The Hotbed Collective

Womens Pleasure Or How to Have Pleasure Rachel Swift,1994

The Pleasure Gap Katherine Rowland,2020-02-04 American culture is more sexually liberal than ever. But compared to men, women's sexual pleasure has not grown: Up to 40 percent of American women experience the sexual malaise clinically known as low sexual desire. Between this low desire, muted pleasure, and experiencing sex in terms of labor rather than of lust, women by the millions are dissatisfied with their erotic lives. For too long, this deficit has been explained in terms of women's biology, stress, and age. In *The Pleasure Gap*, Katherine Rowland rejects the idea that women should settle for diminished pleasure; instead, she argues women should take inequality in the bedroom as seriously as we take it in the workplace and understand its causes and effects. Drawing on extensive research and interviews with more than one hundred women and dozens of sexual health professionals, Rowland shows that the pleasure gap is neither medical malady nor psychological condition but rather a result of our culture's troubled relationship with women's sexual expression. This provocative exploration of modern sexuality makes a case for closing the gap for good.

Pleasure and Danger Carole S. Vance,1984

Women, Pleasure, Film S. Richter,2013-08-23 The Lola film is a distinct subgenre of the woman's film in which woman's claim to pleasure is entertained without recourse to the figure of the femme fatale. Lola embodies a recognizable set of characteristics through which over time a select group of directors, actors, and audiences have responded in ways that do not succumb to the imperatives of gender. There are over thirty-five Lola films, starting with Marlene Dietrich in *The Blue Angel*: many are German, others are French, American, British, Italian, and Spanish, but her claim has also resonated in Argentina, China, Egypt, Mexico, Thailand, and the Philippines. Lola can be working class, lesbian, transgender, ethnic, suburban, or any combination. This book examines Lola as a specific and enduring aspect of the early twentieth-century new woman: woman's forthright claim to pleasure on her own terms, liberated, if only as a cinematic fantasy, from the usual constraints of sex and gender.

Women, Sexuality and the Political Power of Pleasure Susie Jolly,Andrea Cornwall,Kate Hawkins,2013-06-13 This pioneering collection explores the ways in which positive, pleasure-focused approaches to sexuality can empower women. Gender and development has tended to engage with sexuality only in relation to violence and ill-health. Although this has been hugely important in challenging violence against women, over-emphasizing these negative aspects has dovetailed with conservative ideologies that associate women's sexualities with danger and fear. On the other hand,

the media, the pharmaceutical industry, and pornography more broadly celebrate the pleasures of sex in ways that can be just as oppressive, often implying that only certain types of people - young, heterosexual, able-bodied, HIV-negative - are eligible for sexual pleasure. *Women, Sexuality and the Political Power of Pleasure* brings together challenges to these strictures and exclusions from both the South and North of the globe, with examples of activism, advocacy and programming which use pleasure as an entry point. It shows how positive approaches to pleasure and sexuality can enhance equality and empowerment for all.

Women's Anatomy of Arousal Sheri Winston, 2010

The Pleasure Gap Katherine Rowland, 2020-02-04 Women in America experience far less sexual pleasure than men. What is to be done? American culture is more sexually liberal than ever. But compared to men, women's sexual pleasure has not grown: Millions of American women experience the sexual malaise clinically known as low sexual desire. Between this low desire, muted pleasure, and experiencing sex in terms of labor rather than of lust, women by the millions are dissatisfied with their erotic lives. For too long, this deficit has been explained in terms of women's biology, stress, and age, but in *The Pleasure Gap*, Katherine Rowland rejects the idea that women should settle for diminished pleasure. Instead, she argues women should take inequality in the bedroom as seriously as we take it in the workplace and understand its causes and effects. Drawing on extensive research and interviews with more than one hundred women and dozens of sexual health professionals, Rowland shows that the pleasure gap is neither medical malady nor psychological condition but rather a result of our culture's troubled relationship with women's sexual expression. This provocative exploration of modern sexuality makes a case for closing the gap for good.

