Hypercar David Jubernann,2015-02-01 Getting caught at over double the speed limit throws Ollie’s life into a spin that sees him wrongly convicted, deported and ultimately drawn into the high-stakes world of illegal street racing. A lost battle and a chance encounter with a beautiful, yet mysterious girl triggers a roller coaster of events totally beyond his control. He and his friends must now race against time and fight not only for justice but for their very survival. Sometimes winning is everything... ..and sometimes losing’s not an option. Going beyond the realm of supercars, with speeds in excess of 400km/h, Hypercar is a high-octane story that will have you sitting on the edge of your seat...

No Regrets Courtenay O'Bryan,2023-07-10 In the last year, Briony Gossage's life has been turned upside down by a nasty divorce, the loss of her parents, and a nightmarish new boss. To top it all off, she's now an empty nester, feels unloved, is lonely, depressed, and totally stressed about turning fifty. She desperately wants to reinvent herself but doesn't know how until a letter from a lawyer changes the course of her life forever. A total stranger has died and left the bulk of her estate to Briony. The estate not only includes a hefty sum of money but a quirky cottage called Three Hens on a small island in Maine, a flock of free-range chickens, and a cairn terrier. Briony moves to Three Hens, hoping to learn about her mysterious benefactor. But along the way, she learns that fifty is the new thirty, her empty nest maybe isn't as empty as she had imagined, and life is teeming with possibilities...especially when it comes to love. Spend a summer on the island with Briony as she reinvents herself and commits to leading a life of no regrets. Please also put as many of these reviews as possible: Praise for No Regrets: It's hard to resist a story that takes place on an island. A great read to while away the hours, especially if you're shipwrecked. - Gilligan I love it when there's even just a hint of a friendly ghost in a tale. - Casper A perfect mystery to savor on a chilly day in front of a crackling fire with a pot of Earl Grey tea and a currant scone. - Miss Marple Forget the tea and crumpets, honey. I read it on a blazing hot day in a cabana with a pitcher of martinis and some caviar. An utterly divine story! Hiccup. And that Briony has some spunk. You go, girl! - Mae West Frankly, I don't give a damn what Scarlett says. She's delusional. Always has been. Briony is nothing like Scarlett, thank god. Briony is everything a woman should be: unselfish, compassionate, smart, and witty. I wish I'd met her first. - Rhett Butler Any story with a cairn terrier is bound to become a bestseller. I give it ten woofs. - Toto To be continued...

Midlife Crisis Audra North,2017-08-28 Cam McGhee grew up like any other small-town Texas farm boy: he played football, went to church every Sunday, and married his high school sweetheart. But thirty-five years after he said I do, Cam finds himself nursing a beer in a gay bar, thinking about what might have been. Dave Montoya is confident, self-assured, and cautiously single. But when he meets shy, uncertain, and clearly-still-not-out Cam in a coffee shop in Austin, his reservations about getting seriously involved again disappear. Cam is everything he’s looking for in a partner . . . almost, anyway. No matter how much Dave wants him, and how good they are together, Cam can't bring himself to openly embrace the life he was meant to live. After all, when his secret finally gets out, he faces the very real possibility of losing everything that kept him going for the first fifty years of his life, just like he’s feared for so long. But with a little faith—and a lot of love—his dream of living fully, truly, as himself might finally be within reach.

She spent her life under the rule of the omnipotent Gi Force, the martial tyrants who control the world’s universal government. Then one day, her baby brother, the only family she has left, is fatally poisoned in the mine. As she watches his slow decline toward death, she resolves to save him at any cost. Deep within one of the Gi Force’s secure vaults lies her only hope to cure the poison, a healing stone called Aeraden. The stone, legend says, is used to create the cure-all, the panacea. Together with Tom, her best friend and fellow slave, they formulate a plan to escape and steal Aeraden from the Gi Force. As they struggle against the tumultuous odds, Camilla learns the depth of the Gi’s deception and their devastating power. Weary and nearly broken by the desolation of her enslavement and the hopelessness of her predicament, she scrambles to continue on. Squished: A Graphic Novel Megan Wagner Lloyd,2023-03-07 From the Eisner-nominated duo behind the instant bestseller Allergic comes a fun new graphic novel about finding your own space... especially when you're in a family of nine! Eleven-year-old Avery Lee loves living in Hickory Valley, Maryland. She loves her neighborhood, school, and the end-of-summer fair she always goes to with her two best friends. But she's tired of feeling squished by her six siblings! They're noisy and chaotic and the younger kids love her a little too much. All Avery wants is her own room -- her own space to be alone and make art. So she's furious when Theo, her grumpy older brother, gets his own room instead, and her wild baby brother, Max, moves into the room she already shares with her clinging sister Pearl! Avery hatches a plan to finally get her own room, all while trying to get Max to sleep at night, navigating changes in her friendships, and working on an art entry for the fair. And when Avery finds out that her family might move across the country, things get even more complicated. Megan Wagner Lloyd and Michelle Mee Nutter have once again teamed up to tell a funny, heartfelt, and charming story of family, friendship, and growing up.

Deanna Marie Kontos,2014-12-12 Death is not the end. I believe most people will be cherished and remembered for how they lived their lives and for the impressions they left behind; Deanna, no doubt, had many. She had a profound impact on people—family, friends, even strangers. Her love for her daughter, Elle, was immeasurable; her energy, limitless; her generosity, unstinting; and her work ethic, intense and competitive. But as hard as she tried, as amazing and beautiful as she was, she couldn’t conquer the demons deep within her. I am thankful for all my memories. They make it possible to transform, to some extent, my deep sadness into moments of joy and even laughter. Elle, I hope that with these words you will discover some of the complexities of your mother’s distinctive and remarkable life. This book is for you.
