Shot by everyday photographers, these delightfully surprising images convey a sense of joy, discovery, and magic.--Publisher description.

Awkward Family Holiday Photos Mike Bender, Doug Chernack, 2013-10-29 From the authors of the New York Times bestsellers *Awkward Family Photos* and *Awkward Family Pet Photos* comes a celebration of those special times throughout the year when our families embarrass us the most . . . the holidays. Holidays. They're those momentous occasions when we gather with family to eat, drink, celebrate, and, of course, pose for photographs. From Mom's homemade Halloween costumes to re-creating a Nativity scene for the Christmas card to that overly patriotic uncle who literally wears the

flag on the Fourth, holidays make for humiliating memories that we carry in our hearts for years to come. Whether your family loves Valentine's Day, St. Patrick's Day, Easter, July Fourth, Halloween, Thanksgiving, Christmas, or Hanukkah, this book pays homage to all of the holidays' most uncomfortable moments.

Merry Christmas Dee Phillips, 2019-08-10 Take a look at this cute Christmas Memory Book. Christmas is a very special time of year, when family and friends get together and share memories and time together. This fantastic notebook is especially made for you to record and treasure those times. It is filled with blank lined pages for you to record your thoughts, feelings and memories of those special Christmas days - from Christmas parties you attend to family gatherings to share the seasonal festivities. You can record the best seasonal dishes and desserts of the year - and include recipes. You can record the presents you received and from whom. You can record your feelings when your husband presented you with a new mop for Christmas. You can use this journal as a guest sign-in book for your Christmas party. You can record new and past family Christmas traditions. There are any number of useful things you could use this book for. Each page has a cute Christmas design header to go along with the Christmas theme. There are also many blank pages for you to insert photos you wish to preserve for all time. This book is a convenient size (8 x 10) so you can take it with you anywhere to have handy when you wish to write in it - great to throw in a briefcase bag or backpack. It would make a great

gift also for someone you love as a Christmas present - or consider filling it up with special memories and then gifting it to someone. They will love remembering those special times together. Here's an example of a Christmas memory you may want to preserve: Little Suzy (aged 9) wanted a pony for Christmas because this year she is obsessed with horses. Of course, it's out of the question as we live in the city. Suzy asked Santa for a horse though and she was sure Santa would come through. Christmas morning arrived and there was a huge box in the living room beside the tree. Suzy was ecstatic - she was sure her pony was in that box. As she ripped open the box, which revealed a piano, Suzy's face was a shocked mask. Tears followed, but eventually she realized the folly of her wish. (You could include a picture of Suzy's shocked face in the journal.) I'm not sure Suzy is going to take to piano lessons very well. Scroll up to get this great Christmas Memory book now.
