**The Journey Begins: A Story in Simplified Chinese and Pinyin, 600 Word Vocabulary** Jeff Pepper, 2019-12-14 The Journey Begins is the sixth book in the Journey to the West series of stories by Jeff Pepper and Xiao Hui Wang. Other titles are Rise of the Monkey King, Trouble in Heaven, The Immortal Peaches, The Young Monk, and The Emperor in Hell. This book is based on chapters 12, 13 and 14 of Journey To The West, an epic novel written in the 16th Century by Wu Chen'en. Each book in our Journey to the West series covers a short section of the original 2,000-page novel. Journey To The West is loosely based on an actual journey by the Buddhist monk Xuanzang, who traveled from the Chinese city of Chang'an westward to India in 629 A.D. and returned 17 years later with priceless knowledge and texts of Buddhism. Over the course of the book the band of travelers face the 81 tribulations that Xuanzang had to endure to attain Buddhahood. This story, the sixth in our series, marks the end of the first section of the novel, as we wrap up the preliminaries and begin the actual journey. Several threads and key characters from earlier books come together. Taizong, the great emperor of the Tang Dynasty who spent most of Book Five trapped in the underworld, selects the young monk Xuanzang to undertake the journey, after being strongly influenced by the Buddhist teacher Guanyin. Xuanzang (now called Sanzang) sets out on his journey and receives help from Guanyin and from Bright Star of Venus, who previously appeared in Book Two. The Dragon King of the Eastern Ocean, who in Book One was Sun Wukong's adversary and was forced to give him his Jingu Bang (golden hoop rod weapon), is now Sun Wukong's old friend and gives him some life-changing advice. And near the end of the book Sanzang's path crosses that of Sun Wukong himself. The story is written, as much as possible, using the 600 word vocabulary of HSK 3. It is presented in simplified Chinese characters and pinyin, and includes an English version and complete glossary. Additional study aids are on our website, [www.imagin8press.com](http://www.imagin8press.com). NOTE: this edition, published December 2019, is the same as the 2017 edition but with several edits and formatting fixes. The content is the same.

*The Magic Ginseng Tree* Jeff Pepper, 2020-05-10 In this, the 10th book in our Journey to the West series, the monk Tangseng and his disciples have been traveling for two or three years. They arrive at a secluded mountain monastery which turns out to be the home of a powerful master Zhenyuan and an ancient and magical ginseng tree. As usual, the travelers' search for a nice hot meal and a place to sleep quickly turns into a disaster. Although Zhenyuan has gone away for a few days, he has left his two youngest disciples in charge. They welcome the travelers, but soon there are misunderstandings, arguments, battles in the sky, and before long the travelers are facing a powerful and extremely angry adversary, as well as mysterious magic fruits and a large frying pan full of hot oil. This book is based on Journey to The West (《西游记》, xī yóu jì), an epic novel written in the 16th Century by Wu Chen'en. The novel is loosely based on an actual journey by the Buddhist monk Tangseng (called Xuanzang and Sanzang in earlier books), who traveled from the Chinese city of Chang'an westward to India in 629 A.D. and returned 17 years later with priceless knowledge and texts of Buddhism. Over the course of the book the band of travelers face the 81 tribulations that Tangseng had to endure to attain Buddhahood. All of the stories in this series are all written in simple language suitable for intermediate Chinese learners. Our core vocabulary for this book is 1,200 words, made up of the 600 words of HSK-3 plus another 600 or so words that were introduced in the previous books of the series. These words are all in the glossary at the back of the book. Whenever we introduce a new word or phrase, it's defined in a footnote on the page where it first appears, and also appears in the glossary. In the main body of the book, each page of Chinese characters is matched with a facing page of pinyin. This is unusual for Chinese novels but we feel it's important. By including the pinyin, as well as a full English version and glossary at the end, we hope that every reader, no matter what level of mastery they have of the Chinese language, will be able to understand and enjoy the story we tell here. Free audio versions of

all books in this series are available on YouTube. Go to [www.youtube.com](http://www.youtube.com) and search for the Imagin8 Press channel to find all of our free audiobooks.
