Rude Bitches Make Me Tired Celia

Rivenbark,2013-10-22 In this always sensible and mildly profane etiquette manual for the modern age Celia Rivenbark addresses real-life quandaries ranging from how to deal with braggy playground moms to wondering if you can have sex in your aunt's bed on vacation to correctly grieving the dearly departed (hint: it doesn't include tattoos or truck decals). **Rude Bitches Make Me Tired** will provide answers to all your mannerly questions as Celia discusses the social conundrums of our day and age, including: Navigating the agonies of check splitting (Who had the gorgonzola crumbles and should we really care?)The baffling aspects of airline travel (such as Recline Monster and other animals)The art of the visit (always leave them wanting more . . . much more)Gym and locker etiquette (hint: no one wants to talk to you while you're buck naked)Office manners (Loud talkers, cake hawkers, and Britney Sue's unfortunate cyst)And much more! Good manners have never been so wickedly funny!

Total Memory Makeover Marilu Henner, 2013-05-07
If you could remember the confidence you felt when your prom date said yes, could it embolden you to ask for a raise today? Would the details of your early days with a heartbreaking ex help you recognize the potential red flags in a new romance? Marilu Henner says, Yes! In this revolutionary book, the author and memory expert helps you develop the ability to remember more of your past, to recall it more clearly, and most of all, to understand your memories as a blueprint for your future. While most of us may prefer to keep the unhappy times buried, Marilu has learned that only by remembering what happened then can we change our lives for a better now. This book will help you: stop turning painful memories into emotional baggage; discover your personal Memory Track; unlock repressed memories that are holding you back; recall memories faster and stop them from fading; and teach your kids to have great memories too.--From publisher description.

An Unwelcome Arrangement Joe Benson, 2021 Rose McDougal lives in a decrepit apartment, an oven in the summer and an icebox in the winter. She drives an old beater, a vehicle with a seeming contempt for its occupants. She has no man in her life. In fact, she's never had one. Making matters worse, Rose is cursed with a deep-rooted depression, the by-product of an abusive dad. Her professional life is no better. Her quest to fill a full-time

teaching position in a Nashua junior high school ends in failure. Making matters worse, she loses her gig as a sub. Jobless and on the fast track to poverty, Rose is desperate. While recovering in a hospital room, an Irish mobster named Patrick Donnelly, a dangerous man who once helped out Rose's dad, pays her a visit. He insists on helping Rose get back on her feet. But as she soon discovers, his motives are purely self-serving. Before long, Rose is drawn into a life of crime and constant danger involving drugs, from delivery to sales and beyond. Gone are any illusions of living a routine, 9-to-5 life in some sheltered suburb. In its place, the possibility of death lay in wait behind every door and around every corner.
