Would You Rather? Katie Heaney,2018-03-06 A collection of poignant, relatable essays from the author of *Never Have I Ever* about coming out in her late twenties, entering into her first relationship, and figuring out what it means to be an adult. When Katie Heaney published her first book of essays, chronicling her singledom up to age twenty-five, she was still waiting to meet the right guy. Three years later, a lot changed. For one thing, she met the right girl. Here, for the first time, Katie opens up about realizing at the age of twenty-eight that she is gay. In these poignant, funny essays, she wrestles with her shifting sexuality and identity, and describes what it was like coming out to everyone she knows (and everyone she doesn't). As she revisits her past, looking for any “clues” that might have predicted this outcome, Katie reveals that life doesn't always move directly from point A to point B—no matter how much we would like it to. In a warm and relatable voice, Katie tackles everything from the trials of dating in New York City to the growing pains of her first relationship, from obsessing over Harry Styles (because, actually, he does look a bit like a lesbian) to learning to accept herself all over again. Exploring love and sexuality with her neurotic wit and

endearing intimacy, Katie Heaney shares the message that it's never too late to find love—or yourself. Praise for *Would You Rather?* “[Katie] Heaney’s not afraid to examine her past for ‘clues’ to what she realizes is her truth in the present, and reflects on her changing identity with honesty and wit.”—NYLON “An honest, endearing, and laugh-out-loud account of coming to terms with one’s sexual identity.”—W Magazine “*Would You Rather?* is an extraordinarily generous and affecting book. Katie Heaney has written something with a remarkable amount of room in it—enough for anyone to spread out and connect with. It’s deeply felt, clear-eyed, joyful, and illuminating.”—Mallory Ortberg, author of *Texts from Jane Eyre: And Other Conversations with Your Favorite Literary Characters* “Whether you’re single or in a relationship, whether you’re queer, straight, or questioning, whether or not you’re partial to Harry Styles—you will discover something relatable and self-affirming in this honest, heartfelt, hilarious memoir.”—Camille Perri, author of *The Assistants*

**Would You Rather** Allison Ashley, 2022-08-23 Pitch-perfect...gives me all the feels, and I love every one of them!—Ali Hazelwood, New York Times bestselling author of *The Love Hypothesis* “Ashley makes favorite rom-com tropes feel new again with a pitch-perfect friends-to-lovers story.” —Publishers Weekly starred review Would you rather play it safe in the friend zone, or risk it all with a modern marriage of convenience? Noah and Mia have always been best friends, and their friendship is the most important thing to them. Life is going great for Noah and he’s up for a promotion in a job he loves. But Mia’s life is on hold as she awaits a kidney transplant. She’s stuck in a dead-end job and, never wanting to be a burden, has sworn off all romance. So when the chance of a lifetime comes to go back to school and pursue her dream, it’s especially painful to pass up. She can’t quit her job or she’ll lose the medical insurance she so desperately needs. To support her, Noah suggests they get married—in name only—so she can study full-time and still keep the insurance. It’s a risk to both of them, with jobs, health and hearts on the line, and they’ll need to convince suspicious coworkers and nosy roommates that they’re the real deal. But if they can let go of all the baggage holding them back, they might realize that they would rather be together forever.
