**Kicking Up Dirt** Ashley Fiolek,Caroline Ryder,2010-04-23 At nineteen, Ashley Fiolek is already the top female competitor in a tough men's sport: motocross, a form of off-road motorcycle racing that is one of the most competitive and dangerous extreme sports in the world. Since going pro in late 2007, Fiolek has taken gold at the X Games, won the American Women's Motocross Championship twice, and become the first woman in American motocross history to be signed to a factory team—the highest echelon of industry backing. But Fiolek's rise has not come without obstacles. Fiolek was born profoundly deaf, a handicap that makes everyday life difficult—and competition on the track downright dangerous. Originally misdiagnosed as mildly retarded, she was a painfully shy and introverted child—until her parents introduced her to the world of dirt bikes, which helped her escape the silence in her head and connect with others who shared her passion. She began racing at seven, and as her successes grew through hard work and no small number of broken bones, so did her confidence. Fiolek has never believed her disability should stand in the way of her dreams. Nor has she allowed her gender to limit her career—motocross historically has been a men's sport, but with the love and support of her dirt-obsessed family, including her Grandpa Motorcycle, her little brother, Kicker, and her dogs, Turbo and Rocco, Ashley has emerged as one of the sport's most talked-about stars, changing the way the entire industry views women. Armed with her extraordinary talent, contagious grin, and deep faith in God, Fiolek continues to venture into unknown territory, relentlessly pushing herself—and women's motocross—to ever-greater heights. Kicking Up Dirt is a remarkable, inspiring tale of a young woman's courage and determination to succeed in the face of truly challenging obstacles.

**Motocross** Gary Freeman,Tim Freeman,2001 Talks about the difficult sport of motocross racing, from how to enter your first race to tips on the best tactics for top-level competition.

*Motocross Mike* Charles Loomis,2004-07-01 Mike Porter is an excellent Motocross racer. He works after school for Bill Maslak in a Honda cycle shop that is owned jointly by Bill and Mike's mother. Bill is his sponsor, mechanic and mentor since Mike's father's death in a tragic motorcycle racing accident. Ann Porter, Mike's mother, is not a supporter of Mike's racing having lost her husband to the sport. She wants Mike to go to college instead. Mike is a little on the overconfident side. He has an accident in the last race of the previous season that puts him out of contention for a factory sponsorship. He hopes to prove himself and secure the sponsorship in the new season. He also has a rival, Walter Ackley, who is a good rider but a particularly nasty individual. His goal is to injure Mike during races so he can secure the sponsorship for himself Follow Mike's heroic efforts to capture his dream in the book Motocross Mike. More adventures with Mike Porter will follow soon in Motocross Mike Races Supercross.

*Dirt Bike Ike* Roy Jenkins,2011-02-23 Ike Hebert is a teenager with a dream: to become a champion motocross racer. But there are many obstacles to achieving it. He comes from a poor, single parent family, he has learning and social disabilities, and has no freinds or resources. In the last book, however, he teamed up with an experienced motocross racer who moved into his neighborhood from California, the beautiful Samantha Abernathy. He was also befriended by an outcast junkyard dealer, Victor Gonzales, who helped him restore a couple of old dirt bikes for use. Together they solved a crime that caused jealousy among the other students at Calais High, making them outcasts. In Pursuing the Dream, Ike and Sam team up again with Mr. Gonzales and his new mechanic, Crip Simon, a crippled war veteran who brings some tough love to rejuvenate Ike's dream and solve another crime. This

time it's swamp pirates who are trying to take over Crip's Indian reservation. Join the crew as they solve the mystery, overcome many setbacks, overcome a tragedy, and rise to the next level in mx racing. They'll also learn lessons about hard work, faith, courage and love. You'll be inspired, educated and entertained as you get a glimpse into the history of south Louisiana and the world of amateur motocross racing.

*Dirt Bike Ike 3* Roy Jenkins,2017-01-23 *Dirt Bike Ike 3* is the 3rd book in the trilogy about a teenage boy forming and capturing his dream to become a champion Motocross racer. He faces many challenges including: school struggles (socially and academically), financially (his mom is raising him), and overcoming loss and tragedy. A really fast girl and her dad move into the little Louisiana town where Ike lives and helps form a racing team. Also on the team is a former junkyard dealer who now has a motorcycle dealership and his head mechanic, a former marine sniper. Both of these men are tough on Ike but serve as the mentors he needs. There are enemies that try to take down his racing team. Led by a crooked judge and his family this crime ring forms the mystery that Ike and his team must solve before he can achieve his championship. The readers are entertained and inspired to follow their own path to fulfill their purpose. Ike learns there is more to becoming a champion than winning a few races and more to becoming a man than being tough. He also discovers his greatest fear and what happened to his dad and makes peace with both.

*The Champion* Carey Flores,2016-09-27 When #121 crashed during a motocross race on an upstate New York dirt track, no one questioned his ability and determination to get back on his bike and reclaim his position in what would be the last race of his life. Through the words of a family friend, and eye witness of the events on that fateful day, *The Champion* is the true story of one mans race to the Finish, and how he managed to overcome the trials and obstacles threatening him on his quest for the 2014 championship. The account of Thomas Walts life and tragic death offers insight to the difficult questions we face in the struggle of loss and grief. We can be encouraged as we find that there is hope and comfort in times of utter despair. Be inspired by Toms life, as his example shows us how we, too, can overcome lifes challenges and leave a legacy that is impossible to forget.
