**Corey D. Kleer-Larson**

*Woodland Hearts* Marianne Evans, 2016-04-01 This 4-in-1 anthology includes all three Woodland Church novels and the Contest-winning novella that started it all. Over 700 pages of award-winning, critically-acclaimed inspirational romance. *Hearts Crossing* "How do you feel about God, Collin?" "I don't." Collin Edwards, a former parishioner at Woodland Church of Christ, has renounced God without apology, his faith drained away in the face of a tragic loss. Daveny Montgomery cares deeply about her relationship with God and the community of Woodland. But lately she's been in a rut, longing for something to reignite her spiritual enthusiasm. A beautification project at Woodland seems the answer for them both. Daveny spearheads the effort and Collin assists—but only with the renovations, and only because he wants to know Daveny better. Despite his deepening feelings for her, even stepping into the common areas of the church stirs tension and anger. Can Daveny trust in Collin's fledgling return to faith? And can Collin ever accept the fact that while he turned his back on God, God never turned his back on him? *Hearts Surrender* Kiara Jordan is a sophisticated modernista, but beneath an engaging personality and super-model looks, her heart hungers, and she longs for deeper meaning in her life. Ken Lucerne is the charismatic young pastor of Woodland Church; he's adjusting to life as a widower and copes by keeping as busy as possible with his parish and missionary work. A home-building mission in Pennsylvania brings them together, and forces them to look hard and deep at

the relationship they share, and where God means for it to go. Already bound by mutual respect and caring, love dawns, a love that takes them to a life-point neither would have expected. After all, can a chic, vivacious woman find fulfillment within the quiet, mission-centered life of a clergyman? Can they trust God's hand strongly enough to surrender their hearts to one another...forever?

**Hearts Communion**

**Jeremy JB**

Edwards dreams of one thing: Having a loving wife and children of his own. Not a surprising ambition, since he was raised at the heart of a large, tight-knit family. Monica Kittelski spends her days at Sunny Horizons Daycare Center pouring her heart and faith into other people's children. But Monica harbors one impossible dream: Having children of her own someday. JB and Monica seem the perfect match, but what will come of their electric, sassy relationship when Jeremy learns of Monica's infertility? Hopes and reality collide when they must confront the idea of finding God's plan and following His will when a dearest hope is destined to remain unfulfilled. Can these two loving, passionate hearts survive a communion of dreams and reality?

**Hearts Key**

**Once the**

effervescent leader of the pack, Amy Maxwell should have had the perfect marriage. Instead, she escapes with nothing but the clothes on her back and her daughter, Pyper. Once the shy teen, Tyler Brock has evolved into a powerhouse in Christian music, and when he returns to Woodland for a benefit concert, Amy can't believe he is as faithful and tender as ever. He even manages to touch the heart of a doubtful Pyper. But Amy can't

escape her own self-doubt, and she questions the wisdom of her heart when it comes to the charismatic musician who is so different now, yet so much the same. Can the key to their hearts unlock a lifetime of love?

**Our Lady of the Woodland** Corey D. Klee-Larson, 2016 Our Lady of the Woodland Catholic Church in Pierce, Idaho, now sits shuttered. No longer do faithful parishioners sit in its pews, instead it rests quietly among the timber surrounding Pierce. Our Lady of the Woodland was a church built by a community, through the organization of a single Priest. Its facade, unlike other catholic churches of its age, is but one clue that this particular church is unique. It stands now as relic of all those faithful who helped to build it, move it, and care for it. Our Lady of the Woodland Catholic Church is not only a house of God, but a fixture in the life stories of many.

