*The Actor's Life* Jenna Fischer,2017-11-14 Jenna Fischer's Hollywood journey began at the age of 22 when she moved to Los Angeles from her hometown of St. Louis. With a theater degree in hand, she was determined, she was confident, she was ready to work hard. So, what could go wrong? Uh, basically everything. The path to being a professional actor was so much more vast and competitive than she'd imagined. It would be eight long years before she landed her iconic role on *The Office*, nearly a decade of frustration, struggle, rejection and doubt. If only she'd had a handbook for the aspiring actor. Or, better yet, someone to show her the way—an established actor who could educate her about the business, manage her expectations, and reassure her in those moments of despair. Jenna wants to be that person for you. With amusing candor and wit, Fischer spells out the nuts and bolts of getting established in the profession, based on her own memorable and hilarious experiences. She tells you how to get the right headshot, what to look for in representation, and the importance of joining forces with other like-minded artists and creating your own work—invaluable advice personally acquired from her many years of struggle. She provides helpful hints on how to be gutsy and take risks, the tricks to good auditioning and callbacks, and how not to fall for certain scams (auditions in a guy's apartment are probably not legit—or at least not for the kind of part you're looking for!). Her inspiring, helpful guidance feels like a trusted friend who's made the journey, and has now returned to walk beside you, pointing out the pitfalls as you blaze your own path towards the life of a professional actor.

*Twelve Years a Slave* Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race

memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

*Spelling It Like It Is* Tori Spelling, Hilary Liftin, 2014-05-06 The popular Hollywood starlet presents a collection of essays about the challenges of life in Hollywood, from navigating tabloid scrutiny and the latest headline-making feud to her visit to the set of the new *90210* and her baby nurse Patsy's health scare.

**Stop-Time** Frank Conroy, 1977-02-24 First published in 1967, *Stop-Time* was immediately recognized as a masterpiece of modern American autobiography, a brilliant portrayal of one boy's passage from childhood to adolescence and beyond. Here is Frank Conroy's wry, sad, beautiful tale of life on the road; of odd jobs and lost friendships, brutal schools and first loves; of a father's early death and a son's exhilarating escape into manhood.

The Blind Man of Seville Robert Wilson, 2010-06-24 NOW A MAJOR TV DRAMA ON SKY ATLANTIC. The first crime novel in Robert Wilson's *Seville* series, featuring the tortured detective Javier Falcon.

**Lean UX** Jeff Gothelf, Josh Seiden, 2016-09-12 UX design has traditionally been deliverables-based. Wireframes, site maps, flow diagrams, content inventories, taxonomies, mockups helped define the practice in its infancy. Over time, however, this deliverables-heavy process has put UX designers in the deliverables business. Many are now measured and compensated for the depth and breadth of their deliverables instead of the quality and success of the experiences they design. Designers have become documentation subject matter experts, known for the quality of the documents they create instead of the end-state experiences being designed and developed. So what's to be done? This practical book provides a roadmap and set of practices and principles that will help you keep your focus on the the experience back, rather than the deliverables. Get a tactical understanding of how to successfully integrate Lean and UX/Design; Find new material on business modeling and outcomes to help teams work more strategically; Delve into the new chapter on experiment design and Take advantage of updated examples and case studies.

Rebel Nick Nolte, 2018-01-23 The legendary icon tells his story—a tale of art, passion, commitment, addiction, as intense and hypnotic as the man himself. In a career spanning five decades, Nick Nolte has endured the rites of Hollywood celebrity. Rising from obscurity to leading roles and Oscar nominations, he has been both celebrated and vilified in the media; survived marriages, divorces, and a string of romances; was named the “Sexiest Man Alive” by *People* magazine; and suffered public humiliation over his drug and alcohol issues, including a drug-fueled trip down a “long road of nothingness” that ended in arrest. Despite these ups and downs, Nolte has remained true to the craft he loves, portraying a diverse range of characters with his trademark physicality and indelible gravelly voice. Already 35 when

his performance in the 1976 miniseries *Rich Man, Poor Man* launched him to stardom, Nolte never learned to play by Hollywood's rules. A rebel who defies expectations, an obsessive method actor who will go to extremes for a role (he lived among the homeless to prepare for *Down and Out in Beverly Hills*), Nolte is motivated more by edgier, more personal projects than by box office success. Today he is clean yet still driven, juggling a number of upcoming works and raising his young daughter. A man who refuses to hide his mistakes, Nolte now delivers his most revealing performance yet. His revealing memoir, filled with sixteen pages of color photos, offers a candid, unvarnished close-up look at the man, the career, the loves, and the life.

