The Best Word Search Book Ever Made (So Far) Zack Guido, 2018-11-20 Are you sick of the same old word search books over and over again? Let me guess, it's a block of random letters with thirty loosely-related boring words to find, over and over and over again until your brain rots? Not this book! This is a real word-searcher's word search book, and I truly believe it is the best one out there - especially if you're an adult looking for something more engaging. Sometimes it's a little tougher than typical word searches, but it's nothing you can't handle! It is great for all ages - kids and adults alike - and though some of the trivia questions, concepts, and words may be unfamiliar to a younger audience, they can still find and circle the words, and maybe learn something new! There are additional puzzles within the 115 word searches in this book, there are interesting words, there are interesting word lists, a little trivia, a little humor, and it's pretty large print. If you're new to these kinds of puzzles, it's a great book to start with, and if you've been doing word searches for years, it's a great book to get next. It's a great gift for you, a loved one, or even a not-so-loved one. It's great for airplanes, trains, cars, and possibly boats. It's handcrafted with love, and I promise you will enjoy it.

Society Word Search Started Word Search, 2021-04-05 Word Search is a game composed of the letters of words formatted in a grid. Generally, the word game grid is rectangular or square in nature. The goal is to find and highlight all of the words hidden in the puzzle. The words may be placed diagonally, horizontally, vertically, or backward. All of the hidden words can be found in a list alongside the grid. Each word from the list will become a muted state after it has been highlighted in the puzzle. Word Searches are not only a great way to pass the time, but also provide a great exercise for keeping your brain fit. Word searches have been found to boost learning in a number of ways including increased processing speed, improved working memory (both short and long term memory), advancing logical and strategic thinking, expanding vocabulary, strengthening spelling proficiency, as well as providing a creative outlet for problem solving and competition. The book contains more than 300 different word in 40 page word search With solutions of all puzzles at the end of the book The words in every puzzle page range between 8-9 word The number of pages: 50 Book size: 8.5x11 inch
