A Sinner in Mecca Parvez Sharma,2017-08-15 From the recipient of a 2018 Guggenheim Fellow Based on the New York Times' Critic Pick documentary The first book about the Hajj from a gay perspective, written by a man with a deep knowledge of Islamic history. This pilgrimage is the centerpiece of his book, and he recounts it with courage and fierce emotion. —The Guardian This is the Islam you've never been allowed to see. Daringly reported from its frontlines and forbidden to most of humanity for centuries. The Hajj pilgrimage is a journey every Muslim is commanded by God to go on at least once in a lifetime if they are able and, like millions, Parvez Sharma believes his spiritual salvation lies at Islam's ground zero, Mecca. But unlike the journeys of his fellow Muslims, the consequences of his own could be deadly. In *A Sinner in Mecca*, author, filmmaker, and 2018 Guggenheim Fellow Parvez chronicles his pilgrimage as a very openly gay Muslim to Saudi Arabia, where Islam's heart beats . . . and where being true to himself is punishable by death. Risking his life, Parvez embarks on a Jihad of the self—filming his experience along the way. Already under fire for his documentary *A Jihad for Love*, which looks at the coexistence of Islam and homosexuality, he would undoubtedly face savage punishment if exposed—from being thrown off a cliff to public beheading. Parvez's odyssey is at once audacious, global, and remarkable. He meets everyone from extremists to explorers of the spiritual kind and the world they open up is frightening . . . yet breathtaking. In Mecca, Parvez comes out to a pilgrim, who then asks him why he would want to be part of something that wants no part of him. This book is his answer to this question and many more. Parvez provides an unflinching look at our troubling unfolding history, including Hizbullah, ISIS, Trump, the race-wars, an embattled Europe, and more. He offers real solutions, borne of his efforts to get his hands dirty to find them. This is a lived history—and its

author is no armchair theorist. Following the New York Times Critics' Pick hit documentary of the same title, *A Sinner in Mecca* unflinchingly showcases parts of the dangerous ideology that governs today's ISIS and how much it has in common with Saudi Arabia's sacred, yet treacherous dogma, Wahhabi Islam. *A Sinner in Mecca* is simultaneously one man's personal odyssey as well as a groundbreaking, provocative revelation of a clandestine world and its fastest growing and most contested religion.

In the Hands of the Taliban Yvonne Ridley, 2014-06-05 Yvonne Ridley's terrifying 10 day detainment by the Taliban regime in Afghanistan struck a chord that continues to resonate around the world. At a time when the world was plunged into a state of unprecedented chaos and uncertainty following the terrorist atrocities in the US, Yvonne faced the ordeal of her life. Captured by the Taliban as she attempted to cross the Afghan border to report on the outbreak of war for the *Sunday Express*, Yvonne found her life hanging in the balance in the hands of the most reviled regime in the world. For Yvonne, an unexpected survival instinct kicked in that saw her face her captors not with fear, but with anger. Her courage and gutsiness, and that of her family, prompted the Taliban to release her, glad to be rid of such

a so-called 'difficult' woman. This is Yvonne's full, true story. From her capture, to the ordeal she endured at the hands of the Taliban, to her eventual release; she offers a unique perspective into a way of life that remains a mystery to many. The friendships she formed with her fellow hostages, her feelings about her captors and their beliefs, and her discoveries -- many of which surprised and baffled her -- are all exclusively revealed in detail. Yvonne's story is a truly compelling and inspirational read.

Gender and Sexuality in Male-Dominated Occupations Tessa Wright, 2016-06-23 Examining women's diverse experiences of male-dominated work, this ground-breaking book explores what sexuality and gender means to women working in the construction and transport industries. Using accounts from heterosexual women and lesbians working in professional, manual and operational roles, *Gender and Sexuality in Male-Dominated Occupations* adopts an intersectional approach to examine advantage and disadvantage on the basis of gender, sexuality and occupational class in these sectors. Drawing on interviews and focus groups, the author examines why women choose to enter male-dominated industries, their experiences of workplace relations, their use of women's support networks and trade unions, and the interface between home and work lives. Presenting international and UK-based examples of effective interventions to increase women's participation in male-dominated work, this important book highlights the need for political will to tackle women's underrepresentation, and suggests directions for the future.

The Top Gear Story - The 100% Unofficial Story of the Most Famous Car Show... In The World Martin Roach, 2011-02-07 From humble beginnings as a 1970s motoring show, Top Gear has gone on to achieve diesel-powered world domination. After Clarkson and producer Andy Wilman successfully pitched a new format to BBC bosses, Top Gear returned to become the irreverent, funny and often controversial show we now know and love. The Star in a Reasonably Priced Car, the Cool Wall and Power Laps by the mysterious Stig have all become staples of Britain's favourite Sunday evening entertainment. Recent series have been defined by their madcap challenges such as driving across Africa in clapped-out bangers - with predictably hilarious results. However, the show's most shocking moment came in 2006, when Hammond suffered serious head injuries while driving a Vampire turbojet drag racing car at over 300mph. Clarkson, Hammond and May; they are the politically-incorrect-joking, stone-washed-denim-wearing, bloke-hero trio for the modern(ish) age. This brilliant, detailed book is fitting tribute to the show, its presenters and its most memorable moments.

how the fork got in his eye. Her two girlfriends are going to have to help her ditch the body, but everyone will find out that evil isn't that easy to get rid of... in Shady. Murder has never been so sassy, so spicy, so SHADY. You'll never look at pork the same way again!

American Women Report World War I Chris

Dubbs, 2021-04-15 In the opening decades of the 20th century, war reporting remained one of the most well-guarded, thoroughly male bastions of journalism. However, when war erupted in Europe in August 1914, a Boston woman, Mary Boyle O'Reilly, became one of the first journalists to bring the war to American newspapers. A Saturday Evening Post journalist, Mary Roberts Rinehart, became the first journalist, of any country, of any gender, to visit the trenches. These women were only the first wave of female journalists who covered the conflict. American Women Report World War I collects more than 35 of the best of their articles and those that highlight the richness of their contribution to the history of the Great War. Editor Chris Dubbs provides section introductions for background and context to stories such as "Woman Writer Sees Horrors of Battle," "Star Woman Runs Blockade," and "America Meets France." The work of female journalists focuses more squarely on individuals caught in the conflict—including themselves. It offers a valuable counterpoint to the male, horror-of-the-trenches experience and demonstrates how World War I served as a catalyst that enabled women to expand the public forum for their opinions on social and moral issues.
