A Wish in Time Laurel A. Bradley, 2008-10-08 In eighteenth century Scotland, Magda McClellan, eight months pregnant, is granted one wish from Auld Annie, a wise woman accused of witchcraft. But Magda declines her wish because she is perfectly happy; besides, she doesn't believe in witches. Little does she know how that refusal will change her life forever. In twenty-first century New York, Maggie McDonald and her husband desperately want to have a child. While they wait for a procedure at a fertility clinic, a Scottish nurse named Annie promises to grant them a baby if it is their wish. When Maggie awakens, she finds herself round with child in eighteenth century Scotland and panic sets in. Meanwhile, Magda has also been catapulted through time. She wakes up in a hospital bed in New York ? but she's not pregnant anymore. When she goes home with a man who claims to be her husband, she searches for clues to the identity of Maggie McDonald, whose body she now inhabits. Why has Magda been transported to this strange place and time? And why is she no longer pregnant? As the two women become familiar with their new worlds, they find themselves on emotional paths of self-discovery. Join Maggie and Magda on their spellbinding journey as they attempt to return to their past lives ? before it's too late.

**The Last Lecture** Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned--about living in the present, building a legacy, and taking full advantage of the time you have--in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. --Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave--Really Achieving Your Childhood Dreams--wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

The Wish Maker Fog and Mirrors Tammy Welton,2023-08-23 Do you have a dark wish that you never told anyone? Perhaps, a wish to go back in time to do harm to others, or maybe even kill someone? Maybe a wish to undo a secret wrong that needs to be righted? What if that dark wish you hold so close was visible to another, and they offered you a chance to go back in time? Would you accept the offer? If you did, could you live with the outcome? Raphael, the Wish Maker, can make wishes come true. But with anything of great value, it will not come cheap, and there are unbreakable rules that must be followed. First, you make the wish. Second, you pay the price. Third, and very important, you cannot change your mind once the wish is granted. Fourth, you must live with the outcome once the wish is completed. There are two important caveats to remember along your way; first, you cannot reveal that you have traveled back in time, and the second is that you cannot change the path of anyone not involved directly in your wish. There are dire consequences for breaking the rules. Have you made your wish today?

*Wish Club* Kim Strickland,2007-05-29 Claudia, Lindsay, Gail, Mara, and Jill are about to find out that the old adage is true—they really should be careful what they wish for. At first their book club was like any other: talking, drinking wine, and maybe even discussing the book they’ve read. But when they read a novel about witchcraft and jokingly try one of the spells . . . it works. Naturally the women are freaked out at—they’re not witches! But what could be the harm in lighting some candles and making little wishes? Everyone has wishes—the perfect man, more time to yourself, a little extra cash . . . When their book club morphs into “Wish Club,” the ladies find their real gift is for conjuring trouble. Their wishes start going awry, and they find themselves in strange, hilarious, and in some cases even dangerous predicaments. But as they search for someone who might be able to help, each of the women begins to discover that she may have the ability to make her own wishes come true.
