What's Your Story? Michael Lindstrom,Vincent Staniforth,2016-06-07 What's Your Story is a compelling, inspiring guide for dads and their children. In turns provocative and playful, it lays out a path for fathers to share their stories. The results can be momentous. You see Mom for the first time—what happens next? Is resilience something learned or something developed? You've just had a perfect day—what happened? If I could hear your voice telling me something every single morning I wake up and every night I go to bed, what would you say? What's Your Story fosters a powerful conversation between father and child. It encourages a dialogue that helps kids learn more about their dad—questions about their upbringing, belief systems and what stories they want to share with their family's future generations. The authors offer a carefully crafted path designed to cultivate the sharing of a dad's life stories and world view.

Daddy's Story Baba Daddy,2015-05-14 It's a story you shouldn't be reading, it's a personal journey that was originally written by a father for only his daughter's eyes. It's an emotional story that shows how a father was brought to his lowest point in his life where he could see no return. But the father held on; his daughter was his vision, his daughter was what kept him going, and kept them both from harm's way. It's all about a fathers love and devotion to his daughter, in a world where he struggles to grasp how parents can play games in aid to gain for themselves, in a world where fathers at times are pushed aside and their voices ignored and unheard, just like a child's, just like the life he lived. A father leaves his story for his daughter so she can understand in years to come, how he fought for her, how he gave up his life just so his daughter could be brought up in a normal way. It's now a fathers turn to speak up, to show his daughter and maybe the world how and why they have an unbreakable bond, to show how this bond has been tested and pushed to its limits. This story is for every person, for every mum for every dad who has a child they love, it's for every person who has a parent they love and cherish because this story will make you fall in love with how a father loves his daughter and how far he will go to make sure she is fine. It's a story to show the world, nothing can beat the love of your child and nothing should, it's a story he hopes will change the thinking of many people one day.

The Naked Sun Isaac Asimov,2011-04-13 A millennium into the future, two advancements have altered the course of human history: the colonization of the Galaxy and the creation of the positronic brain. On the beautiful Outer World planet of Solaria, a handful of human colonists lead a hermit-like existence, their every need attended to by their faithful robot servants. To this strange and provocative planet comes Detective Elijah Baley, sent from the streets of New York with his positronic partner, the robot R. Daneel Olivaw, to solve an incredible murder that has rocked Solaria to its foundations. The victim had been so reclusive that he appeared to his associates only through holographic projection. Yet someone had gotten close enough to bludgeon him to death while robots looked on. Now Baley and Olivaw are faced with two clear impossibilities: Either the Solarian was killed by one of his robots--unthinkable under the laws of Robotics--or he was killed by the woman who loved him so much that she never came into his presence!
