Training in Motion Mike Kuczala,2015-06-10 Whether your employees are stuck behind a desk or having to sit through yet another meeting, chances are they are being kept from moving around the majority of the workday. This is resulting in restless

bodies, wavering attention spans, and--based on the latest neuroscience research--decreased learning and productivity. Managers desiring to maximize their employees' productivity and reach new levels of success for the company would be wise to not ignore the innate human desire for motion. Training in Motion explains how movement enhances learning and introduces a unique and highly effective way to energize a team and increase retention through simple body-focused techniques. In this one-of-a-kind book, learn how to:

- Tie lessons to movement in order to reinforce concepts
- Manage learners' physical and emotional states to increase engagement and bolster memory
- Use posture, physical gestures, and other movements to command interest
- Employ quick physical breaks to efficiently refocus your team
- Turn lackluster meetings into high-achieving learning environments

Complete with practical, easy-to-apply activities, Training in Motion will help you add an almost universally untapped component to your training and managing methods that will provide your office environment the winning edge you've been searching for.

Ultimate Memory Magic Jim Karol, Michael Ross, 2019-09-24 Improve your memory, sharpen your mind, and change your life—at any age! As we age, our memories become unreliable; we misplace things and forget details. In Ultimate Memory Magic, memory expert Jim Karol shows that these side effects of aging are not inevitable. His memory-boosting system, called “Cogmental Intelligence,” goes beyond preserving mental acuity and actually

enhances memory and mental function through lifestyle changes and mental exercises. Concentration, alertness, and focus can all be strengthened—by anyone, at any age. Karol's cutting-edge program will show readers how to: - Sharpen their thinking and regain their mental edge - Live healthier, mentally and physically - Clear away negativity and stress - Become more creative and innovative A former steel worker who suffered from ill health, Karol used this method to transform his own life. Now he is physically healthy and renowned for his unparalleled memory. His incredible feats of memory and mentalism have been featured on The Tonight Show, The Ellen Show, Today, and more. Karol has used his Cogmental Intelligence method with clients from professional athletes to business leaders and speaks at venues around the world, from MIT to the Pentagon. With a foreword from bestselling author and physician Daniel G. Amen, *Ultimate Memory Magic* will allow readers of any age to hone their minds, strengthen their memories, and transform their lives.
