A Newbies Guide to Xbox 360 GameCaps,2013-09-05 Games systems used to be simple--plug into TV, put in game cartirage, power on...and occasionally spend several minutes plugging dust out and putting it in at just the right angle! Today game systems are more than game systems--they are multi-media powerhouses. In the case of Xbox 360, it is a full on computer. This guide will help you get the most out of your Xbox 360 and everything that's built into it--from adjusting parental settings to changing the way it looks. GameCaps Walkthroughs was started as a way of bringing cheap, reliable, and informative game walkthroughs and system profiles. Our library is growing more every month.

### **XBOX 360 Forensics Steven Bolt,2011-02-07 XBOX 360**

Forensics is a complete investigation guide for the XBOX game console. Because the XBOX 360 is no longer just a video game console – it streams movies, connects with social networking sites and chatrooms, transfer files, and more – it just may contain evidence to assist in your next criminal investigation. The digital forensics community has already begun to receive game consoles for examination, but there is currently no map for you to follow as there may be with other digital media. XBOX 360 Forensics provides that map and presents the information in an easy-to-read, easy-to-reference format. This book is organized into 11 chapters that cover topics such as Xbox 360 hardware; XBOX LIVE; configuration of the console; initial forensic acquisition and examination; specific file types for Xbox 360; Xbox 360 hard drive; post-system update drive artifacts; and XBOX Live redemption code and Facebook. This book will appeal to computer forensic

and incident response professionals, including those in federal government, commercial/private sector contractors, and consultants. Game consoles are routinely seized and contain evidence of criminal activity Author Steve Bolt wrote the first whitepaper on XBOX investigations
