Courageously Expecting Jenny Albers,2022-01-11 Using Scripture and personal narrative, Courageously Expecting empathizes with and empowers women to face a pregnancy after loss with faith and courage, despite inevitable feelings of grief and fear that accompany life after losing a baby. Pregnancy is widely regarded as the most joyful time in a woman's life, but for the mother who has experienced pregnancy loss, a subsequent pregnancy can feel like she's holding her breath and hoping for what she can't control. In Courageously Expecting, Jenny Albers meets women in this difficult season as someone who has also experienced the worst and cautiously hoped for the best. Through the telling of her own story, Scripture, and heartfelt prayer, she encourages readers to cling to faith in the face of fear and guides them to cultivate hope when doubt weighs heavy; realize that the past does not dictate the present or the future and that God creates a way in the wilderness of grief and loss; flip the script on the what-if, worst-case-scenario narrative in their minds and learn to take their thoughts captive; and find the courage to humble themselves and ask for and accept help from others. Regardless of where readers are on their pregnancy after loss journey, Courageously Expecting is a companion to help them through the days when fear overshadows hope.

Worry-Free Money Shannon Lee Simmons,2017-12-19 NATIONAL BESTSELLER A fresh way to think about your money. David Chilton, author of The Wealthy Barber Stop budgeting. Start living. Managing your money can be frustrating and confusing. Life is expensive. Whether you make \$30,000 or \$130,000 a year, it can feel like you're constantly broke. Can you afford that new car, that

vacation, that night out? You think so, but it feels impossible to know. And rigid budgets that force you to spend your money in unrealistic ways (like \$9.50 per week for pants) don't make things any clearer. But what if there was a new way to manage your money? One that left you certain you had your bases covered—both for your monthly bills and your future retirement—and then let you enjoy your money by spending it. (Yes, really.) Enter Shannon Lee Simmons, a fresh voice in the world of personal finance, one who understands the new and very real pressures to survive modern life and keep up in the age of social media. Shannon doesn't lecture, judge or patronize. The founder of the wildly popular New School of Finance, Shannon recognized that most of her thousands of financial planning clients felt broke, no matter what their income. And feeling broke can be as bad as actually being broke, because it leads to overspending and misery. So she came up with a new plan: Worry-Free Money. Worry-Free Money takes a fresh approach to finances, looking at the root cause of the pressure to spend and showing why traditional budgets don't work. It is a deeply practical book that will help you break the cycle of guilt, understand why you overspend, banish unhappy spending from your life, learn to recognize your f*ck it moments and find hope—and fun—in getting your money under control.