Rediscovering Church Lynne Hybels, Bill Hybels, 2016-05-03 Rediscovering Church is the

candid story of Willow Creek Community Church's phenomenal growth, from 100 members meeting in a Palatine, Illinois, movie theater to its present Sunday morning attendance of 15,000. Bill Hybels and his wife, Lynne, tell about Willow Creek's beginnings, its struggles, the philosophy behind its success, and the strategies that have made it a model for church growth. The first half of the book, written by Lynne Hybels, explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories. It offers an honest look at the ways God has used both the strengths and weaknesses of His people, creating a church of believers who have had tremendous impact for Christ in their community. In the second half of *Rediscovering Church*, Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission. From mission statements to developing leadership, making sound financial decisions, and handling growth, Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world, to be the body of Christ in real and tangible ways. *Rediscovering Church* draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology, its vision and values. The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration, encouragement, and a means of uncovering the pattern for their own unique mission and ministry.

*Missional Small Groups (Allelon Missional Series)* M. Scott Boren,2010-07-01 Small groups are a great place to connect with other churchgoers, but many wonder, is this all there is? Is sitting in a living room, talking about a book or watching a video the extent of what we can do together? Isn't being a Christian community about something more than this? Pastor and author Scott Boren thinks so. In this latest release from missional thinktank Allelon, Boren gives leaders and members of small groups the tools they need to make an impact on their communities. Beginning with a gentle critique of current small group models, Boren goes on to show how a uniquely Christian

paradigm can set groups free to transform their communities. The final section of the book offers over twenty practices that groups can do to become more missional. Ultimately Missional Small Groups is about helping groups follow Jesus by equipping them to bring his message and healing to a hurting world.

**History of the Woodland Chapel Baptist Church** Patricia Perry, 2013-11-07 Complementing the history of the Woodland Chapel Baptist Church compiled in 1985, a written statement was provided in 1990 by three of the congregation's longstanding members, revealing additional information about the Church's history. Subsequently, an extended history was compiled in 2000 as a divinity school project by the author of this book. Through research and contributions of members of the congregation this book further

expounds the history of the Woodland Chapel Baptist Church, revealing information about its founders and pastors and the origin of its ministries and annual events. Information was gathered for the completion of this work by utilizing genealogical resources, reviewing Church records and other documents including previous church histories, and interviewing members of the church. The author's personal knowledge about the church gained as a result of having been a part of the church for more than 40 years was also helpful. Chapter I provides information about the Church's three founders who organized the church only six years after the Emancipation Proclamation and describes the Church's very humble beginning in 1869. Chapter II describes the three buildings in which the members of the Woodland Chapel Baptist Church have worshipped. Chapter III is about those who have served as leaders of the Church, beginning with the pastors and including the deacons, deaconesses, trustees, officers, and others. A description of the worship services of Woodland Chapel; the evolution of worship from one Sunday per month to 4 Sundays per month; and the Church's order of worship are included in Chapter IV. Chapter V is about the auxiliaries or ministries of the Church. Chapter VI provides descriptive and historical information about the Church's annual programs. Chapter VII describes the process by which one becomes a member of Woodland Chapel Baptist. This chapter also includes a list of past and present members and memorial dedications.

*The Church* Clear Creek Community Church, Yancey

C. Arrington, Bruce Wesley, Greg Poore, 2017-08-19  
The church is a community on a mission. It's not just any community. It's not just any mission. Both center upon and revolve around God and the great Good News (or gospel) he offers in Jesus! This six-week study will seek to identify and explain exactly how Clear Creek Community Church exists as a missional community. You will read about who we are, what we believe, and how we seek to follow Christ together as the local church.

Thieves in the Temple G. Jeffrey MacDonald, 2010-03-30  
Though waves of cynics and atheists claim that America is too religious, G. Jeffrey MacDonald disagrees. America's churches, he argues, have abandoned their sacred role as dispensers of community values, and instead are increasingly serving up entertainment, aerobics, yoga classes, and other services that have nothing to do with religious faith. As religion becomes more consumer-oriented, congregants are able to avoid the moral, intellectual, and theological commitments Christianity requires by simply joining a different -- and less rigorous -- church. Grounded in journalism, personal experience, and Christian theology, Thieves in the Temple is an impassioned and provocative cri de coeur for a new religious reformation. Incisively critiquing today's dangerous movement away from true religion, MacDonald demonstrates just how much Americans stand to lose when churches sell their souls to recruit parishioners.