*Mind the Screen* Jaap Kooijman, Patricia Pisters, Wanda Strauven, 2008 *Mind the Screen* pays tribute to the work of the pioneering European film scholar Thomas Elsaesser, author of several volumes on media studies and cinema culture. Covering a full scope of issues arising from the author's work—from melodrama and mediated memory to avant-garde practices, media archaeology, and the audiovisual archive—this collection elaborates and expands on Elsaesser's original ideas along the topical lines of cinephilia, the historical imaginary, the contemporary European cinematic experience, YouTube, and images of terrorism and double occupancy, among other topics. Contributions from well-known artists and scholars such as Mieke Bal and Warren Buckland explore a range of media concepts and provide a mirror for the multi-faceted types of screens active in Elsaesser's work, including the television set, video installation, the digital interface, the mobile phone display, and of course, the hallowed silver screen of our contemporary film culture.

*Charlie Two Shoes and the Marines of Love Company* Michael I. Peterson, David Perlmutter, 1998 A true story of the American Dream, *Charlie Two Shoes and the Marines of Love Company* tells the heartwarming story of an eleven-year-old Chinese boy adopted by the men of Love Company, 4th Marines, 1st Marine Division, and his eventual arrival--35 years after their first meeting--in the United States. 33 photos. 2 maps.

**A Pictographic History of the Oglala Sioux** Amos Bad Heart Bull, Helen Heather Blish, 2017 Originally published in 1967, this remarkable pictographic history consists of more than four hundred drawings and script notations by Amos Bad Heart Bull, an Oglala Lakota man from the Pine Ridge Reservation, made between 1890 and the time of his death in 1913. The text, resulting from nearly a decade of research by Helen H. Blish and originally presented as a three-volume report to the Carnegie Institution, provides ethnological and historical background and interpretation of the content. This 50th anniversary edition provides a fresh perspective on Bad Heart Bull's drawings through digital scans of the original photographic plates created when Blish was doing her research. Lost for nearly half a century--and unavailable when the 1967 edition was being assembled--the recently discovered plates are now housed at the Smithsonian's National Anthropological Archives. Readers of the volume will encounter new introductions by Emily Levine and Candace S. Greene, crisp images and notations, and additional material that previously appeared only in a limited number of copies of the original edition. -- Publisher's website.

**The Orestia** Aeschylus, 2008-11 Aeschylus (525 BC-456 BC) was an ancient Greek playwright. He is often recognized as the father or the founder of

tragedy, and is the earliest of the three Greek tragedians whose plays survive, the others being Sophocles and Euripides. Many of Aeschylus's works were influenced by the Persian invasion of Greece, which took place during his lifetime. His play *The Persians* remains a quintessential primary source of information about this period in Greek history. He wrote some 70 to 90 plays, but only seven tragedies have survived intact: *The Persians*, *Seven Against Thebes*, *The Suppliants*, the trilogy known as *The Orestia*, consisting of the three tragedies *Agamemnon*, *The Libation Bearers* and *The Eumenides*, and *Prometheus Bound* (whose authorship is disputed).

*Hearts of Our People* Jill Ahlberg Yehe, Teri Greeves, 2019 Women have long been the creative force behind Native American art, yet their individual contributions have been largely unrecognized, instead treated as anonymous representations of entire cultures. 'Hearts of Our People: Native Women Artists' explores the artistic achievements of Native women and establishes their rightful place in the art world. This lavishly illustrated book, a companion to the landmark exhibition, includes works of art from antiquity to the present, made in a variety of media from textiles and beadwork to video and digital arts. It showcases more than 115 artists from the United States and Canada, spanning over one thousand years, to reveal the ingenuity and innovation that have always been foundational to the art of Native women.-- Page 4 of cover.
