Soon, she encounters kindness, romance, and is pulled into a mystery centered on an old, abandoned church and the death of a special girl. God Needed a Puppy John Gray,2018-08-07 Edgar the Owl and Freddy the Fox show readers of all ages how saying goodbye to a beloved animal does not mean saying goodbye forever. A portion of proceeds will be donated to animal shelters around the country. ----- When John's puppy Samuel died unexpectedly at just six months old it brought a profound sadness to their home and a sense that this was just not fair. For the first time John understood how a child must feel when they lose a pet of any age, asking themselves, Why? Hoping to turn his pain into something positive, John put pen to paper and wrote a story to help any child who has lost a pet. In *God Needed a Puppy* John guides children through the grieving process by using friendly animals from the forest to explain the reasons why a beloved pet sometimes has to leave us. He reassures them that this goodbye is not forever and offers hope that other furry friends will someday come into their lives.

You All Grow Up and Leave Me Piper Weiss,2018-04-10 Unflinching, rich and revelatory.–MEGAN ABBOTT “Gorgeous, moody, and evocative . . . half coming-of-age story and half exhaustively researched true crime.” –VANITY FAIR “Bracingly honest and extremely discomfiting, this book is like a riveting episode of Law & Order: SVU set at a Manhattan prep school with the U.S. Open as a backdrop.”–MARIE CLAIRE A riveting blend of true crime and coming-of-age memoir– The Stranger Beside Me meets Prep—that presents an intimate and thought-provoking portrait of girlhood within Manhattan’s exclusive private-school scene in the early 1990s, and a thoughtful meditation on adolescent obsession and the vulnerability of youth. Piper Weiss was fourteen years old when her middle-aged tennis coach, Gary Wilensky, one of New York City’s most prestigious private instructors, killed himself after a failed attempt to kidnap one of his teenage students. In the aftermath, authorities discovered that this well-known figure among the Upper East Side tennis crowd was actually a frightening child predator who had built a secret torture chamber—a Cabin of Horrors—in his secluded rental in the Adirondacks. Before the shocking scandal broke, Piper had been thrilled to be one of Gary’s Girls. Grandpa Gary, as he was known among his students, was different from other adults—he treated Piper like a grown-up, taking her to dinners, engaging in long intimate conversations with her, and sending her special valentines. As reporters swarmed her private community in the wake of Wilensky’s death, Piper learned that her mentor was a predator with a sordid history of child stalking and sexual fetish. But why did she still feel protective of Gary, and why was she disappointed that he hadn’t chosen her? Now, twenty years later, Piper examines the event as both a teenage eyewitness and a dispassionate investigative reporter, hoping to understand and exorcise the childhood memories that haunt her to this day. Combining research, interviews, and personal records, *You All Grow Up and Leave Me* explores the psychological manipulation by child predators—their ability to charm their way into seemingly protected worlds—and the far-reaching effects their actions have on those who trust them most.

Solving the Mystery of Babylon the Great Edward Hendrie,2011-03-11 Attorney and Christian researcher Edward Hendrie investigates and reveals one of the greatest exposes of all time. . . . a book you don't want to miss. Solving the Mystery of Babylon the Great is packed with documentation. Never before have the crypto-Jews who seized the reins of power in Rome been put under such intense scrutiny. Texe Marrs, Power of Prophecy. People have wondered and debated for centuries about the identity of the mysterious Babylon the Great in the book of Revelation. Solving the Mystery of BABYLON THE GREAT examines the historical evidence in light of the scriptures and solves the mystery. The evidence leads to the ineluctable conclusion is that the Roman Catholic Church was established by crypto-Jews as a false Christian front for a Judaic/Babylonian religion. That religion is the nucleus of a world conspiracy against man and God. That is not a soft conspiracy theory based upon speculation, but rather the hard truth based upon authoritative evidence, which is documented in this book. Texe Marrs explains in his foreword to the book: Who is Mystery Babylon? What is the meaning of the sinister symbols found in these passages? Which city is being described as the 'great city' so full of sin and decadence, and who are its citizens? Why do the woman and beast of Revelation seek the destruction of the holy people, the saints and martyrs of Jesus? What does it all mean for you and me today? Solving the Mystery of Babylon the Great answers these questions and more. Edward Hendrie's discoveries are not based on prejudice but on solid evidence aligned forthrightly with the 'whole counsel of God.' He does not condone nor will he be a part of any project in which Bible verses are taken out of context, or in which scriptures are twisted to mean what they do not say. Again and again you will find that Mr. Hendrie documents his assertions, backing up what he says with historical facts and proofs. Most important is that he buttresses his findings with scriptural understanding. The foundation for his research is sturdy because it is based on the bedrock of God's unshakeable Word.

