The Jews of Moscow, Kiev and Minsk Robert J. Brym,Rozalina Ryvkina,1994-07-19 The persecution and flight of Jews from the former Soviet Union have been in the news for 25 years yet surprisingly little exact information is available on them. Various parties have offered widely differing assessments of how many Jews live in the region, how persecuted they are, how strongly they identify as Jews, their prospects for cultural revival, how likely it is that those who remain will soon leave, and the probable destinations of those who emigrate. This book sheds light on all these questions. It is based on the first survey of a large, representative sample of CIS Jews, conducted in 1993 in Moscow, Kiev and Minsk by acknowledged Western and Russian experts. Many of its findings are surprising. It is the definitive sociological study of Jews in the Slavic republics of the CIS to date.

Ecology & the Jewish Spirit Ellen Bernstein,2000 What is nature's place in our spiritual lives? In today's modern culture, we've become separated from the sacredness of the natural world. This book offers a different, eye- and soul-opening way of viewing our religion: A perspective grounded in nature, and rich in insights for seekers of all faiths. Respect for the holiness of Creation, our duty to protect the natural world, reverence for the land ... a focus on nature is part of the fabric of Jewish thought. Here, innovative contributors bring us a richer understanding of the long-neglected themes of nature that are woven through the biblical creation story, ancient texts, traditional law, the holiday cycles, prayer, mitzvot (good deeds) and community. Ecology & the Jewish Spirit explores the wisdom that the Jewish tradition has to offer all of us, to help nature become a sacred, spiritual part of our own lives.
