A Witch's Craft Volume 1: Dictionary for a Witch's Grimoire Viktorija Briggs,

Witch Crafting Phyllis Curott,2002-09-10 The author of Book of Shadows digs deep into the practices and principles of Witchcraft to provide a comprehensive guidebook that anyone—novices and seasoned practitioners alike—can use to incorporate the beauty and power of Wicca into their own daily lives. Phyllis Curott's first book, Book of Shadows, was an inspirational, spiritual memoir that chronicled her journey from Ivy League-educated, New York City attorney to Wiccan High Priestess. By inviting readers of all faiths to share in her own personal transformation, Phyllis debunked many of the myths surrounding Wicca and revealed it for what it really is: a spiritual movement whose tenets of Goddess worship and reverence for Nature were a great deal more accessible and familiar than she'd ever expected. Far from being just another mechanical spell book, Witch Crafting is the first book to offer readers not only the how-to of Witchcraft, but also the why-to, explaining the profound spiritual tenets behind Wiccan techniques. Filled with both traditional and innovative shamanic practices, Phyllis also provides an empowering new definition of magic and reexamines the ethics under which Witchcraft is practiced, offering a groundbreaking alternative to the Threefold Law. With enchanting stories from Curott's own experiences, Witch Crafting will also teach you how to: • Master the secret arts of effective spellcasting • Create sacred space and personal rituals • Perform divinations for spiritual insight and earthly success • Tap into the power of altered states, such as dreaming, meditation, prayer, and trance • Keep a magical journal and create your own Book of Shadows Rich with detailed advice for making magic, working with Nature, and finding the Divine within, as well as thought-provoking evaluations of this remarkable spirituality, Witch Crafting is the special volume that you've been searching for. Whether you are a beginner or have been practicing Witchcraft for years, whether you worship in a coven or on your own, Witch Crafting is the ideal handbook for you, or anyone seeking to unlock the divine power that makes real magic happen and experience the ecstasy, energy, and gifts of the Universe more fully.

Witchcraft For Beginners Lisa Moon,2021-06-09 ★ 55% OFF for Bookstores! NOW at \$ 23.97 instead of \$ 34.97! LAST DAYS! ★ Do you feel the need for more positive energy through Wicca? The Wiccan belief system is actually quite complex in the fact that Wiccans have a certain way of thinking and living their lives. Similar to other religions, Wiccans like balance and peace of all things. They are very in tune with nature and the Earth making all things whole and a sense of oneness with all living things. They go by a guilt-free morality. What this means is that there is no jealous or vindictive God in Wicca. The mother goddess is mainly loving, nurturing, generous, and wise. Whereas the gods are protective, playful, assertive, and strong without punishment or violence. Wiccans live vicariously through their gods and goddesses and implement all that is pure in the Wiccan form. Witchcraft is technically considered a type of magic whose emphasis is on earthly magic, such as natural magic and herbal magic. The witch in all her forms lives in these practices, living on the fringe of society and acting as healer and destroyer. Often associated with women, witchcraft can be practiced by men as well. But never fear; this book will help you dismantle myths misconceptions and build a solid foundation of understanding. In this book, we'll go over the history and origins of the Wiccan religion, the basics of the Wiccan pantheon of deities and their worship rituals, the dynamics of magic in the natural world, the nuances of spell casting, and more. Spend some time exploring your goals and dreams and begin to make a list of spells you would like to try. This book covers: The Simple Overview to Wicca Wiccan Beliefs - The Craft Simple Wicca Spells Everyone Needs To Help You Succeed In Life.