The Long Loneliness Dorothy Day,2017-06-27 The compelling autobiography of a remarkable Catholic woman, sainted by many, who championed the rights of the poor in America’s inner cities. When Dorothy Day died in 1980, the New York Times eulogized her as “a nonviolent social radical of luminous personality . . . founder of the Catholic Worker Movement and leader for more than fifty years in numerous battles of social justice.” Here, in her own words, this remarkable woman tells of her early

life as a young journalist in the crucible of Greenwich Village political and literary thought in the 1920s, and of her momentous conversion to Catholicism that meant the end of a Bohemian lifestyle and common-law marriage. The Long Loneliness chronicles Dorothy Day's lifelong association with Peter Maurin and the genesis of the Catholic Worker Movement. Unstinting in her commitment to peace, nonviolence, racial justice, and the cause of the poor and the outcast, she became an inspiration to such activists as Thomas Merton, Michael Harrington, Daniel Berrigan, Cesar Chavez, and countless others. This edition of The Long Loneliness begins with an eloquent introduction by Robert Coles, the Pulitzer Prize-winning author and longtime friend, admirer, and biographer of Dorothy Day.

Too Close to Call Dan Bazile, 2010-11-02 What Makes One Candidate Lose To Another? Or better yet, what makes a hopeful candidate lose to a far less experienced one? Chance. Experience the art of chance with Jim Tedisco and Scott Murphy as Dan Bazile takes his readers back to the 2009 special election for control of a New York Congressional District seat. Watch the drama unfold and the election make a 180 degree turn, surprising both the candidates themselves and everyone else involved in the stunning election.

Don't Pee on My Leg and Tell Me It's Raining Judy Sheindlin, 1997-01-10 font COLOR=#000000 FACE=MS Sans Serif SIZE=1 in we get some reality in here? asks Judy Sheindlin, former supervising judge for Manhattan Family Court. For twenty-four years she has laid down the law as she understands it: ● If you want to eat, you have to work. ● If you have children, you'd better support them. If you break the law, you have to pay. If you tap the public purse, you'd better be accountable. Now she abandons all judicial restraint in a scathing critique of the system – filled with realistic hard-nosed alternatives to our bloated welfare bureaucracy and our soft-on-crime laws.

Hang on and Fly Tim Lake, 2015-10-18 Passenger planes are crashing three and four times a month in 1951 just as Americans are beginning to fly. Then, a loaded plane disappears in the night and can't be found. Panic and frustration reach all the way to the White House. Twenty-six are killed in the most spectacular crash that no one heard on a mountain frosted with snow and fog. Fourteen survivors are the largest group of plane crash victims to be lost and stranded in North America. The stewardess holds a baby in her arms until it dies. They huddle beneath a parachute tent, arguing over food and how to get out. One commits a dastardly criminal act upon the dead. When rescuers don't arrive after 40 hours, a hero passenger stumbles out of the snow-filled woods to find help from a farmer's wife with a secret deadly threat of her own. Distracted by blazing headlines, crash tourists, and a federal probe, simple farm families are intertwined with urban crash survivors leading up to more tragedy on the plane crash mountain. Hang on and Fly is a dramatic tale of the most incredible year of aviation disasters that made Americans plane crash jumpy. Passengers in rope seat belts are eaten by sharks; a pilot with heart disease flies into a hill; three crashes close a major airport; a lost pilot mistakes Lake Ontario for the Atlantic. It's the origin of our belief that we're safest in the back of the plane. It's the beginning of modern plane crash investigations, inspired Hollywood's airplane disaster movie genre, and caused safety regulations we all take for granted today. Journalist Tim Lake tells the gripping story of America's first budget airlines as only he can. His family was there.

Trump: The Art of the Deal Donald J. Trump, Tony Schwartz, 2009-12-23 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—Boston Herald "A chatty, generous,chutzpa-filled autobiography."—New York Post
