World Peace Foundation

World Peace Alex J. Bellamy, 2019-09-12 For as long as there has been war, there have been demands for its elimination. The quest for world peace has excited and eluded political leaders, philosophers, religious elders, activists, and artists for millennia. With war on the rise once again, we rarely reflect on what world peace might look like; much less on how it might be achieved. World Peace aims to change all that and show that world peace is possible. Because the motives, rationales, and impulses that give rise to war - the quest for survival, enrichment, solidarity, and glory - are now better satisfied through peaceful means, war is an increasingly anachronistic practice, more likely to impoverish and harm us humans than satisfy and protect us. This book shows that we already have many of the institutions and practices needed to make peace possible and sets out an agenda for building world peace. In the immediate term, it shows how steps to strengthen compliance with international law, improve collective action such as international peacekeeping and peacebuilding, better regulate the flow of arms, and hold individuals legally accountable for acts of aggression or atrocity crimes can make our world more peaceful. It also shows how in the long term, building strong and legitimate states that protect the rights and secure the livelihoods of their people, gender equal societies, and protecting the right of individuals to opt-out of wars has the potential to establish and sustain world peace. But it will only happen, if individuals organize to make it happen.

How to Achieve World Peace Jim Des Rocher, 2004 This book deals with plans to achieve a true World Peace. Achieving World Peace is a subject that has never been

openly discussed by the people of this world before. The content of this book is original because a real, workable, plan for achieving World Peace has never been offered to the people of this world because it can change the way we live in this world. Violence and wars have been a part of our lives since the beginning of the human race, and now this book is offering, for the first time, a chance to live in a world that is dominated by peace. This book takes a serious look at civilizing this world for the first time, and offers a simple way to go about civilizing this world. This book takes the dreams of achieving World Peace and makes achieving World Peace a reality. This book solves the mystery of how to achieve World Peace. This book shows us how to end all wars and military conflicts, and put an end to all the terrorism in this world. The plan for achieving World Peace laid out in this book is a stroke of political brilliance, because no one in this world could possibly stand against any efforts by the people of this world to achieve true World Peace. When the people in this world are armed with a perfect political issue like achieving World Peace, that no world leader or government could possibly be against, they can easily achieve World Peace. Any political issue like achieving World Peace that has one hundred percent support can not fail. The content of this book is very powerful and will change the way we live on this earth. Injecting a World Peace movement into world politics will force our governments to address the World Peace issue, and when they do, they will have no choice but to accept the plan for achieving World Peace. No government or world leader could ever stand in front of their people and try to explain why World Peace is bad for the people of their country. This book offers an opportunity to all peace loving people in to world to be part of a movement that will lead to a true World Peace.

A Scattered Thought on World Peace Factors: World Peace Business Act Project Number One Infamous Mountain, Fallin Page-Brickers, 2015-06-09 a piece of work that is filled with anticipation, hope, poetic inspirations, and world peace interpretations. it is an excellent book for all to read, ponder, and rethink of love, happiness, and inner peace importance.

The Promise of World Peace The Universal House of Justice, 2015-10-01 The 30th Anniversary Special Edition of *The Promise of World Peace*, prepared for publication by the Baha'i Chair for World Peace at the University of Maryland, College Park, compiles the original 1985 message from the Universal House of Justice to the peoples of the world in ten languages: Arabic, Chinese, English, French, Hindi, Persian, Portuguese, Russian, Spanish, and Swahili. The statement calls attention to the value of establishing agreement on principles from which people of goodwill can devise practical solutions to the barriers to peace.

Sun House David James Duncan, 2023-08-08 An epic comedy about the quest for transcendence in an anything-but-transcendent America, set amid the gorgeous landscapes of the American west: A “spiritual journey” full of “fun, joy, love, courage and compassion” (Pulitzer Prize-winning author Richard Powers) from the author of the perennial cult bestsellers *The River Why* and *The Brothers K*. A random bolt from a DC-8 falls from the sky, killing a child and throwing the faith of a young Jesuit into crisis. A boy’s mother dies on his fifth birthday, sparking a lifetime of repressed anger that he unleashes once a year in reckless duels with the Fate, God, or Power who let the coincidence happen. A young woman on a run in Seattle experiences a shooting star moment that pierces her with a love that will eventually help heal the Jesuit, the angry young man, and innumerable others. The journeys of this unintentional menagerie carry them to the healing lands of Montana and a newly founded community—where nothing tastes better than Maker's Mark mixed with glacier ice, and nothing seems less likely than the soul-filling delight a troupe of spiritual refugees, urban sophisticates, road-weary musicians, and local cowboys begin to find in each other's company. With *Sun House*,

David James Duncan continues exploring the American search for meaning and love that he began in his acclaimed novels *The River Why* and *The Brothers K*.

World Peace and the Human Family Roy Weatherford,1993 Weatherford argues that a profound change in social change is imminent as national sovereignty yields to a democratic world culture. He argues that world peace is both politically and economically possible and is therefore our moral duty.

World Peace Nsikan Inokon,2008-01-21 *WORLD PEACE, THE CRY AND CRIER* is a critical examination of the factors responsible for the spoken world peace. It offers a road-map to realistic peaceful coexistence for which the United Nations was formed in 1945. The author, Nsikan Inokon, recalls the untold number of wars prior to, and after, the rise of nation-states, colonialism, and mercantilism. He asks, How Many More Wars? before the much-sought-for world peace is attained. He has proffered the sure road to realistic world peace. This book is a challenge to the world to embrace peace. It is a must-read by all advocates and lovers of peace, who consider world peace as a mission the world began since its creation without reaching its destination yet.
