**The World Encyclopedia of Flags** Alfred Znamierowski,2013 Throughout the ages flags have been a means of cultural and national identity, communication, and a means of representation for groups and associations. Compiled by a leading authority this book is a definitive and exhaustive visual reference to international flags, from the largest countries to the smallest states. Split into two sections, the first part of the book presents a fascinating overview of the history of flags, from the 3rd century BC to the 21st century. The second section covers over 600 flags in current use, including a continent-by-continent examination of countries, territories, organizations, individuals and causes. Lavishly illustrated, this book is both a stunning reference book and an invaluable resource. Fascinating and compelling, it offers historical, geographical and political insights into one of our most ancient forms of identification and communication.

**Why Don't Country Flags Use The Color Purple?** After Skool,2019-04-16 There are 196 countries on earth and none of them use purple on their national flag! What's wrong with purple? It's such a popular color today. Why would no country want it on their flag? Sometimes the simplest questions have the most extraordinary answers! This is the incredible true story of purple! Take a journey back to a time when purple dye was worth more than gold, diamonds or castles. This book was inspired by our original animation that has gone viral across the world. We decided to expand the story and enhance the art. Our mission is to make learning fun and to teach ideas that you won't necessarily find in a classroom.
