#Wwe Dru Jeffries,2019-10-24 The millions of fans who watch World Wrestling Entertainment (WWE) programs each year are well aware of their role in building the narrative of the sport. #WWE: Professional Wrestling in the Digital Age explores the intersections between media, technology, and fandom in WWE's contemporary programming and business practices. In the Reality Era of WWE (2011 to the present), wrestling narratives have increasingly drawn on real-life personalities and events that stretch beyond the story-world created and maintained by WWE. At the same time, the internet and fandom have a greater influence on the company than ever before. By examining various sites of struggle and negotiation between WWE executives and in-ring performers, between the product and its fans, and between the company and the rest of the wrestling industry, the contributors to this volume highlight the role of various media platforms in shaping and disseminating WWE narratives. Treating the company and its product not merely as sports entertainment, but also as a brand, an employer, a company, a content producer, and an object of fandom, #WWE conceptualizes the evolution of professional wrestling's most successful company in the digital era.

Wrestling's New Golden Age Ronald Snyder,2017-08-08 Ever since the “Monday Night Wars,” where WWE and WCW battled for wrestling supremacy (with the WWE coming out on top), there was now only one game in town. If fans wanted to watch wrestling, it was WWE or bust. That is no longer the case. Wrestling's New Golden Age is both a historical look at the sport, while showing how everything has finally come full circle. Going back to the past, the sport was originally territory-based, with wrestlers traveling across the country from promotion to promotion. From the East coast (Jim Crockett, WWWF) down to Texas (World Class) and all the way up to Canada (Stampede), wrestling was run on an individual level. But once Vince McMahon Jr. came into the picture, that all changed. While the territory system is long gone, indie wrestling is bigger than ever. Whether it's ROH, CZW, NXT, NJPW, or any of the other numerous promotions, wrestling has a new face. With information spreading online through social media and video streaming, fans are able to watch wrestling on a consistent basis, as opposed to only when the WWE is on TV. They not only have more options, but are able to watch wrestlers travel up the ranks to the “big show.” Now when a wrestler from the indie's makes his WWE appearance, he already has a gimmick, a storyline, and a faithful fanbase. As can be seen with CM Punk, Daniel Bryan, and many others, the independent promotions are the new face of professional wrestling. Featuring interviews with wrestling stars, including Jake Roberts, Jim Ross, Rob Van Dam, Matt Hardy, Tommy Dreamer, and numerous others, Wrestling's New Golden Age shares how the wrestling world has finally come full circle, to the joy of fans across the globe.

Identity in Professional Wrestling Aaron D. Horton,2018-03-04 Part sport, part performance art, professional wrestling's appeal crosses national, racial and gender boundaries--in large part by playing to national, racial and gender stereotypes that resonate with audiences. Scholars who study competitive sports tend to dismiss wrestling, with its scripted outcomes, as fake, yet fail to recognize a key similarity: both present athletic displays for maximized profit through live events, television viewership and merchandise sales. This collection of new essays contributes to the literature on pro wrestling with a broad exploration of identity in the sport. Topics include cultural appropriation in the ring, gender non-conformity, national stereotypes, and wrestling as transmission of cultural values.

Grappling with Representation in the WWE Lowery A. Woodall (III),2022 This book explores the myriad ways that the WWE and Vince McMahon have shaped the opinions of their audience around issues of diversity and inclusion. The author critically analyzes what viewers are being taught by the messages that McMahon and the WWE craft about issues like race, gender, and sexuality--

The Legacy ,
Deuce 'n Domino ,

Ringmaster Abraham Josephine Riesman,2024-04-16 This definitive biography of Vince McMahon, former WWE chairman and CEO, is “riveting, essential reading” (Rick Perlstein, New York Times bestselling author) as it charts his rise from rural poverty to the throne of one of the world's most influential media empires. Featuring exclusive interviews with more than 150 people who witnessed, aided, and suffered from his ascent. Even if you've never watched a minute of professional wrestling, you are living in Vince McMahon's world. In his four decades as the defining figure of American pro wrestling, McMahon was the man behind Dwayne “The Rock” Johnson, “Stone Cold” Steve Austin, John Cena, Dave Bautista, Bret “The Hitman” Hart, and Hulk Hogan, to name just a few of the mega-stars who owe him their careers. For more than twenty-five years, he has also been a performer in his own show, acting as the diabolical “Mr. McMahon”—a figure who may have more in common with the real Vince than he would care to admit. Just as importantly, McMahon is one of Donald Trump's closest friends—and Trump's experiences as a performer in McMahon's programming were, in many ways, a dress rehearsal for the 45th President's campaigns and presidency. McMahon and his wife, Linda, are major Republican donors. Linda was in Trump's cabinet. McMahon makes deals with the Saudi government worth hundreds of millions of dollars. And for generations of people who have watched wrestling, he has been a defining cultural force and has helped foment “the worst of contemporary politics” (Kirkus Reviews). Ringmaster built on exclusive interviews with more than 150 people, from McMahon's childhood friends to those who accuse him of destroying their lives. “Smart, entertaining, impressively reported, and beautifully written. Wrestling fans will devour it, but everyone who wants to better understand this crazy country and one of its truly original characters ought to read it” (Jonathan Eig, author of Ali: A Life).

Convergent Wrestling CarrieLynn D. Reinhard,Christopher J. Olson,2019-03-04 This book examines how the current era of convergence has affected, and is reflected in, the world of professional wrestling, which combines several different genres, including drama, action, comedy, horror, science fiction, and even romance. Professional wrestling's business practices exist at the intersection of bottom-up fan-centric strategies and strict top-down corporate control. Meanwhile, the wrestlers themselves combine aspects of carnival hucksters, actors/actresses, comedians, superheroes, martial artists, or stuntmen, and the narratives consist of everything from social critique to geopolitical allegories, and from soap opera melodramas to stereotyped exploitation. Bringing together the latest scholarship in the field, Convergent Wrestling analyzes various texts, business practices, and fan activities to explore the commonalities that define professional wrestling and consider how it exists in today's new media ecology. In addition, the book considers the professional wrestling industry from several different angles, from massive multinational conglomerate World Wrestling Entertainment (WWE) to local indie federations. As such, it will appeal to scholars with interests in popular culture, media

and cultural studies, and fan practices.

Professional Wrestling and the Commercial Stage Eero Laine, 2019-11-14 Professional Wrestling and the Commercial Stage examines professional wrestling as a century-old, theatrical form that spans from its local places of performance to circulate as a popular, global product. Professional wrestling has all the trappings of sport, but is, at its core, a theatrical event. This book acknowledges that professional wrestling shares many theatrical elements such as plot, character, scenic design, props, and spectacle. By assessing professional wrestling as a neglected but prototypical case study in the global business of theatre, Laine argues that it is an exemplary form of globalizing, commercial theatre. He asks what theatre scholars might learn from pro wrestling and how pro wrestling might contribute to conversations beyond the ring, by considering the laboring bodies of the wrestlers, and analyzing wrestling's form and content. Of interest to scholars and students of theatre and performance, cultural studies, and sports studies, Professional Wrestling and the Commercial Stage delimits the edges of wrestling's theatrical frame, critiques established understandings of corporate theatre, and offers key wrestling concepts as models for future study in other fields.

Wwe News 11: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. **The Must-Read :** Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. **Uncover the Best :** Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. **Wwe News 11 :** Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