Futbolera Brenda Elsey, Joshua Nadel, 2019-05-21 Latin American athletes have achieved iconic status in global popular culture, but what do we know about the communities of women in sport? *Futbolera* is the first monograph on women's sports in Latin America. Because sports evoke such passion, they are fertile ground for understanding the formation of social classes, national and racial identities, sexuality, and gender roles. *Futbolera* tells the stories of women athletes and fans as they navigated the pressures and possibilities within organized sports. *Futbolera* charts the rise of physical education programs for girls, often driven by ideas of eugenics and proper motherhood, that laid the groundwork for women's sports clubs, which began to thrive beyond the confines of school systems. *Futbolera* examines how women challenged both their exclusion from national pastimes and their lack of access to leisure, bodily integrity, and public space. This vibrant history also examines women's

sports through comparative case studies of Argentina, Brazil, Chile, Costa Rica, Mexico, and others. Special attention is given to women's sports during military dictatorships of the 1970s and 80s as well as the feminist and democratic movements that followed. The book culminates by exploring recent shifts in mindset towards women's football and dynamic social movements of players across Latin America.

For the Love of Pleasure Lauren Rabinovitz, 1998 The technological, economic and social landscape of the consumer society was formed between the 1880s and 1920s. The author of this study shows how cinema played a key role in changing the urban landscape, using Chicago as a model and linking cinema theory with women's studies.

She Comes First Ian Kerner, 2019-10-10 Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

Enjoy! Joyce J. Penner, Clifford Penner, 2017 This book will show married Christian women how to accept and enjoy their sexuality as a gift from God. Doing this allows them to improve the sexual relationships with their husbands and strengthen their marriages.

Women, Sex, Power, And Pleasure Evelyn Resh, CNM/MPH, 2013-03-01 In her new book, *Women, Sex, Power & Pleasure*, Evelyn Resh, a sexuality counselor and certified nurse-midwife, takes an innovative approach to helping women create the lives – and sex lives – they want. With a funny and compassionate, yet tell-it-like-it-is style, she looks at the relationship between feeling powerful in life and accessing life's pleasures, and their combined effect on sexual desire. Resh introduces six essential qualities that women must have to live healthfully, stating that when these are out of balance women seem to exist in lives devoid of pleasure, self-empowerment, and sex. These markers of emotional well-being are: • Self-confidence and self-esteem • Healthy Habits • Spiritual Satisfaction • Creativity • Self-assurance/re-assurance • Compassion and Empathy Once the six traits are laid out,

Resh devotes the rest of the book to exploring how, when one or more of a woman's markers of emotional well-being are off kilter, their reasons for avoiding sex mount exponentially. She looks at some of the most common excuses she's heard over her many years as a sexuality counselor – I Feel Nothing, It's All He Thinks About, I'm Too Busy!, I'm Too Fat to Have Sex – and outlines the specific imbalances that create this void of sexual desire and activity. With practical guidance, self-assessment questions, and stories from her practice and personal life, Resh explains to modern women how to regain their emotional wellness and live a powerful life that includes a steady relationship with pleasure and sexual satisfaction. This book is a must read for all women. From housewives to sophisticated urban corporate types, from new moms to post-menopausal women – this book will help any woman who feels estranged from her sexual energy and a sense of empowerment, and deprived of pleasure, or who views sex as just another thing to tick off her overwhelming to-do list.

Shopping for Pleasure Erika Rappaport, 2021-06-08 In *Shopping for Pleasure*, Erika Rappaport reconstructs London's Victorian and Edwardian West End as an entertainment and retail center. In this neighborhood of stately homes, royal palaces, and spacious parks and squares, a dramatic transformation unfolded that ultimately changed the meaning of femininity and the lives of women, shaping their experience of modernity. Rappaport illuminates the various forces of the period that encouraged and discouraged women's enjoyment of public life and particularly shows how shopping came to be seen as the quintessential leisure activity for middle- and upper-class women. Through extensive histories of department stores, women's magazines, clubs, teashops, restaurants, and the theater as interwoven sites of consumption, *Shopping for Pleasure* uncovers how a new female urban culture emerged before and after the turn of the twentieth century. Moving beyond the question of whether shopping promoted or limited women's freedom, the author draws on diverse sources to explore how business practices, legal decisions, and cultural changes affected women in the market. In particular, she focuses on how and why stores presented themselves as pleasurable, secure places for the urban woman, in some cases defining themselves as instrumental to civic improvement and women's emancipation. Rappaport also considers such influences as merchandizing strategies, credit policies, changes in public transportation, feminism, and the financial balance of power within the home. *Shopping for Pleasure* is thus both a social and cultural history of the West End, but on a broader scale it reveals the essential interplay between the rise of consumer society, the birth of modern femininity, and the making of contemporary London.

