Lock Lane to Australia - 102 Sporting Venues Featuring Castleford Dr John Davis,

The Long, Long Road to Wembley Dave Roberts,2019-08-22 “Every football fan will enjoy this” – John Cross, Daily Mirror “Beautifully written. A book to lift the spirits.” – Ian Ladyman, Daily Mail “A heart-rending, life-affirming joy” – Charlie Connelly, bestselling author of Attention All Shipping “Reminds us what the game is really all about” – Miguel Delaney, Independent A life-affirming tale of never losing faith in your team. – Adam Hurrey, Daily Telegraph In 1968, fourteen-year-old Dave Roberts had a dream – to see the team he’d recently begun supporting, Bromley, play at Wembley. The trouble was that Bromley were rubbish, and when they spent the following decades far away from the pinnacle of non-league football, the dream seemed unreasonably ambitious. But he never gave up. After all, Bromley had been there before – the proof was in the black-and-white pictures of the club’s 1949 Amateur Cup triumph which hung on the wall of the tea hut at Hayes Lane, and which Dave stared at longingly. It was enough to keep that dream alive, as the rest – fortune, success and marrying Olivia Newton-John – fell by the wayside. But after fifty years of never losing faith despite constant disappointment, a favourable draw in the FA Trophy gave Bromley the chance to finally make Dave’s dream come true...

Field of Dreams and Broken Fences Aaron Moore,2022-02-14 Fields of Dreams and Broken Fences lifts the lid on the little-known world of non-league football. From being hours away from folding in the Essex Senior League and turning semi-professional because of YouTube to dropping out of the Football League and trying to find a way back, this book shines a vital spotlight on clubs from various levels of the National League System and shares their stories. The tales include the dramatic null-and-void decision of the 2019/20 season, Chichester City making history in the FA Cup, Leyton Orient and Notts County battling to get back into the Football League, Hashtag United turning semi-professional and Steve Castle, the former professional player, returning to the lower levels to pursue a career in management. Filled with compelling stories from multiple sides of the game, Fields of Dreams and Broken Fences brings non-league football to life as it delves beneath the surface of the lower levels of the English game. This book is written for the love of football.

The Silence of the Stands: Finding the Joy in Football's Lost Season Daniel Gray,2022-11-10 SHORTLISTED FOR THE SUNDAY TIMES SPORTS BOOK AWARDS 2023 - FOOTBALL BOOK OF THE YEAR 'Powerful and poignant' Henry Winter 'Empathetic and poignant ... the game's answer to A Journal of the Plague Year' Harry Pearson 'The Durham City midfielder wore the resigned look of a man trying to find a jar of harissa in Farmfoods. Up front for Jarrow, a centre-forward darted around frenetically, as if chasing a kite during a hurricane...' When football disappeared in March 2020, writer and broadcaster Daniel Gray used its absence to reflect on everything the game meant to him. That bred a pledge: whenever and wherever fans were allowed to return, he would be there. The Silence of the Stands is the result of that pledge: a joyous travelogue documenting a precarious season, in which behind-closed-doors matches and travel restrictions combined to make trips to Kendal and Workington seem impossibly exotic. Offering a poignant peek at a surreal age and a slab of social history from the two-metre-distanced tea bar queue, this is the moving, heartfelt and surprisingly uplifting story of a unique season that no one wishes to repeat.

Workington Dynamo Stanley Manly,2008-02 Full-on fist, football and - occasional - f***ing action in seventies West Cumbria. Young Dougie Grimton dreams of being in with the right crowd, inside his buxom cousin Kerry and proving himself where it really counts....in a fight! Greyhounds are kidnapped, tramps totalled in car accidents, cigarettes are smoked, a herd of pigs get used as an opposing team in football training and all the time, the nearby nuclear power station leaks a grim poison that grabs the local lads, by the balls.

A Football Compendium Peter J. Seddon,Cynthia McKinley,British Library,1999 This bibliography is an entertaining and knowledgeable tribute to the beautiful game. The second edition features over 2000 new entries - including greatly increased coverage of football films and music - making over 7000 references to books and other items in total.

Armchair Nation Joe Moran,2013-08-22 But what does your furniture point at?' asks the character Joey in the sitcom Friends on hearing an acquaintance has no TV. It's a good question: since its beginnings during WW2, television has assumed a central role in our houses and our lives, just as satellite dishes and aerials have become features of urban skylines. Television (or 'the idiot's lantern', depending on your feelings about it) has created controversy, brought coronations and World Cups into living rooms, allowed us access to 24hr news and media and provided a thousand conversation starters. As shows come and go in popularity, the history of television shows us how our society has changed. Armchair Nation reveals the fascinating, lyrical and sometimes surprising history of telly, from the first demonstration of television by John Logie Baird (in Selfridges) to the fear and excitement that greeted its arrival in households (some viewers worried it might control their thoughts), the controversies of Mary Whitehouse's 'Clean Up TV' campaign and what JG Ballard thought about Big Brother. Via trips down memory lane with Morecambe and Wise, Richard Dimbleby, David Frost, Blue Peter and Coronation Street, you can flick between fascinating nuggets from the strange side of TV: what happened after a chimpanzee called 'Fred J. Muggs' interrupted American footage of the Queen's wedding, and why aliens might be tuning in to The Benny Hill Show.

"Hope You Die of Cancer"e; Marvin Close,2022-01-17 A million miles away from the rich uplands of the Premier League lies the Poundland world of non-league football. A far grittier version of the beautiful game, it's a glorious ragbag of former EFL clubs on the down, impoverished minnows and ambitious outfits on the make, played by a mix of full-time, part-time and amateur performers. This is the inside story of life in the lower reaches of English football, seen through the eyes of a player with over a decade's experience in the Conference and National Leagues. Footballer X lifts the lid on never-before-told stories of dust-ups, bust-ups, backhanders and betting scandals, the players lucky enough to get contracts and the rest who live precariously from game to game. It's a story of constant financial struggle, big sacrifices and small victories from owners, fans and players alike. Our footballer is still playing, so the cloak of anonymity allows him to give us a true picture of what life is really like playing as a non-league footballer today.
