Pro Wrestling Trivia Contest: 1700 Legendary Veterans of the Squared Circle Brutus Rucker,2021-08-27 The art of professional wrestling is unique: combining legitimate athleticism, theater, hard work, and entertainment. The history of pro wrestling is the history of many pioneering men and women who elevated the model from a sideshow act in a carnival to a global entertainment juggernaut that can be seen in hundreds of countries, and that earns billions of dollars in TV rights every single year. To understand the mechanism that propelled this art form into the mainstream of world culture, we need to learn more about the wrestlers themselves. The first step in that goal is to familiarize ourselves with as many unique names of wrestlers as possible. In this book, you will attempt to end up with the names of a large number of veterans of the squared circles. Some were around in the early days, when the territory system was still in effect. Some have risen to prominence recently; the proliferation of new media and a larger global platform has helped their ascension to the very top of the modern pro wrestling mountain. All the best in your journey to prove that you are the ultimate fan of professional wrestling!
