Margaret M. Blanchard

Ourselves Jonathan Strong,2001-08-20 As fine a portrait of late adolescence as any in recent years, said Richard Locke in The New York Times. Like a solid, modest but finely structured piece of chamber music... an unmodish, underplayed novel that makes you sit up and smile.

Altared Ego H. Adrian Sexton,2010-10-18 Xavier Alonzo Gambol is a 16 years old high school sophomore, National Honor Student and All-State Baseball Player with an 85 mph fastball. His family and friends affectionately knew him as Xavy. Sunday morning he was baptized. Sunday night he went to the movies with friends. Monday morning he came home dead! Xavy Gambols was a young life full of potential, tragically cut short. His death the death of a teenage boy; would spark a shockwave of activity throughout the city. The police need the cooperation of the citizens in the roughest housing projects in the city to help bring justice to the family. Cooperation they will never get because where they live, street justice is more feared than the police. Thelonious Uriah Gambol is now a Preacher. His family and friends know him as TUG. He is a now father, a husband, a brother and a son. He is now a man with a job and a family to care for. This is now! Back then, Tug was known in the streets as ThUG. Tug needs ThUG to find Xavys killer and bring justice to the family. The police either cant or wont do it. So ThUG has to do it himself As only he knows how. The good news for the family is that Tug was Xavys favorite uncle. The bad news for the killer is that Xavy was ThUGs favorite nephew! Xavys death must be avenged. Justice must be served. In order to find a killer, a Preacher must go back. Back to the person he thought dead and buried. Back to an Altar Ego!

Where? Margaret M. Blanchard,2014-01-31 In Where? Xavy, the endearing narrator of Who? is invited by Grace, her old friend from the Baltimore women's community, to investigate the disappearance of a friend's daughter. Their reunion in Vermont after twenty years of separation provides the home base for an inquiry leading Xavy high and low, from coast to coast, and beyond. Issues of faith, mercy and redemption play out within a contemporary tangle of belief systems and allegorical exploration. In the process Xavy and Grace and their friends examine remnants of feminist activism as well as recent issues like marriage equality for lesbians and gays, and the rise of the occupy movement. Throughout Where? Xavy provides insightful and amusing commentary on current issues, as well as themes of place, belonging, and home. As Xavy and Grace renew the friendship between them, they reflect, from the perspective of aging, upon the trajectories and rewards of their unconventional lives.

Life on Route 66 Claudia Heller,Alan Heller,2012-05-15 A celebration of America's most historic highway, in words and pictures. Winding through the rugged heartland of the American West, Route 66 has resonated for generations in hardscrabble tales of hopeful seekers of new homes and new lives. It also inspired Alan and Claudia Heller, longtime residents of Duarte, a California town along Route 66, to hitch their trailer to a retirement dream and travel the road again, journeying through their home state and back to Chicago. They collected stories of the iconic highway, and what it means to the people who live along its way, for a series in the San Gabriel Valley Newspaper Group. This collection retraces their journey and introduces us to some of the people and places that make Route 66 truly historic.
