The Complete Works of Charles Dickens Charles Dickens,2009-01-01 It is impossible to overstate the importance of British novelist CHARLES DICKENS (1812-1870) not only to literature in the English language, but to Western civilization on the whole. He is arguably the first fiction writer to have become an international celebrity. He popularized episodic fiction and the cliffhanger, which had a profound influence on the development of film and television. He is entirely responsible for the popular image of Victorian London that still lingers today, and his characters-from Oliver Twist to Ebenezer Scrooge, from Miss Havisham to Uriah Heep-have become not merely iconic, but mythic. But it was his stirring portraits of ordinary people-not the upper classes or the aristocracy-and his fervent cries for social, moral, and legal justice for the working poor, and in particular for poor children, in the grim early decades of the Industrial Revolution that powerfully impacted social concerns well into the 20th century. Without Charles Dickens, we may never have seen the likes of Sherlock Holmes, Upton Sinclair, or even Bob Dylan. Here, in 30 beautiful volumes-complete with all the original illustrations-is every published word written by one of the most important writers ever. The essential collector's set will delight anyone who cherishes English literature...and who takes pleasure in constantly rediscovering its joys. This volume contains the tales of Christmas Dickens published in his own magazines, Household Words and All the Year Round, in the 1850 and 1860s, including: The Seven Poor Travellers, The Holly-tree Inn, The Haunted House, The Schoolboy's Story, A Message from the Sea, What Christmas Is as We Grow Older, and others.

The Posthumous Papers of the Pickwick Club Charles Dickens, 1842

The Old Curiosity Shop Charles Dickens, 2014-05-21 Night is generally my time for walking. In the summer I often leave home early in the morning, and roam about fields and lanes all day, or even escape for days or weeks together; but, saving in the country, I seldom go out until after dark, though, Heaven be thanked, I love its light and feel the cheerfulness it sheds upon the earth, as much as any creature living. I have fallen insensibly into this habit, both because it favours my

infirmity and because it affords me greater opportunity of speculating on the characters and occupations of those who fill the streets. The glare and hurry of broad noon are not adapted to idle pursuits like mine; a glimpse of passing faces caught by the light of a street-lamp or a shop window is often better for my purpose than their full revelation in the daylight; and, if I must add the truth, night is kinder in this respect than day, which too often destroys an air-built castle at the moment of its completion, without the least ceremony or remorse.