Pleasure Hilda Hutcherson, 2006-10-03 Written in the tone of a supportive and savvy friend who

just happens to be a top sex expert, this invaluable guide explores: Redefining pleasure: why the quest for female orgasms is overhyped - and how to relax and truly enjoy sex, with or without them
Discovering the female body's pleasure zones Communicating with a partner about what feels good (and what doesn't) Exercising and eating to improve your sex life Sex positions 101...and 201 A lifetime of pleasure: great sex after pregnancy, after fifty, and more

Women Who Love Sex Gina Ogden,1995-04 In this revolutionary book, noted psychotherapist Gina Ogden brings together women who love sex to talk intimately and frankly about what gives them the greatest pleasure. The result is a redefinition of sex, expressed in a language every woman will understand.

Ultimate Pleasure Marc Meshorer,Judith Meshorer,1986 Describes the techniques used by women to prepare for lovemaking and increase their enjoyment of sexual encounters

Pleasure Hilda Hutcherson,2006-10-03 Written in the tone of a supportive and savvy friend who just happens to be a top sex expert, this invaluable guide explores: Redefining pleasure: why the quest for female orgasms is overhyped - and how to relax and truly enjoy sex, with or without them
Discovering the female body's pleasure zones Communicating with a partner about what feels good (and what doesn't) Exercising and eating to improve your sex life Sex positions 101...and 201 A lifetime of pleasure: great sex after pregnancy, after fifty, and more

More Orgasms Please The Hotbed Collective,2020-06-30 A FRANK, FUNNY AND EMPOWERING CELEBRATION OF FEMALE PLEASURE An orgasm will help you sleep and keep you looking younger, it doesn't cost money and isn't a scarce resource. So why is it that, like the pay gap, there is an 'orgasm gap' between women and men? The Hotbed Collective began life as a podcast with a mission 'to make life better one orgasm at a time'. Their debut book, *More Orgasms Please* is an open, honest and at moments hilarious dive into all aspects of sex for women. It covers feminist porn, body image, menopause and much more. Like the podcast that inspired it, *More Orgasms Please* is like the best sort of chat between friends: punchy and playful, normalising and educating. It is an eye-opening read that puts women's bodies and our right to pleasure firmly on the map. Think of it as 'Couch to 5k' ... for orgasms.

The Pleasure Plan Laura Zam,2020-05-05 Fifty percent of adult women have some form of sexual dysfunction at some point of their lives, preventing them from enjoying soul-satisfying sex. Such was the case with Laura Zam, who suffered the blame, shame, and embarrassment of being a terrible lover. For her, sex meant physical pain, zero desire, and emotional scars from being molested in her

early years. However, in her late forties, after meeting and marrying the love of her life, Zam was determined to finally fix her sensual self. The Pleasure Plan is what happened when she decided to challenge her hopelessness. In partnership with her initially reluctant husband, she visited a variety of healers and tried an array of pleasure-enhancing methods: from dilators and dildos, to hypnosis and hosting a sex brunch, to cleansing chakras, to making love to her husband in front of a geriatric Tantric goddess. Packed with humor, heart, and a healthy dose of prescriptive advice, this book chronicles Zam's insight as she confronts many issues-from mismatched libidos to female erection enlightenment. Throughout this journey, she and her husband grow as individuals and as a couple, both in and out of the bedroom--

Women's Sexual Passages Elizabeth Davis,2000 As women become more attuned to their bodies they become more self-aware, and with this self-awareness comes a greater desire for meaningful intimacy. Elizabeth Davis empowers women to take control of their sexuality by blending lessons on physicality, emotion, intuition, creativity and spirituality.

Immerse yourself in heartwarming tales of love and emotion with is touching creation, Tender Moments: **Womens Pleasure** . This emotionally charged ebook, available for download in a PDF format (*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
