-03 I often wonder if it happens to others to dream of a better, extraordinary and wonderful life. As we sometimes hear about those lucky people who have inherited or earned a fortune. For in spite of all my efforts, I failed each time in my relentless pursuit of this prosperity which intrigued me and which escaped me inexorably. At that time, I could only admire the undeniable success of those whom fate had chosen to embody the richness of our world. Before I even began, I had a strong suspicion that each of my projects would turn into failure. Yet in my adventurous spirit there was a torrent of crazy ideas and I was often frightened when I spent my meager savings in the hope of becoming rich. But my fear was not strong enough to dull my thirst for success. And while I endured torments and indescribable struggles, one day the sky opened to me. At least, that's what I'm trying to believe since that terrible day when this man offered me this tool that exceeds all that man has been able to create so far. I own a machine that no one should know and that no one has ever dared to use. Reading and re-reading at leisure this story will leave a more convincing picture than my confused tongue could hope to convey. But it is my duty to warn those who will read me seriously that everything they find written in these pages has more than an element of truth.

The Wish Maker Fog and Mirrors Tammy Welton,2023-08-23 Do you have a dark wish that you never told anyone? Perhaps, a wish to go back in time to do harm to others, or maybe even kill someone? Maybe a wish to undo a secret wrong that needs to be righted? What if that dark wish you hold so close was visible to another, and they offered you a chance to go back in time? Would you accept the offer? If you did, could you live with the outcome? Raphael, the Wish Maker, can make wishes come true. But with anything of great value, it will not come cheap, and there are unbreakable rules that must be followed. First, you make the wish. Second, you pay the price. Third, and very important, you cannot change your mind once the wish is granted. Fourth, you must live with the outcome once the wish is completed. There are two important caveats to remember along your way; first, you cannot reveal that you have traveled back in time, and the second is that you cannot change the path of anyone not involved directly in your wish. There are dire consequences for breaking the rules. Have you made your wish today?

The Wishing World Todd Fahnestock,2016-10-25 After her family is kidnapped by a monster, Lorelei resolves to find them and makes her way into the Wishing World, a place where wishes can come true and she can find and rescue her kin.

A Wish in the Dark Christina Soontornvat,2020-03-24 A boy on the run. A girl determined to find him. A compelling fantasy looks at issues of privilege, protest, and justice. All light in Chattana is created by one man — the Governor, who appeared after the Great Fire to bring peace and order to the city. For Pong, who was born in Namwon Prison, the magical lights represent freedom, and he dreams of the day he will be able to walk

among them. But when Pong escapes from prison, he realizes that the world outside is no fairer than the one behind bars. The wealthy dine and dance under bright orb light, while the poor toil away in darkness. Worst of all, Pong’s prison tattoo marks him as a fugitive who can never be truly free. Nok, the prison warden’s perfect daughter, is bent on tracking Pong down and restoring her family’s good name. But as Nok hunts Pong through the alleys and canals of Chattana, she uncovers secrets that make her question the truths she has always held dear. Set in a Thai-inspired fantasy world, Christina Soontornvat’s twist on Victor Hugo’s Les Misérables is a dazzling, fast-paced adventure that explores the difference between law and justice — and asks whether one child can shine a light in the dark.

Mandy David R Morgan,2023-11-29 Mandy: Wish Maker is a delightful tale about a young Mandy who wishes to be someone else and do fantastic things! Always remember you are unique, just like everyone else. Even so, we have all wished to be someone or something else from time to time. Mandy certainly has, but unlike us, her wishes come true. They lead her into remarkable adventures and experiences, but, at the end of the day, she always wishes to be herself again. Yes, Mandy Wish Maker wants life to be fun: Though I'd rather be Me than anyone. As Louisa May Alcott said: We all have our own life to pursue, our own kind of dream to be weaving. We all have the power to make wishes come true, as long as we keep believing.

The Wishbreaker Tyler Whitesides,2019-01-08 Ace and Ridge are back to save their friend—and the world—in this sequel to The Wishmakers, which Chris Grabenstein, #1 New York Times bestselling author of Escape from Mr. Lemoncello’s Library, praised as a “fantastically fast-paced and funny read.” Being a Wishmaker may be more trouble than it’s worth. Sure, you get a genie who can grant an unlimited number of wishes, but for each one you make you have to accept an awful consequence in return. Not to mention that you’re also given an impossible quest and only seven days to fulfill it! Despite all that, Ace and his genie, Ridge, managed to complete their last mission—but they couldn’t save their friend Tina from being abducted by a rogue genie who’s bent on using his limitless power to rule the world. To rescue her, Ace must reunite with Ridge to become a Wishmaker once more, and they’ll need to team up with the unlikeliest of new allies. It’s not every day you get a second chance to save the world, so Ace is determined to learn from his past mistakes and wish for the best, literally. Perfect for fans of Max Brailer, Adam Gidwitz, and Dan Gutman, this middle grade series is a wonderful mix of unpredictable magic, zany humor, and daring adventure. “An ingenious premise” raved Kirkus in a starred review!

Wish Maker Introduction

In the digital age, access to information has become easier than ever before. The ability to download Wish Maker has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Wish Maker has opened up a world of possibilities. Downloading Wish Maker provides numerous advantages over physical copies of books and

documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Wish Maker has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Wish Maker. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Wish Maker. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Wish Maker, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to

download Wish Maker has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
