The Wishing Star (Starlight Trilogy Book #1)
Marian Wells, 1985-09-01 Jenny, living in the frontier districts of New York and Ohio in the early 1800's, is a bright and unusually inquisitive young girl. Though living in poverty with limited schooling and spiritual guidance, and tough viciously mistreated by a drunken father, quick-minded Jenny becomes an avid reader. Her father's forbidden book holds an overwhelming fascination for her. Will she find the truth, or is she on a dangerous road with no end in sight? Here is a powerful historical novel with style and theme similar to the author's first two in this genre, concerning the early days of Mormonism.

Oliver and the Wishing Star Jennifer Decker, 2021-10-05 An unforgettable story about a young boy named Oliver, who thinks dogs have the good life, until one evening when he makes a wish upon a star and becomes a dog! Will Oliver make it home and see his family again, or is he destined to remain a dog forever?

Wishing Star Incorporated Rs

Sanscrainte, 2004-05-17 Wishing Star Incorporated is in the business of making dreams come true, and Ben is the head of operations. His job is to grant the wishes of individuals who believe in the legitimacy of supernatural phenomenon; leprechauns, fountains of eternal youth and beauty, magical lamps with genies inside...or a Wishing Star. During his ten year tenure, Ben has found that it takes a special kind of person to buy into such a fantastic concept...mainly a power hungry, greed consumed, unscrupulous kind of person...which makes collecting payment for services rendered all the more satisfying. While Ben doesn't charge anything to grant a client's

wishes, his interpretation of the wish is rarely what his customers expect, and Ben's employer has a non-negotiable policy regarding the reversal of granted wishes. The only way to reverse a wish and do away with any undesirable effects stemming from it is contract annulment...a gentle way of phrasing, "forfeiture of one's eternal soul to the owner of Wishing Star Incorporated." And Ben's boss isn't a guy anyone would want in control of their destiny post-mortem. He goes by the name of Bub, and aside from being the sole shareholder in Wishing Star Incorporated, he also rules supreme in the bowls of hell. Unwittingly duped out of his own soul a decade ago, Ben made a deal with Bub in order to regain it. In return for procuring the souls of fifty other unfortunates, Ben would regain the opportunity to circumvent an afterlife of brimstone and hellfire. However, upon reaching number forty-nine, Ben now has doubt that the means justify the end. Even with the questions of conscience, Ben is eager to complete his fiftieth assignment...if for no other reason than to escape constant contact with his nauseatingly amiable employer, Bub. Not looking forward to Ben's retirement, Bub has decided to try and coerce Ben into staying on the Wishing Star team for another fifty souls. Knowing that Ben will assuredly turn down a straightforward offer, Bub decides to make the possibility of Ben fulfilling his contractual obligations highly unlikely by tossing a barracuda in the bath water. That barracuda's name being Randy Salyers; the apathetic by-product of consumer driven society. A young man with nothing to loose and no interest in gains. Ben's problems don't begin and end with Randy, a customer uninterested in his wares. There's also the fact that Randy Salyers ex-wife is Bub's new mistress and she thinks Bub hired Ben to kill Randy. This might not be a problem in Chicago or New York City, but Ben is now in Circleville, Ohio...and

news travels fast in a rural Ohio farm town. If Ben can keep a colorful cast of yokels from sticking their noses, as well as other body parts, in his business there might just be a chance he'll fill his quota.
