Would You Rather Allison Ashley, 2022-08-23 Pitch-perfect...gives me all the feels, and I love every one of them!—Ali Hazelwood, New York Times bestselling author of *The Love Hypothesis* “Ashley makes favorite rom-com tropes feel new again with a pitch-perfect friends-to-lovers story.” —Publishers Weekly starred review Would you rather play it safe in the friend zone, or risk it all with a modern marriage of convenience? Noah and Mia have always been best friends, and their friendship is the most important thing to them. Life is going great for Noah and he's up for a promotion in a job he loves. But Mia's life is on hold as she awaits a kidney transplant. She's stuck in a dead-end job and, never wanting to be a burden, has sworn off all romance. So when the chance of a lifetime comes to go back to school and pursue her dream, it's especially painful to pass up. She can't quit her job or she'll lose the medical insurance she so desperately needs. To support her, Noah suggests they get married—in name only—so she can study full-time and still keep the insurance. It's a risk to both of them, with jobs, health and hearts on the line, and they'll need to convince suspicious coworkers and nosy roommates that they're the real deal. But if they can let go of all the baggage holding them back, they might realize that they would rather be together forever.

The Ideal Team Player Patrick M. Lencioni,2016-04-25 In his classic book, *The Five Dysfunctions of a Team*, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In *The Ideal Team Player*, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

Acts Bible Study Guide plus Streaming Video Randy Frazee, 2023-05-30 Engage in the work of Jesus and His Church in new and exciting ways. In the book of Acts, we see God's church growing and taking shape—setting itself apart from the culture of hatred and excess surrounding it and becoming a revolution of hope to a broken world. Today, we are writing the last chapter of Acts in our own lives... In this six-week Bible study, bestselling author and pastor Randy Frazee will guide you through this “revolution of faith.” You'll trace the unlikely growth of the movement, as recorded in the book of Acts, from a marginalized man in Nazareth (Jesus), to twelve marginalized men from Galilee (the disciples), to the regions of Judea and Samaria, and ultimately to the ends of the earth—encompassing some 2.4 billion followers of Jesus today. This study guide has everything you need for a full Bible study experience, including: The study guide itself—a 40 Day reading plan through Acts with discussion and personal reflection questions, video notes, and a leader's guide. An individual access code to stream all video sessions online. (DVD sold separately for those who want one.) Sessions and video run times: Here's the Church / Acts 1:1–6:7 (17:00) Sticks and Stones / Acts 6:8–9:31 (17:00) Saints Among Us / Acts 9:32–12:24 (17:00) The Power of Grace / Acts 12:25–16:5 (16:00) Elephant or Virus? / Acts 16:6–19:20 (16:00) Cry Uncle / Acts 19:21–28:31 (17:00) The 40 Days Through the Book series helps you actively engage with God's Word. Each study encourages you to read through a book of the Bible at least once during the course of the study. As you do, you will gain an understanding of the background and culture of the book, insights into key passages that you might have overlooked before, and clear takeaways that you can apply today to your life. Factfulness Hans Rosling, Anna Rosling Rönnlund, Ola Rosling, 2018-04-03 INSTANT NEW YORK TIMES BESTSELLER “One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.” – Bill Gates “Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly.” —Melinda Gates Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases. - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in poverty; why the world’s population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don’t know what we don’t know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn’t mean there aren’t real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- “This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn’t enough. But I hope this book will be.” Hans Rosling, February 2017.

The Founder's Dilemmas Noam Wasserman, 2013-04 The Founder's Dilemmas examines how early decisions by entrepreneurs can make or break a startup and its team. Drawing on a decade of research, including quantitative data on almost ten thousand founders as well as inside stories of founders like Evan Williams of Twitter and Tim Westergren of Pandora, Noam Wasserman reveals the common pitfalls founders face and how to avoid them.

American Sniper Chris Kyle, Scott McEwen, Jim DeFelice, 2012-01-03 The #1 New York Times bestselling memoir of U.S. Navy SEAL Chris Kyle, and the source for Clint Eastwood’s blockbuster, Academy-Award nominated movie. “An amazingly detailed account of fighting in Iraq—a humanizing, brave story that’s extremely readable.” — PATRICIA CORNWELL, New York Times Book Review Jaw-dropping...Undeniably riveting. —RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him “The Legend”; meanwhile, the enemy feared him so much they named him al-Shaitan (“the devil”) and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of

war on their family, as well as on Chris. Gripping and unforgettable, Kyle’s masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.
