This book is a lot like that, if you imagine that words are celebrities. You're given strings of letters, and asked to find every possible word within which they occur as consecutive fragments.This book will help you improve your vocabulary, your pattern recognition skills, and your creativity. Have fun!

- Black Word Search Puzzle** Vanessa Cross,2018-08-05 The Black Word Search Puzzle was a concept that was developed from the question: How do you integrate history into ordinary activities? As it goes, the idea arose and an African-American oriented word search puzzle began its long process of creation. Over time, I began to play with the idea of graphics and came up with the icon of the African pick or comb, which seemed appropriate in that it lent itself to a double meaning when placed in this context -- the word search puzzle being a combing through process. The Black Word Search Puzzle is both an entertaining and educational word game that gives players, young and old, an opportunity to learn about a bit of Black history and African geography.
