The Perfect Wine Cellar Chiara Giannotti, 2019-05-21 This sophisticated volume imagines an ideal wine cellar, a collection of the most expensive and prestigious wines from around the world. Every label that has had a great impact on the history of wine is included. In recent years, wine has become a luxury item, a collectible, and an investment, as well as a simple commodity. The bottles themselves have become cult objects. This book celebrates the rarest wines that are sought after by collectors and coveted by enthusiasts and connoisseurs. Wine collecting is a hobby that takes time, but will ultimately reap satisfying rewards. Owning a large collection of the best wines makes these wine collections remarkable. More and more people have become passionate about exclusive wines and possess prestigious collections, including some bottles that date back to the nineteenth century. This is the perfect book for those avid and passionate wine collectors. Each section includes an introduction on each wine region's history, landscapes, distinctive qualities, major wineries, the most prestigious wines, notable collectors, and bottles considered works of art. The volume is completed with

discussions of the world of collectibles, significant trends, and the major auction houses. It also includes gorgeous photographs of prominent collectors' cellars and information on one-of-a-kind bottles that will help aspiring collectors navigate a world that has become increasingly exclusive.

Harvests of Joy Robert Mondavi, 1999-10-07 A true story of midlife transformation by the Napa Valley entrepreneur who put California's wine industry on the map. In 1965, after a notorious family feud, Robert Mondavi—then fifty-two years old—was thrown out of his family's winery. Far from defeated, Mondavi was dedicated to a vision of creating a superior wine. What has happened since that fateful day is one of the greatest success stories of American business. Today, the Robert Mondavi Winery is one of the most respected in the world, and Mondavi is the man who is most responsible for the worldwide recognition of American wine making, as well as changing America's palate for fine wine and food. In *Harvests of Joy*, Mondavi shares how his passion for excellence helped him to achieve this extraordinary position, one he reached not without pain and sacrifice. With invaluable insider tips on his approach to both wine making and running a business,

Mondavi's inspirational story is "a grand example of the fact that in America you can pretty much be, do, or accomplish, whatever you set out to" (Ventura County Star).
